THIS AGREEMENT is made and entered into on the last date executed below, by and between the North Carolina Department of Transportation, an agency of the State of North Carolina, hereinafter referred to as the "Department", and the City of Greensboro, hereinafter referred to as the "Municipality."

WITNESSETH:

WHEREAS, the Department and the Municipality on 7/13/2011, entered into a certain Project Agreement for the original scope: the design of 15.5 miles of projects along the following roadways: English Street from Phillips Avenue to Florida Street where none exists; Pisgah Church Road / Lees Chapel Road from Battleground Avenue to Yanceyville Street; West Friendly Avenue from West Market Street to Francis King Street; and Yanceyville Street from Bessemer Avenue to Yanceyville Street, programmed under Project EL-5101 DL; and,

WHEREAS, the Department and the Municipality, on 1/22/2013 and 7/10/2014 agreed to extend the completion date of the Project; and,

WHEREAS, the Department and the Municipality, on 5/9/2013 agreed to increase the participation of the funding for the Project; and,

WHEREAS, this Supplemental Agreement is to add the Right of Way Phase, increase the funding and extend the completion date of the Project; and,

Agreement ID # 5680

WHEREAS, the Department has established standardized time frames for completion of work based on the date for the Project,

NOW THEREFORE, the parties wish to supplement the aforementioned Agreement whereby the following provisions are amended:

3. FUNDING

The Department's original participation was \$891,640. The Department agrees to reimburse the Municipality an additional \$847,000 of CMAQ funds and \$258,000 of STPDA funds.

The Municipality's original participation was \$181,250. The Municipality will provide an additional \$276,250 as their local match.

4. TIME FRAME

The Municipality shall complete all work outlined in the Agreement within five years from authorization of Federal Right of Way funds or completed by 4/20/2022. Completion for this Agreement is defined as completion of all implementation activities, acceptance of the project, and submission of a final reimbursement package to the Department.

If additional time is needed to complete the Project, then a supplemental agreement must be executed. The Department and/or FHWA reserves the right to revoke the funds awarded if the Municipality is unable to meet milestone dates included herein.

11. OTHER PROVISIONS

ENTIRE AGREEMENT

This Agreement contains the entire agreement between the parties and there are no understandings or agreements, verbal or otherwise, regarding this Agreement except as expressly set forth herein.

AUTHORIZATION TO EXECUTE

The parties hereby acknowledge that the individual executing the Agreement on their behalf is authorized to execute this Agreement on their behalf and to bind the respective entities to the terms contained herein and that he has read this Agreement, conferred with his attorney, and fully understands its contents.

FACSIMILE SIGNATURES

A copy or facsimile copy of the signature of any party shall be deemed an original with each fully executed copy of the Agreement as binding as an original, and the parties agree that this Agreement can be executed in counterparts, as duplicate originals, with facsimile signatures sufficient to evidence an agreement to be bound by the terms of the Agreement.

13. RIGHT OF WAY / UTILITY AUTHORIZATION

If the costs of right of way acquisition or utility relocation are an eligible expense, the Municipality shall submit a letter of request to the Department to authorize and set up right of way and/or utility funding. The acquisition for right of way, construction easements, and/or utility relocation may be undertaken only after the Municipality receives written authorization from the Department to proceed.

14. PROJECT LIMITS AND RIGHT OF WAY (ROW)

SPONSOR PROVIDES ROW

The Municipality, at no liability whatsoever to the Department, shall be responsible for providing and/or acquiring any required ROW and/or easements for the Project.

ROW GUIDANCE

The Municipality shall accomplish all ROW activities, including acquisition and relocation, in accordance with the following: Title 23 of the Code of Federal Regulations, Part 710, Subpart B and Title 49 of the Code of Federal Regulations, Part 24, [Uniform Act] incorporated by reference at www.fhwa.dot.gov/legsregs/directives/fapgtoc.htm; NCGS, Chapter 133, Article 2, Sections 133-5 through 133-18, Relocation Assistance, incorporated by reference at www.ncleg.net/gascripts/Statutes/Statutes.asp; and the North Carolina Department of Transportation Right of Way Manual.

APPRAISAL

If the costs of ROW acquisition are an eligible expense, the Municipality shall submit the appraisal to the Department's Right of Way Branch for review and approval in accordance with Departmental policies and procedures.

