

CONTRACT FOR THE PROVISION OF SUPPLEMENTAL POLICE SERVICES

Between

Greensboro Housing Authority

and

City of Greensboro

This agreement was made on the 1st day of July, 2017, by and between the City of Greensboro (City) and the Greensboro Housing Authority (GHA).

WHEREAS, GHA desires the assistance of the City (Greensboro Police Department) in providing additional police services to create drug and crime free communities and to provide for the safety and protection of the residents in its public housing communities;

WHEREAS, there is a need to maintain the Police Neighborhood Resource Centers (PNRCs) jointly operated by the Greensboro Police Department and GHA in the public housing communities of Ray Warren Homes and Smith Homes to alleviate the severe problems of drug-related crimes in these areas;

WHEREAS, these areas have a need for protection above and beyond that of other sectors of the City; and

WHEREAS, the City and GHA believe that continued operation of the Police Neighborhood Resource Centers is vital to the protection of these areas;

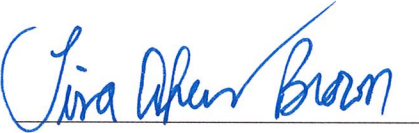

NOW, THEREFORE, the City and GHA agree to the following:

The City agrees that the services rendered by the assigned personnel of the Greensboro Police Department under this agreement are in addition to baseline police services. The City agrees that it will not reduce its current level of baseline police services to the public housing communities. The City further agrees that the Greensboro Police Department shall continue to provide a total of 4 foot patrol officers assigned specifically to the police Neighborhood Resource Centers, and shall also provide one supervisor for these officers, as well as necessary uniforms, weapons, vehicles and other items necessary to perform the officers' duties. These sworn officers shall at all times remain part of, subject to and in direct relationship with the police department's chain of command and under police department rules, regulations, and standard operating procedures. They shall employ a community-policing concept and shall patrol the communities on foot or bicycle to the maximum extent possible to maintain a high degree of visibility and contract with the residents. They shall routinely collect and provide workload data, crime statistics, and other pertinent information, and shall meet periodically with resident leadership and GHA management personnel to review and evaluate enforcement and prevention efforts.

The Greensboro Housing Authority shall provide office space and office equipment at Ray Warren Homes and Smith Homes for these officers, and shall contract with the Resident Councils in the two communities to manage the Police Neighborhood Resource Centers. GHA shall act as a liaison to the assigned PNRC officers and their supervisor to provide information and ensure that the officers' needs and requests are responded to in a timely manner, and to assist them in their law enforcement responsibilities.

The Greensboro Housing Authority shall reimburse the City for a proportionate share of the cost of the salaries of assigned PNRC officers and their supervisor. For the period of July 1, 2017 through June 30, 2018, GHA will pay the amount of \$123,880 (\$61,940 per location) for regular salary expenses incurred while providing supplemental police coverage under the PNRC program. The City shall bill GHA for expenses and provide a detailed statement showing the date and hours worked by each officer in each community and expenses incurred for GHA's records. These reports must be submitted along with the invoice for payment.

The Greensboro Police Department and the Greensboro Housing Authority shall continue to work together to ensure the successful protection of the Communities specified above against criminal activity.
