**Prepared by the City Clerk's Office
Revised April 2019**

**THIS HANDBOOK IS NOT A LEGAL DOCUMENT AND IS FOR INFORMATIONAL

**CITY OF GREENSBORO BOARDS AND COMMISSIONS
PROCESS AT A GLANCE**

Overview:

Section 2-136 of the Greensboro Code of Ordinances provides, “it is the policy of the City Council of the City of Greensboro to select citizens from the entire community to serve on boards or commissions taking into consideration gender, race and residence on a geographical basis”.

Section 2-136 further provides it is “the intent to select members to boards and commissions on an equitable and proportionate basis representing each of the five (5) council districts and each of the three (3) at-large seats and the office of the mayor”.

City Council adopted a Resolution to Re-organize the appointment procedure for the City of Greensboro Boards and Commissions at the March 14, 2016 meeting of Council.

City Council adopted a Resolution to set out procedures of attendance and code of conduct for all boards and commissions at the April 16, 2019 meeting of Council.

All boards and commissions shall act in accordance with the authority granted to them through applicable state law, charter provision, and/or directives and policies of the City Council.

All boards and commissions shall follow the procedures of conduct as set out in this handbook. All adopted board or commission Bylaws must be forwarded and remain on file in the City Clerk’s office.

All City boards, commissions shall comply with the *North Carolina Open Meetings Law*.

Boards and commissions with memberships up to and including 9 members shall have no more than 2 appointments per council seat, and boards with membership of 10 or more members shall have no more than 3 appointments per council seat unless exemptions apply. Exemptions to this policy can occur in circumstances when a board requires particular appointments (such as Historic Preservation Commission) or upon the consent of a Councilmember whose district may become underrepresented as a result of a desired appointment. In the event a board is over-represented in a district, and if the redistribution of appointments doesn’t balance the appointments, that situation will be resolved through attrition.

All applicants must reside **inside the city limits of Greensboro** to be considered for service on a City board or commission, excluding boards and commission with exceptions such as: Bryan Park Golf Commission, Firefighters Relief Fund, Greensboro Housing Authority, Greensboro Public Library Board of Trustees, Guilford City/County Insurance Advisory Commission, Guilford County Historic Properties Commission, Piedmont Triad Airport Authority, Piedmont Triad Regional Water Authority, Greensboro/Guilford Tourism Development Authority, and the War Memorial Commission.

All applicants are required to fill out the interest form, attach a copy of a resume or bio, and send it to the City Clerk’s Office.

A motion was unanimously adopted at the June 6, 2017 meeting of Council that there is no requirement for names to be added to the boards and commissions’ data bank. At each Councilperson’s discretion, however, names of individuals who wish to be considered for service may still be added to the data bank during an official Council meeting.

The City Clerk’s Office provides to members of the Council at the second regular meeting of each month updated information concerning vacancies on City boards and commissions, a copy of the data bank listing the names of Greensboro citizens who have expressed an interest in serving on a board or commission, and a roster of current board and commission members.

Attendance Policy:

Volunteers are essential to the City of Greensboro Boards and Commissions. Members are asked to arrive on time and commit to attend the entire meeting. If a member must arrive late or leave early, please make arrangements in advance with the Chair. Members are to call, text, or email the Chair at least 24-hours in advance of known absences. In the event of an emergency, such as an illness, please contact the Chair as soon as practical, with an explanation.

Appointees will be allowed 3 unexcused absences per rolling 12 month period (to coincide with term), after which the appointee will be subject to dismissal. A Councilmember who has appointed a citizen to serve accepts responsibility for the appointment. If there is a problem with attendance or performance of the appointee, the appointing Councilmember shall be so informed and shall be responsible to take the necessary steps to remedy the situation.

Excused absences are granted by the board or commission based only on (1) written medical justification signed by a duly authorized Doctor of Medicine or (2) due to a family death, emergency, or illness.

- After the first unexcused absence, the Chair will submit a written (email) notice to the member, cc: to the staff liaison.
- After the second unexcused absence, the Chair will submit a written notice (email) to the member, cc: to the staff liaison and the City Clerk. The City Clerk shall notify the appointing Councilmember.
- After the third unexcused absence; the Chair will submit a written (email) notice to the member, cc: to the staff liaison and the City Clerk. The City Clerk may issue a notice of removal letter from the Mayor's office upon the direction of the appointing Councilmember.
- Members are not removed from the board or commission roster until City Council has named a replacement member for such board or commission.
- Additionally, the City Council may remove a member for any other cause.