CLEARANCE OF PROJECT LIMITS / ROW

The Municipality shall remove and dispose of all obstructions and encroachments of any kind or character (including hazardous and contaminated materials) from said ROW, with the exception that the Municipality shall secure an encroachment agreement for any utilities (which shall remain or are) to be installed within the Department's ROW, or follow other applicable approval process, for utilities within the Municipality's ROW. The Municipality shall indemnify and save harmless the Department, Federal Highway Administration, and the State of North Carolina, from any and all damages and claims for damages that might arise on account of said right of way acquisition, drainage, and construction easements for the construction of said Project. The Municipality shall be solely responsible for any damages caused by the existence of said material now and at any time in the future and will save the Department harmless from any legal actions arising as a result of this contaminated and/or hazardous material and shall provide the Department with documentation proving the proper disposal of said material.

RELOCATION ASSISTANCE

The Municipality shall provide relocation assistance services and payments for families, businesses, and non-profit organizations being displaced by the Project in full accordance with the Federal relocation requirements of Title 49 Code of Federal Regulations, Part 24 [Uniform Act], as amended. Relocation assistance services and payments may be accomplished by contract with any other municipal corporation, or State or Federal agency, rendering such services upon approval by the Department and Federal Highway Administration.

15. UTILITIES

The Municipality, and/or its agent, at no liability to the Department, shall relocate, adjust, relay, change or repair all utilities in conflict with the Project, regardless of ownership. All utility work shall be performed in a manner satisfactory to and in conformance with State and Federal rules and regulations, prior to Municipality beginning construction of the project. This Agreement does not modify or supersede any existing Utility Encroachment Agreements that may be in place.

16. RIGHT OF WAY CERTIFICATION

The Municipality, upon acquisition of all right of way/property necessary for the Project, shall provide the Right of Way Agent, located at the Department's Local Right of Way Office, all required documentation (deeds/leases/easement/plans) to secure right of way certification from that office. Certification is only issued after all ROW is in public ownership or property is publicly accessible by a legal document and utilities in conflict with the project are relocated.

17. CONSTRUCTION AUTHORIZATION

The Municipality shall submit the required environmental and/or planning document, ROW certification, final construction plans, total contract proposal, and an estimate of Project costs (final PS&E package) to the Department for review and approval.

 After approval of all documentation, the Department will request construction authorization from the Federal Highway Administration. • The Municipality shall not advertise for bids prior to receiving written construction authorization from the Department.

18. CONTRACTOR PROCUREMENT

ADVERTISE FOR BIDS

Upon receipt of written construction authorization from the Department, the Municipality may advertise the Project. The Municipality shall follow applicable Federal and/or State procedures pertaining to the advertisement of the Project, bid opening, and award of the contract, according to Title 49 of the Code of Federal Regulations, Part 18.36 and Title 23 of the Code of Federal Regulations, Part 633 and Part 635, incorporated by reference at <u>www.fhwa.dot.gov/legsregs/directives/fapgtoc.htm</u>; and NCGS, Chapter 143, Article 8 (Public Contracts), incorporated by reference at <u>www.ncleg.net/gascripts/Statutes/Statutes.asp</u>.

CONSTRUCTION CONTRACTOR REQUIREMENTS

All Contractors submitting bids on the project shall be pre-qualified by the Department. All proposed subcontractors must be pre-qualified before construction work begins. Any subcontractors who are proposed to meet the Disadvantaged Business Enterprise goal must be certified by the Department.

CONSTRUCTION SUBCONTRACTOR REQUIREMENTS

Any contract entered into with another party to perform work associated with the requirements of this Agreement shall contain appropriate provisions regarding the utilization of Disadvantaged Business Enterprises (DBEs), or as required and defined in Title 49 of the Code of Federal Regulations, Part 26 and the North Carolina Administrative Code. These provisions are incorporated into this Agreement by reference

https://connect.ncdot.gov/projects/Contracts/Pages/LGA-Projects.aspx.

- The Municipality shall not advertise nor enter into a contract for services performed as part of this Agreement, unless the Department provides written approval of the advertisement or the contents of the contract.
- If the Municipality fails to comply with these requirements, the Department will withhold funding until these requirements are met.

AWARDING CONTRACT

After the advertisement of the Project for construction bids, the Municipality shall request concurrence from the Department to award the construction contract by submitting a letter along with tabulated bids received depicting Disadvantaged Business Enterprises (DBE) goals, and a resolution recommending award of the Project to the lowest responsible, responsive bidder. The Department will review the submitted information and provide written approval to the Municipality prior to the contract being awarded by the Municipality.

DELAY IN PROCUREMENT

In the event the Project has not been let to contract within six (6) months after receiving construction authorization from the Department, the Municipality shall be responsible for documenting to the Department justification for project delay and that the Project remains in compliance with the terms of this Agreement, the approved plans and specifications, and current codes.

