27. [ID 20-0029](#) Ordinance for Rezoning at 2424 and 2428 West Florida Street - Keramatolla Lashani and Junji Yokota

Mayor Vaughan stated this was the time and place set for a public hearing to consider item #27/ID 20-0029 an Ordinance for Rezoning at 2424 and 2428 West Florida Street - Keramatolla Lashani and Junji Yokota.

Mr. Kirkman made a PPP; reviewed the request; presented maps; aerial photographs and diagrams to illustrate the site and surrounding property; read the conditions attached to the zoning request; and stated that the Zoning Commission and staff had recommended approval of the request.

Speaking in favor of the rezoning:

Junji Yokota spoke to a motor vehicle state inspection station for cars and trucks.

Discussion ensued regarding the scope of the applicant's business; conditions in the zoning request; the Comprehensive Plan; neighborhood impact; standard buffers; permissible land use; high intensity area; and consistency in the zoning scheme.

Moved by Councilmember Thurm, seconded by Councilmember Abuzuaiter, to close the public hearing. The motion carried by voice vote.

(A copy of the PowerPoint Presentation is filed in Exhibit Drawer C, Exhibit No.3, which is hereby referred to and made a part of these minutes.)

Moved by Councilmember Hightower, seconded by Councilmember Kennedy, to deny the ordinance and stated that the Greensboro City Council believed that its action to deny the zoning amendment, for the property located at 2424 and 2428 West Florida Street from R-5 (Residential Single-family - 5) and C-M (Commercial – Medium) to CD-C-M (Conditional District – Commercial – Medium) to be inconsistent with the adopted Connections 2025 Comprehensive Plan and considered the action taken to be reasonable and in the public interest for the following reasons: the request is inconsistent with the Comprehensive Plan's Reinvestment/Infill goal to promote sound investment in Greensboro's urban areas; the request is inconsistent with the Economic Development goal to promote a healthy, diversified economy with a strong tax base and opportunities for employment, entrepreneurship and for-profit and non-profit economic development for all segments of the community; and the CD-C-M zoning district, as requested, would allow uses that are inconsistent with the general pattern of land uses in the surrounding

area. The motion carried on the following roll call vote:

Ayes, 7 - Nancy Vaughan, Yvonne J. Johnson, Marikay Abuzuaite, Sharon M. Hightower, Nancy Hoffmann, Michelle Kennedy and Tammi Thurm

Thereupon, _____ introduced the following resolution the title of which was read and a copy of which had been previously distributed to each Council Member:

RESOLUTION PROVIDING FOR THE SALE AND ISSUANCE OF NOT TO EXCEED \$14,000,000 TAXABLE GENERAL OBLIGATION HOUSING AND REFUNDING BONDS, SERIES 2020A

BE IT RESOLVED by the City Council (the "City Council") of the City of Greensboro, North Carolina (the "City"):

Section 1. The City Council has determined and does hereby find and declare as follows:

- (a) An order authorizing \$25,000,000 Housing Bonds (the "Housing Bonds") was adopted by the City Council of the City on August 1, 2016, which order was approved by the vote of a majority of the qualified voters of the City who voted thereon at a referendum duly called and held on November 8, 2016. \$10,400,000 of the Housing Bonds have heretofore been issued by the City.
- (b) An order authorizing \$57,000,000 General Obligation Refunding Bonds (the "Refunding Bonds") was adopted by the City Council of the City on January 21, 2020, which order has taken effect.
- (c) No notes have been issued in anticipation of the receipt of the proceeds of the sale of said bonds and it is necessary to issue not to exceed \$8,000,000 of the Housing Bonds and not to exceed \$6,000,000 of the Refunding Bonds at this time.
- (d) The maximum period of usefulness of the housing facilities improvements to be provided with the proceeds of said bonds is estimated as a period of forty (40) years from March 3, 2020, the date of the bonds authorized hereby, and that such period expires on March 3, 2060.
- (e) The shortest period of time in which the outstanding General Obligation Housing and Redevelopment Bonds, Series 1998 - Taxable (the "1998 Bonds") of said City, dated March 3, 1998, to be refunded by said bonds can be finally paid without making it unduly burdensome on the taxpayers of the City as determined by the Local Government Commission of North Carolina (the "Commission") is a period which expires on April 1, 2022, and that the end of the unexpired period of usefulness of the housing and redevelopment facilities improvements financed by the 1998 Bonds is estimated as a period of at least forty (40) years from March 3, 1998, the date of the 1998 Bonds, and that such period expires on March 3, 2038.
- (f) It is in the best interest of the City to consolidate said bonds for the purposes of sale into a single issue of bonds designated "General Obligation Taxable Housing and Refunding Bonds, Series 2020A" (the "Bonds").