Code of Conduct:

The City of Greensboro is committed to providing a positive work environment free of discrimination, bias, and bullying. Board and Commission members are personally responsible for maintaining this type of atmosphere. Harassment, words, jokes, actions or comments based on an individual's sex, sexual preference, race, ethnic background, age, religion, physical condition or other legally prohibited characteristic are not allowed.

Conduct or actions which create an offensive or hostile environment is prohibited and will be grounds for immediate removal from the board/commission. No member should be subjected to unsolicited or unwelcomed sexual overtones or conduct, whether verbal or physical. Members who feel they have been victim of sexual or discriminatory harassment are encouraged to let the harasser know the behavior is unwelcome. Additionally, it is vital to report the matter to the Chair and the City of Greensboro staff liaison immediately.

All board and commission members will be required to read and sign The City of Greensboro Boards and Commissions Code of Conduct to acknowledge their commitment to adhere to the good conduct standards described. Staff liaisons will maintain the documents for record keeping purposes.

Board and Commission members will consider carefully all matters being reviewed at public meetings, and members shall abstain from making any comments or statements that may create legal conflicts for the city. Such statements are grounds for immediate removal.

Some boards or commissions require an Agreement of Confidentiality. All members of said boards/commissions are required to read and sign said agreements, before serving, or face

BOARDS AND COMMISSIONS HANDBOOK

removal from the board/commission. Staff liaisons will maintain the documents for record keeping purposes.

The democratic process provides for voters to choose elected officials. Those officials in turn appoint other persons to work for and/or to serve the public. Members should embrace the Core Values of the City of Greensboro, acting with honesty, integrity, respect and stewardship as well as with fairness, equity, accountability and with independence from improper influence as they exercise the duties of their office, toward customers, stakeholders, and the community and must not abuse their authority. City Council expects members to follow instructions and to complete their duties with skill in a timely manner.

The use of profane or derogatory language is strictly prohibited.

Respect to the code of conduct: any conduct that interferes with or adversely affect the work of the board/commission shall be reported to the City Clerk by the staff liaison immediately and will be grounds for immediate removal from the board/commission. The seriousness of conduct, the member's record, the member's ability to correct his/her conduct, action taken with previous conduct violations, and other surrounding circumstances will be taken into consideration by City Council prior to removal from the board/commission.

Use of cell phones and electronic devices for personal use during meetings are not permitted. Please step away from the meeting if you must answer or make a call. Electronic devices may be used for meeting business.

It is important to provide up-to-date personal data (changes to name, address, telephone number, e-mail address) to the staff liaison and to the City Clerk. Teamwork is vital to the success of all boards and commissions. Provide encouragement, work together to achieve goals and mission of the board/commission, offer constructive feedback to improve programs; utilize skills and abilities of members; and accept and respect instructions by the board/commission Chair.

General Information:

People may be appointed to 2 boards/commissions at a time because this matter is governed by NCGS § 128-1.1 which allows people to hold up to 2 appointments concurrently. It is the discretion of Council to allow only one appointment to ensure diversity and equity among the boards and commissions.

Some boards and commissions have special requirements for membership; i.e., Historic Preservation Commission, Greensboro Housing Authority, Insurance Advisory Committee, and Tourism Development Authority.

The timeframe for an individual's service may vary depending upon the board and specific position to which an individual is appointed. When individuals are appointed to fill portions of terms on a board or commission, the length of their service may be reduced. After serving two full terms, a board member must remain off the board for a full year prior to serving additional terms. Members serve on a board until they are reappointed or a replacement is named.

Information related to boards and commissions members on file in the City Clerk's Office is a matter of public record.

The City Clerk is responsible for the Greensboro City Council's official boards and commissions' records, including data related to appointments, reappointments, resignations, names added to the data bank, contact information for boards and commissions' members, and other information.

Minutes of the boards and commissions are maintained on file in the City Clerk's office. It is the responsibility of the departmental City staff to prepare and provide agenda/informational packets to board and commission members as well as the City Clerk. It is also the responsibility of the

BOARDS AND COMMISSIONS HANDBOOK

departmental City staff to maintain and update individual departmental webpages on the City's website.

Liaison. A Councilmember will be appointed by the Mayor as liaison to various boards and commissions. The City Clerk will maintain the list of liaison assignments.

