City Manager

City Attorney

Petition for Local Improvements

The following petition has been received by the City Attorney's Office:

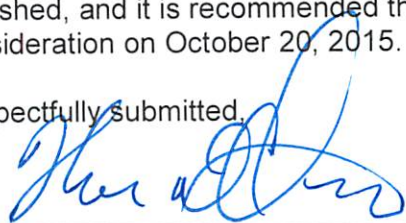

1115 Pleasant Ridge Road Sewer Extension
(Paving, Water and **Sewer**)

This petition has been found to be sufficient as follows: The total number of owners is 4; the number thereof signing the petition is 3, a majority of 75%. The total number of linear feet is 2,301.99; the number of linear feet signed for by petitioners is 1,793.66, a majority of 78%.

With respect to the 8-inch sewer main, the estimated cost based upon current unit prices for linear feet on past contracts is \$70,000. The assessment rate of \$16.00 per foot represents \$14,030 which is 20% of the total cost. The source of funding will be the Water Resources Capital Improvement Fund.

Appropriate legal notices have been published, and it is recommended that this matter be placed on the City Council agenda for its consideration on October 20, 2015.

Respectfully submitted,

Thomas D. Carruthers
City Attorney