Section 2. Pursuant to said order, the City shall issue the Bonds in the aggregate principal amount of not to exceed \$14,000,000, and the Bonds shall be dated the date of delivery thereof. The Bonds shall be stated to mature annually on April 1 in the years and amounts determined by the Local Government Commission of North Carolina (the "Commission") and approved by the City; provided, however, that the aggregate principal amount of the Bonds shall not exceed \$14,000,000 and the final maturity of the Bonds shall not exceed April 1, 2024. The Bonds shall bear interest at a rate or rates to be determined by the Commission at the time the Bonds are sold, which interest to the respective maturities thereof shall be payable on each April 1 and October 1, beginning October 1, 2020, until payment of such principal sum. The final aggregate principal amount of the Bonds and the principal amount of each maturity of the Bonds shall be evidenced by a certificate of the Finance Director of the City executed and delivered on or before the date of issuance of the Bonds, and the final aggregate principal amount of the Bonds and the final principal amount of each maturity of the Bonds shall also be set forth in the Final Official Statement (hereinafter defined).

Each Bond shall bear interest from the interest payment date next preceding the date on which it is authenticated, unless it is (a) authenticated upon an interest payment date, in which event it shall bear interest from such interest payment date or (b) authenticated prior to the first interest payment date, in which event it shall bear interest from

its date; provided, however, that if at the time of authentication interest is in default, such Bond shall bear interest from the date to which interest has been paid.

The principal of and the interest on the Bonds shall be payable in any coin or currency of the United States of America which is legal tender for the payment of public and private debts on the respective dates of payment thereof.

The Bonds shall be issued by means of a book-entry system with no physical distribution of Bond certificates to be made except as hereinafter provided. One Bond certificate with respect to each date on which the Bonds are stated to mature, in the aggregate principal amount of the Bonds stated to mature on such date and registered in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"), shall be issued and required to be deposited with DTC and immobilized in its custody. The book-entry system will evidence ownership of the Bonds in the principal amount of \$5,000 or any whole multiple thereof, with transfers of ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC and its participants. The principal of each Bond shall be payable to Cede & Co. or any other person appearing on the registration books of the City hereinafter provided for as the registered owner of such Bond or her registered assigns or legal representative at such office of the Bond Registrar mentioned hereinafter or such other place as the City may determine upon the presentation and surrender thereof as the same shall become due and payable. Payment of the interest on each Bond shall be made by said Bond Registrar on each interest payment date to the registered owner of such Bond (or the previous Bond or Bonds evidencing the same debt as that evidenced by such Bond) at the close of business on the record date for such interest, which shall be the 15th day (whether or not a business day) of the calendar month next preceding such interest payment date, by check mailed to such person at his or her address as it appears on such registration books; provided, however, that for so long as the Bonds are deposited with DTC, the payment of the principal of and interest on the Bonds shall be made to DTC in same-day funds by 2:30 p.m. or otherwise as determined by the rules and procedures established by DTC. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC, and transfer of principal and interest payments to beneficial owners of the Bonds by participants of DTC will be the responsibility of such participants and other nominees of such beneficial owners. The City shall not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing records maintained by DTC, its participants or persons acting through such participants.

In the event that (a) DTC determines not to continue to act as securities depository for the Bonds or (b) the Finance Director of the City determines that continuation of the book-entry system of evidence and transfer of ownership of the Bonds would adversely affect the interests of the beneficial owners of the Bonds, the City will discontinue the book-entry system with DTC. If the City identifies another qualified securities depository to replace DTC, the City will make arrangements with DTC and such other depository to effect such replacement and deliver replacement Bonds registered in the name of such other depository or its nominee in exchange for the outstanding Bonds, and the references to DTC or Cede & Co. in this resolution shall thereupon be deemed to mean such other depository or its nominee. If the City fails to identify another qualified securities depository to replace DTC, the City shall deliver replacement Bonds in the form of fully-registered certificates in denominations of \$5,000 or any whole multiple thereof ("Certificated Bonds") in exchange for the outstanding Bonds as required by DTC and others. Upon the request of DTC, the City may also deliver one or more Certificated Bonds to any participant of DTC in exchange for Bonds credited to its account with DTC.

