

NORTH CAROLINA

**GLOBAL ENCROACHMENT
AGREEMENT**

GUILFORD COUNTY

THIS AGREEMENT, made and entered into this the 15th day of March, 2016, by and between the **CITY OF GREENSBORO**, "Grantor"; and **V.F. CORPORATION**, a North Carolina corporation, "Grantee".

WITNESSETH:

THAT WHEREAS, Grantee approached Grantor to display a series of jean sculptures to serve as a symbol of Jeansboro Day in the community. Grantee wants to celebrate the unique heritage and lasting significance of Greensboro's role in the classic American icon: the blue jean;

THAT WHEREAS, The 4-foot tall jean statues, with accompanying bases, will be sculpted from a gel-coated, Class 1 fiberglass resin that meets or exceeds ASTM standards for strength and flame retardancy. The inside will consist of urethane foam. Each base will include four mounting holes to allow for the statues to be bolted down during installation. The holes will be 1/2" in diameter to allow for a 5/16"-3/8" threaded rod to pass through and secure the statues to the ground;

THAT WHEREAS, These statues made by Fun Enterprises, LLC will be installed within City right-of-way and City property as depicted upon Exhibit A, the attached encroachment map, and Exhibit B, the image of the sample of said artwork. The Grantee has requested permission to encroach upon the rights-of-way and property of Grantor in order to display this artwork;

THAT WHEREAS, Grantee wishes to construct fifteen (15) jean statues painted by local high school and college students based on themes provided by the Grantee ;

THAT WHEREAS, Future locations will be approved internally by City staff;

WHEREAS, Grantee agrees to maintain the artwork (hereinafter referred to as “the Encroachment” in a safe condition and agrees to hold the City of Greensboro harmless from any and all loss to persons or property resulting from the location of the Encroachment within the Grantor’s rights-of-way;

NOW, THEREFORE, IT IS AGREED that the Grantor hereby grants to the Grantee the limited right and privilege to encroach on the property of the Grantor within the above defined limits upon the following conditions:

1. The Grantee guarantees that the Encroachment will neither cause a public nuisance nor unreasonably interfere with the use of the public streets and private streets and sidewalks by the public;
2. The Grantee shall indemnify and save harmless the Grantor from any and all damages and claims for damages that may arise by reason of the installation and location of the Encroachment; at the request of the Grantor, without any cost to the Grantor;
3. The Grantee shall make any necessary and required design changes if such changes are required, including, but not limited to, the removal of the Encroachment;
4. General Liability Insurance, including but not limited to coverage for all premises and non-premises operations, independent contractors, broad form property damage coverage, including explosion, collapse and underground property damage hazards, personal injury liability protection including coverage relating to employment of persons, contractual liability protection, and products and completed operations coverage. This insurance shall provide bodily injury limits of not less than \$1,000,000 for each occurrence and not less than \$2,000,000 in the aggregate, and with property damage limits of not less than \$1,000,000 for each occurrence and not less than \$2,000,000 in the aggregate, with property damage limits of not less than \$500,000 for each occurrence and not less than \$500,000 in the aggregate.

Automobile Liability Insurance, covering owned, non-owned, hired vehicles and trailers using in connection with this project. This insurance shall provide bodily injury and property damages limits of not less than \$1,000,000 combined single limit/aggregate.

Worker’s Compensation Insurance in accordance with statute requirements and Employer’s Liability Insurance with limits of not less than \$100,000 for each occurrence. In case any work is sublet under this Agreement, Grantee shall require the subcontractor similarly to provide Worker’s Compensation

and Employer's Liability Insurance for all of the subcontractor's employees to be engaged in such work. This Agreement shall be void and of no effect unless Grantee shall secure and keep in effect during the terms of this Agreement. Grantee's compliance with the provisions of the Worker's Compensation laws of the State of North Carolina.

Grantee shall furnish certificates of insurance for all of the insurance coverages described herein within ten (10) days after this Agreement is ratified and certified copies of any amendments and/or renewals to the policies which occur thereafter. At least thirty (30) days written notice shall be given to the Grantor prior to any cancellation, modification or non-renewal of any insurance required under this Agreement.

All project contractors shall be required to include Grantor and Grantee as additional insured on their General Liability insurance policies;

5. The Grantee shall maintain and repair the Encroachment until such time as the Encroachment, is removed either at the request of the Grantor or otherwise as a decision of the Grantee;
6. The Grantee, during the building and installing of the Encroachment, for itself, its assignees and successors in interest, agrees that it will require that the contractor, with regard to the work performed by the contractor during the building and installation of the Encroachment within the rights of way of the Grantor, shall not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including the procurement of materials and leases of equipment; and
7. The Grantee, shall seek proper building permits and inspections required by the City of Greensboro; and
8. The Grantee shall record their fully executed Encroachment Agreement with the Guilford County Register of Deeds and provide proof thereof in order to obtain required permitting.
9. The Grantee assumes all costs associated with the proposed installation of the Encroachment including: utility locates, delivery and removal of the Encroachment, delivery of engineer-stamped drawing of installation design, installation and de-installation of the Encroachment by a fully qualified contractor, insurance for damage and liability for the Encroachment, repair of any disturbance to the site at the time of installation and at the time of de-installation, and all routine maintenance of the Encroachment.

IN WITNESS WHEREOF, each of the parties to this agreement has caused the same to be executed in duplicate originals the day and year first above written.
