SUBJECT: MWBE Memo North Buffalo SSES and Rehabilitation Design Assistance

The M/WBE Office reviewed the documentation submitted by CDM Smith to determine compliance with the City's M/WBE Plan. Contract goals were not established for the project; however, prospective respondents were required to solicit and make a Good Faith Effort towards certified M/WBEs as potential sources for goods and services necessary to complete the project.

CDM Smith proposed to commit \$67,810 or 10% of the total contract value of \$656,280 to an MBE firm.

Certification	Firm Name	County	Description of Work	Dollar Value	Total Contract Percentage

Please be reminded that during the performance of the contract, if there is a change to the scope of work either through change orders or additions; the contractor must contact the M/WBE Office prior to making any such changes or substitutions.