Unless indicated otherwise, the provisions of this resolution that follow shall apply to all Bonds issued or issuable hereunder, whether initially or in replacement thereof.

Section 3. The Bonds shall bear the manual or facsimile signatures of the Mayor or the Mayor Pro Tem and the City Clerk or any deputy or assistant City Clerk of the City and the official seal or a facsimile of the official seal of the City shall be impressed or imprinted, as the case may be, on the Bonds.

The certificate of the Commission to be endorsed on all Bonds shall bear the manual or facsimile signature of the Secretary or the Deputy Secretary of the Commission and the certificate of authentication of the Bond Registrar to be endorsed on all Bonds shall be executed as hereinafter provided.

In case any officer of the City or the Commission whose manual or facsimile signature shall appear on any Bonds

shall cease to be such officer before the delivery of such Bonds, such manual or facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery, and any Bond may bear the manual or facsimile signatures of such persons as at the actual time of the execution of such Bond shall be the proper officers to sign such Bond although at the date of such Bond such persons may not have been such officers.

No Bond shall be valid or become obligatory for any purpose or be entitled to any benefit or security under this resolution until it shall have been authenticated by the execution by the Bond Registrar of the certificate of authentication endorsed thereon.

The Bonds and the endorsements thereon shall be in substantially the following form:

UNLESS THIS BOND IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY TRUST COMPANY, A NEW YORK CORPORATION ("DTC"), TO THE CITY OF GREENSBORO, NORTH CAROLINA OR ITS AGENT FOR REGISTRATION OR TRANSFER, EXCHANGE, OR PAYMENT, AND ANY BOND ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR IN SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC (AND ANY PAYMENT IS MADE TO CEDE & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN.

 - (12) bankruptcy, insolvency, receivership or similar event of the City;
 - (13) the consummation of a merger, consolidation or acquisition involving the City or the sale of all or substantially all of the assets of the City, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
 - (14) appointment of a trustee or a successor or additional trustee or the change of name of a trustee, if material;
 - (15) incurrence of a financial obligation (as defined below) of the City, if material, or agreement to covenants, events of default, remedies, priority rights or other similar terms of a financial obligation of the City, any of which affect beneficial owners of the Bonds, if material; and
 - (16) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the City, any of which reflect financial difficulties; and
- (d) in a timely manner, notice of a failure of the City to provide required annual financial information described in (a) or (b) above on or before the date specified.

All information provided to the MSRB as described in this Section shall be provided in an electronic format as prescribed by the MSRB and accompanied by identifying information as prescribed by the MSRB.

The City may meet the continuing disclosure filing requirement described above by complying with any other procedure that may be authorized or required by the United States Securities and Exchange Commission.

For the purposes of this Section, "financial obligation" means (a) a debt obligation, (b) a derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation, or (c) a guarantee of either clause (a) or (b). The term "financial obligation" shall not include municipal securities as to which a final official statement has been provided to the MSRB consistent with Rule 15c2-12 issued under the Securities Exchange Act of 1934 ("Rule 15c2-12").

If the City fails to comply with the undertaking described above, any beneficial owner of the Bonds may take action to protect and enforce the rights of all beneficial owners with respect to such undertaking, including an action for specific performance; provided, however, that failure to comply with such undertaking shall not be an event of default and shall not result in any acceleration of the Bonds. All actions shall be instituted, had and maintained in the manner provided in this paragraph for the benefit of all beneficial owners of the Bonds.

The City reserves the right to modify from time to time the information to be provided to the extent necessary or appropriate in the judgment of the City, provided that:

- (a) any such modification may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of the City;
- (b) the information to be provided, as modified, would have complied with the requirements of Rule 15c2-12 as of the date of the Final Official Statement, after taking into account any amendments or interpretations of Rule 15c2-12, as well as any changes in circumstances; and
- (c) any such modification does not materially impair the interests of the beneficial owners of the Bonds, as determined either by parties unaffiliated with the City (such as bond counsel), or by the approving vote of the registered owners of a majority in principal amount of the Bonds pursuant to the terms of this resolution, as this

resolution may be amended from time to time, at the time of such amendment.