FORCE ACCOUNT

Force account work is only allowed when there is a finding of cost effectiveness for the work to be performed by some method other than a contract awarded by a competitive bidding process, or there is an emergency. Written approval from the Department is required prior to the use of force account by the Municipality. Federal Highway Administration regulations governing Force Account are contained in Title 23 Code of Federal Regulations, Part 635.201, Subpart B; said policy being incorporated in this Agreement by reference

www.fhwa.dot.gov/legsregs/directives/cfr23toc.htm. North Carolina General Statutes governing

the use of Force Account, Chapter 143, Article 8 (Public Contracts) can be found at www.ncleg.net/gascripts/Statutes/Statutes.asp.

19. CONSTRUCTION

The Municipality, and/or its agents shall construct the Project in accordance with the plans and specifications of the Project as filed with, and approved by, the Department. During the construction of the Project, the procedures set out below shall be followed:

CONSTRUCTION CONTRACT ADMINISTRATION

The Municipality shall comply with the NCDOT Construction Manual as referenced at http://www.ncdot.org/doh/operations/dp%5Fchief%5Feng/constructionunit/formsmanuals/construction/, which outlines the procedures for records and reports that must be adhered to in order to obtain uniformity of contract administration and documentation. This includes, but is not limited to, inspection reports, material test reports, materials certification, documentation of quantities, project diaries, and pay records. The Municipality, and/or its agent, shall perform the construction engineering, sampling and testing required during construction of the Project, in accordance with Departmental procedures, including the Department's Guide for Process Control and Acceptance Sampling and Testing. The Municipality shall document that said compliance was accomplished in accordance with State and Federal procedures, guidelines, standards and specifications.

RETAINAGE

The Municipality shall not retain any portion of a payment due the contractor.

SIGNAGE

The Municipality shall provide and maintain adequate signage and other warning devices for the protection of the public in accordance with the approved traffic control plans for the Project and the current edition of the Manual on Uniform Traffic Control Devices (MUTCD) for Streets and Highways, or any subsequent revision of the same, published by the Federal Highway Administration and effective at the time of award of the contract.

SITE LAYOUT

The Municipality shall be responsible for ensuring that all site layout, construction work, and Project documentation are in compliance with applicable city, state and federal permits, guidelines, and regulations, including American Association of State Highway and Transportation Officials (AASHTO) guidelines and Americans with Disabilities Act (ADA) Standards for Accessible Design (www.usdoj.gov/crt/ada/stdspdf.htm).

RIGHT TO INSPECT

The Department and representatives of the Federal Highway Administration shall have the right to inspect, sample or test, and approve or reject, any portion of the work being performed by the Municipality or the Municipality's contractor to ensure compliance with the provisions of this Agreement. Prior to any payment by the Department, any deficiencies inconsistent with approved plans and specifications found during an inspection must be corrected.

CONTRACTOR COMPLIANCE

The Municipality will be responsible for ensuring that the contractor complies with all of the terms of the contract and any instructions issued by the Department or FHWA as a result of any review or inspection made by said representatives.

CHANGE ORDERS

If any changes in the Project plans are necessary, the Department must approve such changes prior to the work being performed.

SHOP DRAWINGS

Shop Drawings shall be submitted in accordance with the approved plans and specifications and may require review by the Designer.

20. CLOSE-OUT

Upon completion of the Project, the Municipality shall be responsible for the following:

FINAL INSPECTION

The Municipality shall arrange for a final inspection by the Department. Any deficiencies determined during the final field inspection must be corrected prior to final payment being made by the Department to the Municipality. Additional inspection by other entities may be necessary in accordance with the Department's guidelines and procedures. The Municipality shall provide the Department with written evidence of approval of completed project prior to requesting final reimbursement.

FINAL PROJECT CERTIFICATION

The Municipality will provide a certification to the Department that all work performed for this Project is in accordance with all applicable standards, guidelines, and regulations.

21. MAINTENANCE

The Municipality, at no expense or liability to the Department, shall assume all maintenance responsibilities for the Municipality, or as required by an executed encroachment agreement.

Except as hereinabove provided, the Agreement heretofore executed by the Department and the Municipality on 7/13/2011, 1/22/2013, 5/9/2013 and 7/10/2014, are ratified and affirmed as therein provided.

IN WITNESS WHEREOF, this Agreement has been executed, in duplicate, the day and year heretofore set out, on the part of the Department and the Municipality by authority duly given.
