TO: Virginia Spillman, Engineering Manager

FROM:  Aisha Miller, MWBE Specialist

DEPARTMENT: Water Resources

SUBJECT: M/WBE Memo for Water Valve Replacement Phase I – Contract # 2019-048

The M/WBE Office reviewed the documentation submitted by the lowest bidder, Mainlining America LLC., to determine compliance with the City of Greensboro M/WBE Program Plan Policy. The M/WBE Goals established for the project were MBE 8% and WBE 13%. Mainlining America LLC., proposed to subcontract 8% MBE and 13% WBE of the contract value \$1,485,525.00. The M/WBE commitment was reduced because one of the firms proposed for participation is no longer a certified WBE.

Mainlining America LLC., agreed to meet its M/WBE commitment utilizing the following certified M/WBE firms:

Certification	Firm Name	County	Description of Work	Annual Contract Value	Utilization Percentage
MBE	Right of Way Contractors, LLC	Guilford	Excavation	\$120,000	8.08%
WBE	D& C Trucking	Vance	Trucking	\$49,000	3.3%

Please be reminded that during the performance of the contract, if there is a change to contract; the M/WBE Office must be contacted prior to making any changes.

Thank you