In the event that the City makes such a modification, the annual financial information containing the modified operating data or financial information shall explain, in narrative form, the reasons for the modification and the impact of the change in the type of operating data or financial information being provided.

The provisions of this Section shall terminate upon payment, or provision having been made for payment in a manner consistent with Rule 15c2-12, in full of the principal of and interest on all of the Bonds.

Section 8. Subject to the next succeeding sentence, the City hereby determines to refund all of the outstanding 1998 Bonds maturing on April 1, 2022 (the "Refunded Bonds"). If, on or prior to the sale date of the Bonds, the Finance Director of the City shall determine that it is in the best economic interests of the City not to refund all or any portion of the Refunded Bonds, the Finance Director is hereby authorized to make changes in the amounts and maturities of such Refunded Bonds to be refunded.

Subject to the issuance of the Bonds to refund the Refunded Bonds in accordance with this Section, all of the Refunded Bonds are hereby called for redemption on March 4, 2020 at a redemption price equal to 100% of the principal amount of such Refunded Bonds, all in the manner provided in the 1998 Bonds and the resolution authorizing the issuance of the 1998 Bonds. The Finance Director is hereby authorized and directed to provide a notice of such redemption at the time and in the manner set forth in the 1998 Bonds and the resolution authorizing the issuance of the 1998 Bonds.

Section 9. The Mayor, the Mayor Pro Tem, the City Manager, the City Attorney, the Finance Director and the City Clerk or any deputy or assistant City Clerk of the City are hereby authorized and directed to execute and deliver such closing and other documents and take such other actions as may be necessary for the purpose of facilitating the sale and issuance of the Bonds and the refunding of the Refunded Bonds in a manner consistent with the terms of this resolution. (d) The shortest period of time in which the outstanding General Obligation Street Improvement Bonds, Series 2006 (the "2006 Bonds") of said City, dated February 9, 2006, to be refunded by said refunding bonds can be finally paid without making it unduly burdensome on the taxpayers of the City as determined by the Commission is a period which expires on February 1, 2026, and that the end of the unexpired usefulness of the street improvement projects financed by the 2006 Bonds, is estimated as a period of twenty (20) years from February 9, 2006, the date of the 2006 Bonds, and that such period expires on February 9, 2026.

Section 2. Pursuant to said order there shall be issued bonds in the aggregate principal amount not to exceed \$30,000,000 designated "General Obligation Refunding Bonds, Series 2020C" (the "Bonds") and dated the date of delivery thereof. The exact amount of the Bonds to be issued shall be determined by the City at the time the Bonds are sold pursuant to the Bond Purchase Agreement (hereinafter defined) as provided in Section 6 hereof and shall be an amount sufficient, together with any other available funds of the City, to (a) refund all or a portion of the Refunded Bonds (hereinafter defined) and (b) pay the fees and expenses incurred in connection with the sale and issuance of the Bonds. Subject to the provisions of this resolution, the Bonds shall (a) mature on February 1 in such years and in such amounts and (b) bear interest at a rate or rates to be determined by the Commission, with the approval of the City, at the time the Bonds are sold, which interest to the respective maturities thereof shall be payable on each February 1 and August 1, beginning August 1, 2020, until payment of such principal sum, all as shall be set forth in the Bond Purchase Agreement and the Final Official Statement (hereinafter defined).

Each Bond shall bear interest from the interest payment date next preceding the date on which it is authenticated, unless it is (a) authenticated upon an interest payment date, in which event it shall bear interest from such interest payment date or (b) authenticated prior to the first interest payment date, in which event it shall bear interest from its date; provided, however, that if at the time of authentication interest is in default, such Bond shall bear interest from the date to which interest has been paid.

The principal of and the interest on the Bonds shall be payable in any coin or currency of the United States of America which is legal tender for the payment of public and private debts on the respective dates of payment thereof.

