TO: Donald Saintsing, Engineering and Inspections

FROM: Kirim McGee, M/WBE Specialist

SUBJECT: Contract No. 2015-031
Bridge Structure Repairs by Shotcrete

The M/WBE Office reviewed the documentation submitted by Proshot Concrete, Inc to determine compliance with the City of Greensboro's M/WBE Plan. There were no contract goals established for the project. It appears that the contractor has the necessary resources to perform all of the work without the use of subcontractors.

Please be reminded that during the performance of the contract, if there is a change to the scope of work either through change orders or additions or if a subcontractor is replaced; the contractor must contact the M/WBE Office prior to making any such changes or substitutions.

Please give me a call if you have any questions.
