SUBJECT: Water and Sewer Rehabilitation Project "L" Extension Contract #2012-095

The M/WBE Office reviewed the contract extension request for Contract #2012-059 Water and Sewer Rehabilitation Project "L" to determine compliance with the City's M/WBE Program Plan. The Program Plan requires a prime contract to make a Good Faith Effort to provide M/WBEs an equal opportunity to perform on a contract including contract extensions. Contract goals established for the extension were MBE 8% and WBE 7%. Affidavit C submitted by KRG Utility, Inc. indicates that the contractor met both the MBE and WBE goals.

KRG Utility proposed to commit \$607,360 or 8% to MBE firms and \$531,440 or 7% to WBE firms of the total contract extension amount of \$7,592,000.

KRG Utility has agreed to meet its M/WBE commitment utilizing the following certified firms.

Certification	Firm Name	County	Description of Work	Dollar Value	Total Extension Percentage
MBE	Rankin Grading	Guilford	Hauling	\$75,920	1%
MBE	T Simmons Backhoe Concrete	Guilford	Concrete	\$75,920	1%
WBE	Allis Concrete Construction, LLC	Davie	Manhole	\$227,760	3%
WBE	North State Water & Sewer	Forsyth	Utility	\$303,680	4%
MBE	Mayes Landscaping & Concrete	Forsyth	Utility & Asphalt	\$455,520	6%

Please be reminded that during the performance of the contract, if there is a change to the scope of work either through change orders or additions; the contractor must contact the M/WBE Office prior to making any such changes or substitutions.