The Bonds shall be issued by means of a book-entry system with no physical distribution of Bond certificates to be made except as hereinafter provided. One Bond certificate with respect to each date on which the Bonds are stated to mature, in the aggregate principal amount of the Bonds stated to mature on such date and registered in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"), shall be issued and required to be deposited with DTC and immobilized in its custody. The book-entry system will evidence ownership of the Bonds in the principal amount of \$5,000 or any whole multiple thereof, with transfers of ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC and its participants. The principal of each Bond shall be payable to Cede & Co. or any other person appearing on the registration books of the City hereinafter provided for as the registered owner of such Bond or his registered assigns or legal representative at such office of the Bond Registrar mentioned hereinafter or such other place as the City may determine upon the presentation and surrender thereof as the same shall become due and payable. Payment of the interest on each Bond shall be made by said Bond Registrar on each interest payment date to the registered owner of such Bond (or the previous Bond or Bonds evidencing the same debt as that evidenced by such Bond) at the close of business on the record date for such interest, which shall be the 15th day (whether or not a business day) of the calendar month next preceding such interest payment date, by check mailed to such person at his address as it appears on such registration books; provided, however, that for so long as the Bonds are deposited with DTC, the payment of the

principal of and interest on the Bonds shall be made to DTC in same-day funds by 2:30 p.m. or otherwise as determined by the rules and procedures established by DTC. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC, and transfer of principal and interest payments to beneficial owners of the Bonds by participants of DTC will be the responsibility of such participants and other nominees of such beneficial owners. The City shall not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing records maintained by DTC, its participants or persons acting through such participants.

In the event that (a) DTC determines not to continue to act as securities depository for the Bonds or (b) the Finance Director of the City determines that continuation of the book-entry system of evidence and transfer of ownership of the Bonds would adversely affect the interests of the beneficial owners of the Bonds, the City will discontinue the book-entry system with DTC. If the City identifies another qualified securities depository to replace DTC, the City will make arrangements with DTC and such other depository to effect such replacement and deliver replacement Bonds registered in the name of such other depository or its nominee in exchange for the outstanding Bonds, and the references to DTC or Cede & Co. in this resolution shall thereupon be deemed to mean such other depository or its nominee. If the City fails to identify another qualified securities depository to replace DTC, the City shall deliver replacement Bonds in the form of fully-registered certificates in denominations of \$5,000 or any whole multiple thereof ("Certificated Bonds") in exchange for the outstanding Bonds as required by DTC and others. Upon the request of DTC, the City may also deliver one or more Certificated Bonds to any participant of DTC in exchange for Bonds credited to its account with DTC.

Unless indicated otherwise, the provisions of this resolution that follow shall apply to all Bonds issued or issuable hereunder, whether initially or in replacement thereof.

Section 3. The Bonds shall bear the manual or facsimile signatures of the Mayor or the Mayor Pro Tem and the City Clerk or any deputy or assistant City Clerk of the City and the official seal or a facsimile of the official seal of the City shall be impressed or imprinted, as the case may be, on the Bonds.

The certificate of the Commission to be endorsed on all Bonds shall bear the manual or facsimile signature of the Secretary of said Commission and the certificate of authentication of the Bond Registrar to be endorsed on all Bonds shall be executed as provided hereinafter.

In case any officer of the City or the Commission whose manual or facsimile signature shall appear on any Bonds shall cease to be such officer before the delivery of such Bonds, such manual or facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery, and any Bond may bear the manual or facsimile signatures of such persons as at the actual time of the execution of such Bond shall be the proper officers to sign such Bond although at the date of such Bond such persons may not have been such officers.

No Bond shall be valid or become obligatory for any purpose or be entitled to any benefit or security under this resolution until it shall have been authenticated by the execution by the Bond Registrar of the certificate of authentication endorsed thereon.

The Bonds to be registered in the name of Cede & Co. and the endorsements thereon shall be in substantially the following form:

UNLESS THIS BOND IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY TRUST COMPANY, A NEW YORK CORPORATION ("DTC"), TO THE CITY OF GREENSBORO, NORTH CAROLINA OR ITS AGENT FOR REGISTRATION OR TRANSFER, EXCHANGE, OR PAYMENT, AND ANY BOND ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR IN SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC (AND ANY PAYMENT IS MADE TO CEDE & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN.

The City may meet the continuing disclosure filing requirement described above by complying with any other procedure that may be authorized or required by the United States Securities and Exchange Commission.

