**III. INFORMATIONAL ITEMS**

Councilmember Abuzuaiter recognized Officer Bloch to speak.

Officer Bloch spoke to the number of news articles and broadcasts about the incident; to his actions in the video; emphasized he may need to move out of Greensboro as a result of members of the public harassing his family; referenced the incident being silent for about a year; explained that he had sought counseling; that the item was now in the limelight; referenced conversations between he and Ms. Vo's mother and neighbors after the incident; spoke to what did not reach the media and was not on camera; and emphasized he had followed his training during the incident. Officer Bloch spoke to the reason why Attorney Nguyen had taken the case; verified he wanted his story heard; emphasized Ms. Vo was running straight at him; explained that officers were trained to create distance between themselves and a perpetrator; stated he wanted to stop the public from the ability to view the video; added he would not apologize for his actions; that he had no other options that day; had relived the incident everyday; reiterated that the incident took place in four seconds; spoke to the fear on Ms. Vo's mother's face; voiced that the Vo family deserved compassion and prayer; stated it was important that the public know this information; referenced State law and unchartered waters; verified he did not think it was a good idea to release the video; and thanked the Committee for hearing him out.

Police Chief Wayne Scott informed the Committee he would stay in contact with Officer Bloch as he moved through the process for release of the video.

The Committee wished Officer Bloch and his family well.

7. [ID 16-0432](#) Update on GPD use of Body Worn Camera Technology

Councilmember Abuzuaiter explained why she had asked for the Body Worn Camera policy update; and spoke to what she wanted clarified.

Police Chief Scott confirmed that the presentation was a synopsis of the overall policy; recognized Officer Flynt to go through the policy; and spoke to the legal constraints and misconceptions people had.

Officer Flynt referenced a previous PowerPoint Presentation (PPP); provided an overview of the body worn camera deployment; verified that approximately 240 were deployed on average; outlined the process for activation of the cameras; spoke to when cameras could be deactivated due to special circumstances; explained restricted uses of body worn cameras; outlined the differences of the footage; retention categories; and emphasized the department was trying to find the newest, most effective technology.

Discussion took place regarding the financial ramifications for review of footage prior to release; Durham's quote of approximately \$85.00 an hour to review footage; the proposed budget impact; best practices; and upcoming legislation.

Councilmember Abuzuaiter stated the update was helpful; asked about the volume of videos; and voiced appreciation that a victim could request the cameras be turned off if they were in a vulnerable position.

(A copy of the PowerPoint Presentation is filed in Exhibit Drawer Y, Exhibit No. 20 which is hereby referred to and made a part of these minutes)
