**SUBJECT:** M/WBE Memo for Equipment Lease Agreement of Radio Consoles

The M/WBE Office reviewed the submitted Equipment Lease Agreement documentation for the upgrade of radio consoles for the Guilford Metro 911 Department to determine compliance with the Greensboro M/WBE Program Plan. The current equipment will soon be obsolete and replacement is critical to the operations of the GM911 Dispatching Center. Motorola Solutions, Inc., is the current regional provider for radio communication equipment. No other firm may provide the equipment due to the current agreement.