If the City fails to comply with the undertaking described above, any beneficial owner of the Bonds may take action to protect and enforce the rights of all beneficial owners with respect to such undertaking, including an action for specific performance; provided, however, that failure to comply with such undertaking shall not be an event of default and shall not result in any acceleration of the Bonds. All actions shall be instituted, had and maintained in the manner provided in this paragraph for the benefit of all beneficial owners of the Bonds.

The City reserves the right to modify from time to time the information to be provided to the extent necessary or appropriate in the judgment of the City, provided that:

- (c) any such modification does not materially impair the interests of the beneficial owners of the Bonds, as determined either by parties unaffiliated with the City (such as bond counsel), or by the approving vote of the

registered owners of a majority in principal amount of the Bonds pursuant to the terms of this resolution, as this resolution may be amended from time to time, at the time of such amendment.

In the event that the City makes such a modification, the annual financial information containing the modified operating data or financial information shall explain, in narrative form, the reasons for the modification and the impact of the change in the type of operating data or financial information being provided.

The provisions of this Section shall terminate upon payment, or provision having been made for payment in a manner consistent with Rule 15c2-12, in full of the principal of and interest on all of the Bonds.

Section 10. If, on the date of sale of the Bonds, the Finance Director of the City shall determine that it is in the best economic interests of the City not to refund all or any portion of the Refunded Bonds, the Finance Director is hereby authorized to make changes in the amounts and maturities of such Refunded Bonds to be refunded, such changes to be set forth in a certificate executed and delivered by the Finance Director of the City on the date of issuance of the Bonds.

Subject to the refunding of the Refunded Bonds as provided above, the Refunded Bonds are hereby called for redemption on April 1, 2020 in accordance with the respective provisions of the Refunded Bonds, the resolutions authorizing the issuance of the Refunded Bonds and this resolution. RESOLUTION PROVIDING FOR THE SALE AND ISSUANCE OF NOT TO EXCEED \$21,000,000 GENERAL OBLIGATION REFUNDING BONDS, SERIES 2020D

BE IT RESOLVED by the City Council (the "City Council") of the City of Greensboro, North Carolina (the "City"):

Section 1. The City Council has determined and does hereby find and declare as follows:

(a) An order authorizing \$57,000,000 General Obligation Refunding Bonds was adopted by the City Council on January 21, 2020, which order has taken effect.

(b) None of said bonds have been issued, no notes have been issued in anticipation of the receipt of the proceeds of the sale of said bonds and it is necessary to issue not to exceed \$21,000,000 of such refunding bonds at this time.

(c) The shortest period of time in which the outstanding General Obligation Public Improvement Bonds, Series 2010B (Federally Taxable Direct Subsidy Build America Bonds) (the "2010B Bonds") of said City, dated November 2, 2010, to be refunded by said refunding bonds can be finally paid without making it unduly burdensome on the taxpayers of the City as determined by the North Carolina Local Government Commission (the "Commission") is a period which expires on October 1, 2030, and (i) the end of the unexpired usefulness of the parks and recreation, library, fire station and natural science center projects financed by the 2010B Bonds, is estimated as a period of forty (40) years from November 2, 2010, the date of the 2010B Bonds, and that such period expires on November 2, 2050 and (ii) the end of the unexpired usefulness of the streets and public transportation system projects financed by the 2010B Bonds, is estimated as a period of twenty (20) years from November 2, 2010, the date of the 2010B

Bonds, and that such period expires on November 2, 2030.

Section 2. Pursuant to said order there shall be issued bonds in the aggregate principal amount not to exceed \$21,000,000 designated "General Obligation Refunding Bonds, Series 2020D" (the "Bonds") and dated the date of delivery thereof. The exact amount of the Bonds to be issued shall be determined by the City at the time the Bonds are sold pursuant to the Bond Purchase Agreement (hereinafter defined) as provided in Section 6 hereof and shall be an amount sufficient, together with any other available funds of the City, to (a) refund all or a portion of the Refunded Bonds (hereinafter defined) and (b) pay the fees and expenses incurred in connection with the sale and issuance of the Bonds. Subject to the provisions of this resolution, the Bonds shall (a) mature on October 1 in such years and in such amounts and (b) bear interest at a rate or rates to be determined by the Commission, with the approval of the City, at the time the Bonds are sold, which interest to the respective maturities thereof shall be payable on each April 1 and October 1, beginning October 1, 2020, until payment of such principal sum, all as shall be set forth in the Bond Purchase Agreement and the Final Official Statement (hereinafter defined).

