“Really, during my 33 years in the conference, nobody does it better — it’s not even close — than the people of Greensboro. They put their arms around all the teams. They set up an atmosphere there that’s Final Four-ish. It’s classy in every way.”

Mike Krzyzewski
Duke University Head Coach

“....What they’re (United States Figure Skating) really after is the infrastructure for the skaters, and Greensboro is kind of perfect. I don’t think another city in the United States could host it better...”

Scott Hamilton
Four-time U.S. Champion & Olympic Gold Medalist

“THOG’s efforts and tireless dedication helped to make this the best post-season basketball tournament on the planet and its undertaking is so very much appreciated. The outstanding play on the court was exceeded only by the superb performances behind the scenes. We are very proud of what our ACC/THOG team accomplished together.”

Paul Brazeau
ACC Senior Associate Commissioner, Men’s Basketball