Expectations of Appointees to Boards and Commissions:

Attendance. City Council appreciates those who are willing to donate their time to community service. Board and commission members are required to maintain regular attendance. Attendance is critical not only to ensure a quorum but to ensure the rights of the citizens who have requests before the board are addressed in a timely and complete manner. (See attendance policies above).

Respect for the appointment. Board or commission members are granted important decision-making power, and for certain boards their decisions have the effect of law. To be given a position on one of the city's boards or commissions is a commitment not to be taken lightly. To that end, all appointees are expected to understand the seriousness of their appointments and to treat their duties with the dignity and respect they deserve.

Appointees are expected to be prepared for each meeting and to be engaged with the chairperson, City staff members, and the City Council liaison when the occasion calls for it.

If an appointee desires to give specific direction to City staff, said direction should come from the board rather than individual members.

Make a difference! The City values its appointees for their diversity, their experience, and their knowledge. Serving on a board or commission can be a rewarding experience and everyone benefits when the City of Greensboro has dedicated volunteers who focus on community needs. Your appointment signifies the City Council's desire to have the benefit of your input. The City welcomes all volunteers, so please spread the word about these service opportunities!

060-16 RESOLUTION TO RE-ORGANIZE THE APPOINTMENT PROCEDURE FOR
THE CITY OF GREENSBORO'S BOARDS AND COMMISSIONS

WHEREAS, Section 2-136 of Greensboro Code of Ordinances provides, "It is the policy of the city council of the City of Greensboro to select citizens from the entire community to serve on boards and commissions taking into consideration gender, race and residence on a geographical basis;" and

WHEREAS, Section 2-136 further provides, "It is the intent to select members to boards and commissions on an equitable and proportionate basis representing each of the five (5) councilmanic districts and each of the three (3) at-large seats and the office of the mayor;" and

WHEREAS, The Boards and Commissions Committee members met on February 8, 2016 to discuss the best process for ensuring each of the nine (9) council members has an equal opportunity to make appointments to Greensboro's various boards and commissions; and

WHEREAS, The Boards and Commissions Committee members agreed to give effect to the intent of Section 2-136 of the Code of Ordinances and agreed to recommend to the full city council a reorganization of City's appointment system.

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF
GREENSBORO:

THAT for the purpose of ensuring there is an equitable distribution of appointments among the nine (9) council members, the following changes shall be adopted for the City's current appointment system:

1. Direct the City Clerk to track all appointments by keeping a spreadsheet noting that each board has 9 possible appointment slots which are assigned to each of the 9 council members. When a board/commission has 18 members, each council member shall have 2 appointment slots.
2. All current assignments will remain in effect. Upon approval of this new system, all appointments will be made in accordance with the new method.
3. When there is a 9 member board/commission and a council district has more than one appointment, that additional appointment will be assigned to the mayor, mayor pro tem, and an at-large member.
4. When the membership of a board is increased, there will be a rolling order of appointments for the at large members. For example the first board requiring additional appointments will begin with the mayor, then mayor pro tem, then at-large #3, and at-large #4. For the next board requiring appointments, the order will shift to mayor pro tem, at-large #3, at-large #4, mayor. For the third board, the order will shift to at-large #3, at-large #4, mayor, mayor pro tem, and so on.
5. The rolling expiration dates of appointments will be noted in order to track which of the 9 council members is next in line to make the appointment. Council members will consult the chart regularly and will work closely with each other to ensure the fair distribution of appointments.
6. In the event a question arises as to which council member gets the next appointment, appointments will be assigned in order beginning with district 1 and ending with at-