Each Bond shall bear interest from the interest payment date next preceding the date on which it is authenticated, unless it is (a) authenticated upon an interest payment date, in which event it shall bear interest from such interest payment date or (b) authenticated prior to the first interest payment date, in which event it shall bear interest from its date; provided, however, that if at the time of authentication interest is in default, such Bond shall bear interest from the date to which interest has been paid.

The principal of and the interest on the Bonds shall be payable in any coin or currency of the United States of America which is legal tender for the payment of public and private debts on the respective dates of payment thereof.

The Bonds shall be issued by means of a book-entry system with no physical distribution of Bond certificates to be made except as hereinafter provided. One Bond certificate with respect to each date on which the Bonds are stated to mature, in the aggregate principal amount of the Bonds stated to mature on such date and registered in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"), shall be issued and required to be deposited with DTC and immobilized in its custody. The book-entry system will evidence ownership of the Bonds in the principal amount of \$5,000 or any whole multiple thereof, with transfers of ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC and its participants. The principal of each Bond shall be payable to Cede & Co. or any other person appearing on the registration books of the City hereinafter provided for as the registered owner of such Bond or his registered assigns or legal representative at such office of the Bond Registrar mentioned hereinafter or such other place as the City may determine upon the presentation and surrender thereof as the same shall become due and payable. Payment of the interest on each Bond shall be made by said Bond Registrar on each interest payment date to the registered owner of such Bond (or the previous Bond or Bonds evidencing the same debt as that evidenced by such Bond) at the close of business on the record date for such interest, which shall be the 15th day (whether or not a business day) of the calendar month next preceding such interest payment date, by check mailed to such person at his address as it appears on such registration books; provided, however, that for so long as the Bonds are deposited with DTC, the payment of the principal of and interest on the Bonds shall be made to DTC in same-day funds by 2:30 p.m. or otherwise as determined by the rules and procedures established by DTC. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC, and transfer of principal and interest payments to beneficial owners of the Bonds by participants of DTC will be the responsibility of such participants and other nominees of such beneficial owners. The City shall not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing records maintained by DTC, its participants or persons acting through such participants.

In the event that (a) DTC determines not to continue to act as securities depository for the Bonds or (b) the Finance Director of the City determines that continuation of the book-entry system of evidence and transfer of ownership of the Bonds would adversely affect the interests of the beneficial owners of the Bonds, the City will discontinue the book-entry system with DTC. If the City identifies another qualified securities depository to replace DTC, the City will make arrangements with DTC and such other depository to effect such replacement and deliver replacement Bonds registered in the name of such other depository or its nominee in exchange for the outstanding Bonds, and the references to DTC or Cede & Co. in this resolution shall thereupon be deemed to mean such other depository or

its nominee. If the City fails to identify another qualified securities depository to replace DTC, the City shall deliver replacement Bonds in the form of fully-registered certificates in denominations of \$5,000 or any whole multiple thereof ("Certificated Bonds") in exchange for the outstanding Bonds as required by DTC and others. Upon the request of DTC, the City may also deliver one or more Certificated Bonds to any participant of DTC in exchange for Bonds credited to its account with DTC.

Unless indicated otherwise, the provisions of this resolution that follow shall apply to all Bonds issued or issuable hereunder, whether initially or in replacement thereof.

Section 3. The Bonds shall bear the manual or facsimile signatures of the Mayor or the Mayor Pro Tem and the City Clerk or any deputy or assistant City Clerk of the City and the official seal or a facsimile of the official seal of the City shall be impressed or imprinted, as the case may be, on the Bonds.

The certificate of the Commission to be endorsed on all Bonds shall bear the manual or facsimile signature of the Secretary of said Commission and the certificate of authentication of the Bond Registrar to be endorsed on all Bonds shall be executed as provided hereinafter.

