DEPARTMENT: Greensboro Coliseum Complex
SUBJECT: Hornet D-League Field House - CMAR

The M/WBE Office reviewed the documentation submitted by Samet/SRS, Inc. Joint Venture Company ("CMAR") to determine compliance with the M/WBE Program Plan. The M/WBE participation goal established by the CMAR for the project was 35%. While the recommended total CMAR Guaranteed Maximum Price (GMP) for the project is valued at \$5,482,424.00 (includes all CMAR fees, bond & insurance expenses, seat allowances, and project contingency), the actual field house construction work and associated activities is valued at \$4,015,426. Provided below are the M/WBE commitments Samet/SRS has agreed to meet with the following 1st and 2nd tier certified firms on the actual field house construction work and associated activities. In addition to the M/WBE firms shown below, we have confirmed that the CMAR also solicited bids from other qualified M/WBE subcontractors to work on the project. However before the final GMP was compiled, a few of the firms chose to withdraw their bids due to misunderstanding the project plans and specifications and/or underestimating their bid pricing.