- large #4. That is, the successive order will be: district 1, 2, 3, 4, 5, mayor, mayor pro tem, at-large #3, at-large #4.
7. Add 2 alternates to the Redevelopment Commission, with the appointments made by at-large council member #3 (Abuzuaiter) and at-large council member #4 (Barber).
 8. Add 2 alternates to the Minimum Housing Commission, with the appointments made by at-large council member #3 (Abuzuaiter) and at-large council member #4 (Barber).
 9. Increase the membership on the Human Relations Commission from 15 members to 18 members.
 10. Allow the membership of the Community Sustainability Council to reduce from 10 members to 9 members through attrition.
 11. Allow the membership of the Commission on the Status of Women to reduce from 15 members to 9 members through attrition.
 12. For Airport Authority, the council will nominate 2 people, and the mayor will appoint one of those nominees.
 13. Boards and commissions with memberships up to and including 9 members shall have no more than 2 appointments per council seat, and boards with membership of 10 or more members shall have no more than 3 appointments per council seat unless exemptions apply. Exemptions to this policy can occur in circumstances when a board requires particular appointments (such as Historic Preservation Commission) or upon the consent of a council member whose district may become underrepresented as a result of a desired appointment. In the event a board is over-represented in a district, and if the redistribution of appointments doesn't balance the appointments, that situation will be resolved through attrition.
 14. Attendance policy: appointees will be allowed 3 absences per rolling 12 month period, after which the appointee will be subject to dismissal.
 15. People may be appointed to 2 boards/commissions at a time because this matter is governed by NCGS § 128-1.1 which allows people to hold up to 2 appointments concurrently.
 16. Re-align the PCRB membership in accordance with this new system. With 9 members on the PCRB, there will be 5 members from the HRC (which will have 18 members – see above) and 4 members who are non-HRC. The council member who has not had an appointment will nominate 2 people, one of whom must be from the HRC. The chairman of the HRC will decide the final appointments. The chairman's appointments will precede the rollout of this reorganization. Current nominations by council will be reviewed and recommendations will be made to advance some of these nominees to the enlarged HRC.
 17. Continue the current process of placing names in the data bank at the second meeting of the month and making appointments at the first meeting of the month. This allows time to vet candidates, foster discussion among council members, and ensure the equal distribution of appointments.

BOARD OF ADJUSTMENT

The Greensboro Board of Adjustment hears and decides all matters referred to it or upon which it is required to pass under Chapter 30, the zoning regulation; the signs and outdoor advertising regulations; and the trailers, mobile homes, mobile home parks, and recreation vehicle parks regulations. It may vary or modify provisions of the zoning regulations relating to the use, construction or alteration of buildings or structures or the use of land; the signs and outdoor advertising regulations relating to the location, quality of materials, illumination, erection and maintenance of all signs and outdoor advertising structures; and the trailers, mobile homes, mobile home parks, and recreational vehicle parks regulations relating to the dimensional requirements when there are practical difficulties or unnecessary hardships in the way of carrying out the strict letter of the above regulations, so that the spirit of the ordinances is observed. It is established by Chapter 5, Subchapter D, Article I, Section 5.65 of the City Charter.

The Board of Adjustment shall have the following powers and duties:

(a) To hear and decide appeals from and review any zoning order, requirement, decision, determination, or interpretation made by an administrative official charged with enforcing this Ordinance;

(b) To review appeals from the proceedings of the Historic Preservation Commission concerning the issuance of a Certificate of Appropriateness, limited to certiorari;

(c) To hear and decide requests for any special exceptions which are specifically delegated to it by this Ordinance;

(d) To vary and modify application of zoning regulations in harmony with their general purpose and intent and in accordance with general and specific rules contained therein;

(e) To hear and decide requests for variances from the zoning provisions of this Ordinance in cases where special conditions would make strict and literal interpretation and enforcement of the zoning provisions of this Ordinance result in a loss of privileges shared by other properties within the same zoning district;

(f) To interpret zoning maps and pass upon disputed questions of district boundary lines and similar questions as they arise in the administration of this Ordinance;

(g) To hear and decide all matters referred to it or upon which it is required to pass under this Ordinance; and

(h) To determine upon application of an owner, or referral from the Enforcement Officer, whether a proposed nonconforming use is equal or less intensive than an existing, legal nonconforming use, in accordance with Section 30-4-11.2 (nonconforming use of land).

The Board is composed of seven members which includes two alternate members who are appointed by the Council for three-year terms. Regular members hold office until their successors are appointed and qualified. Any vacancy resulting from a cause other than expiration of term is filled only for the unexpired portion of the term. Regular members cannot succeed themselves after serving a second full term without an intervening period of one year, and appointment for more than half of the unexpired portion of term is considered as appointment for a full term. Alternate members will attend all meetings and will substitute to maintain a voting body of seven members. The Authority is composed of seven commissioners who are appointed by the Mayor for five-year staggered terms (See Chapter 573, 1971 Session Laws). The succeeding Commissioners are certified to the City Clerk. No city official may be a Commissioner. Unlike other Greensboro boards and commissions, the GHA board has jurisdiction beyond the city limits of Greensboro--the limits extend ten miles in all directions, excluding High Point. As such, residents of Guilford County living outside the City of Greensboro may be appropriate appointees to the GHA board. At least one of the Commissioners shall be a tenant of the Authority. Commissioners hold office until their successors are appointed and qualified, and vacancies resulting from causes other than expiration of terms are filled only for the unexpired portion of the terms. Under Council policy, members may not succeed themselves after having served a second full term without an intervening period of one year, and appointment for more than half of the unexpired portion of a term is considered as appointment for a full term.

