City of Greensboro
Engineering & Inspections Department
John Gribble
300 W. Washington Street
Greensboro, NC 27402-3136

Dear Mr. Gribble,

This letter is to advise the City of Greensboro that the 60 linear foot communications cable which was installed beneath Airport Center Drive has been removed and the conduit sealed and inspected to the approval of the City's Utility Coordinator.

American Express Travel Related Services Company, Inc. no longer has a need for this 60 foot communications cable connectivity and therefore does not need this encroachment with the City of Greensboro. American Express Travel Related Services Company, Inc. agrees to hold the City of Greensboro harmless as to the unused but remaining conduit, if any, in the Airport Center Drive right of way and requests that the prior resolution granting the encroachment dated April 20, 1999 be rescinded in part to the extent of the right granted to encroach beneath Airport Center Drive right-of-way.

Respectfully,

AMERICAN EXPRESS TRAVEL RELATED SERVICES COMPANY, INC. **SEAL**