- Additionally, the City Council may remove a member for any other cause.

However, pursuant to G.S.157-8 the Mayor may remove a member for inefficiency, neglect of duty, or misconduct in office. The member must be given a copy of the charges at least ten days prior to a hearing, at which hearing, an opportunity is given to the member to be heard in person or by counsel.

With the exception of the first chair, who is designated by the Mayor, the members choose from among themselves a chairperson and a vice-chairperson. They may elect a secretary from the membership or may employ one. Other employees and technical assistants may be procured. The Authority may retain legal counsel and use the City Attorney and staff.

BOARDS AND COMMISSIONS HANDBOOK

Members of the Authority receive no compensation, but are reimbursed for their actual expenses.

Regular meetings are held at a time and place designated by the Executive Director. If there is not sufficient business to warrant a meeting, it is canceled. Special meetings of the Board may be called by the chairperson. Notice shall be given verbally or in writing and delivered personally to each member or left at residence not less than forty-eight hours prior to the time of the meeting; provided, the minimum time period for notice to a member may be waived by such member if he/she is present at the special meeting.

Four commissioners constitute a quorum, and a majority of the quorum may take action on any matter being considered.

No commissioner may acquire any interest, direct or indirect, in any project, nor may he/she be interested in any business contracting with the project. If he/she already has such an interest when the project is planned, he/she must report it to the Authority in writing. Failure to do so constitutes misconduct in office.

The Authority must file an Annual Report with the Mayor.

THE GREENSBORO GUILFORD COUNTY TOURISM DEVELOPMENT AUTHORITY

In April, 1984, the North Carolina Legislature enacted a law permitting Guilford County to levy a sales tax of three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by any hotel, motel, inn, tourist camp, or similar place within the county now subject to the three percent (3%) sales tax levied by the State of North Carolina. The tax is known as the Guilford County Room Occupancy and Tourism Development Tax. (Chapter 988, 1983 Session Laws) Because of the "sunset" on the law, in 1989 the General Assembly enacted an amendment to repeal the "sunset" and modified the provisions regarding use of the proceeds. (Chapter 39, 1989 Session Laws)

Under the provision of the 1989 law, Guilford County remits seventy percent (70%) of the net proceeds of the occupancy tax to the Greensboro/Guilford County Tourism Development Authority and remits the remaining thirty percent (30%) of the net proceeds of the tax to the City of High Point. "Net proceeds" means gross proceeds less the cost to the county of administering and collecting the tax, not to exceed five percent (5%) of the gross proceeds of the tax.

The Greensboro Guilford County Tourism Development Authority shall allocate eighty percent (80%) of its share of the net proceeds of the occupancy tax in a fiscal year for activities and programs promoting and encouraging travel and tourism. Of the remaining twenty percent (20%), the Authority shall allocate one hundred seventy thousand dollars (\$170,000) each year for specific tourist-related events or activities, such as arts or cultural events, or for promoting, improving, constructing, financing, or acquiring facilities or attractions that enhance the development of tourism. Administrative costs of these grants shall be included in the one hundred seventy thousand dollars (\$170,000), but such costs shall not exceed fifteen percent (15%). By joint agreement of the Greensboro City Council, the County Commissioners, and the Authority, the responsibility of this grant funding program may be reassigned to one of the other boards. Policy for distribution of these funds shall be set by the responsible board, but consideration should be given to the broad spectrum of programs and activities of all citizens in Greensboro and Guilford County. The remaining portion of the twenty percent (20%) shall go to the City of Greensboro for convention and tourism capital improvements. Approval of expenditures from the capital fund shall be a joint decision by the Greensboro City Council, the Guilford County Commissioners, and the Authority.

Then in April 1991, the General Assembly enacted a local act to permit the City of Greensboro to levy an additional 3 percent (3%) room occupancy and Tourism Development Tax. The net proceeds are divided as follows: twenty percent (20%) to the Tourism Development Authority for programs promoting and encouraging travel and tourism. Eighty percent (80%) to the City to finance renovation and expansion of the Greensboro Memorial Coliseum Arena.

The Greensboro City Council appoints five of the thirteen members. All members of the Authority serve three-year terms. Members may serve no more than two consecutive three-year terms; terms expire on September 30, and under Council's policy appointment for more than half of the unexpired portion of a term is considered as appointment for a full term.