In case any officer of the City or the Commission whose manual or facsimile signature shall appear on any Bonds shall cease to be such officer before the delivery of such Bonds, such manual or facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery, and any Bond may bear the manual or facsimile signatures of such persons as at the actual time of the execution of such Bond shall be the proper officers to sign such Bond although at the date of such Bond such persons may not have been such officers.

No Bond shall be valid or become obligatory for any purpose or be entitled to any benefit or security under this resolution until it shall have been authenticated by the execution by the Bond Registrar of the certificate of authentication endorsed thereon.

The Bonds to be registered in the name of Cede & Co. and the endorsements thereon shall be in substantially the following form:

UNLESS THIS BOND IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY TRUST COMPANY, A NEW YORK CORPORATION ("DTC"), TO THE CITY OF GREENSBORO, NORTH CAROLINA OR ITS AGENT FOR REGISTRATION OR TRANSFER, EXCHANGE, OR PAYMENT, AND ANY BOND ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR IN SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC (AND ANY PAYMENT IS MADE TO CEDE & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN.

- (10) release, substitution or sale of any property securing repayment of the Bonds, if material;

- (11) rating changes;
- (12) bankruptcy, insolvency, receivership or similar event of the City;
- (13) the consummation of a merger, consolidation or acquisition involving the City or the sale of all or substantially all of the assets of the City, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- (14) appointment of a trustee or a successor or additional trustee or the change of name of a trustee, if material;
- (15) incurrence of a financial obligation (as defined below) of the City, if material, or agreement to covenants, events of default, remedies, priority rights or other similar terms of a financial obligation of the City, any of which affect beneficial owners of the Bonds, if material; and
- (16) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the City, any of which reflect financial difficulties; and
- (d) in a timely manner, notice of a failure of the City to provide required annual financial information described in (a) or (b) above on or before the date specified.

All information provided to the MSRB as described in this Section shall be provided in an electronic format as prescribed by the MSRB and accompanied by identifying information as prescribed by the MSRB.

The City may meet the continuing disclosure filing requirement described above by complying with any other procedure that may be authorized or required by the United States Securities and Exchange Commission.

For the purposes of this Section, "financial obligation" means (a) a debt obligation, (b) a derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation, or (c) a guarantee of either clause (a) or (b). The term "financial obligation" shall not include municipal securities as to which a final official statement has been provided to the MSRB consistent with Rule 15c2-12 issued under the Securities Exchange Act of 1934 ("Rule 15c2-12").

If the City fails to comply with the undertaking described above, any beneficial owner of the Bonds may take action to protect and enforce the rights of all beneficial owners with respect to such undertaking, including an action for specific performance; provided, however, that failure to comply with such undertaking shall not be an event of default and shall not result in any acceleration of the Bonds. All actions shall be instituted, had and maintained in the manner provided in this paragraph for the benefit of all beneficial owners of the Bonds.

The City reserves the right to modify from time to time the information to be provided to the extent necessary or appropriate in the judgment of the City, provided that:

- (a) any such modification may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of the City;
- (b) the information to be provided, as modified, would have complied with the requirements of Rule 15c2-12 as of the date of the Final Official Statement, after taking into account any amendments or interpretations of Rule 15c2-12, as well as any changes in circumstances; and
- (c) any such modification does not materially impair the interests of the beneficial owners of the Bonds, as determined either by parties unaffiliated with the City (such as bond counsel), or by the approving vote of the registered owners of a majority in principal amount of the Bonds pursuant to the terms of this resolution, as this resolution may be amended from time to time, at the time of such amendment.

In the event that the City makes such a modification, the annual financial information containing the modified operating data or financial information shall explain, in narrative form, the reasons for the modification and the impact of the change in the type of operating data or financial information being provided.

The provisions of this Section shall terminate upon payment, or provision having been made for payment in a manner consistent with Rule 15c2-12, in full of the principal of and interest on all of the Bonds.

Section 10. U.S. Bank National Association is hereby selected as the escrow agent (the "Escrow Agent") in connection with the refunding of the outstanding 2010B Bonds as described in Section 11 hereof, subject to the right of the City Council to appoint another Escrow Agent as provided in the Escrow Deposit Agreement (hereinafter defined), and as such shall perform its responsibilities as provided in the Escrow Deposit Agreement. The Escrow Deposit Agreement, to be dated as of July 1, 2020, or some other mutually agreeable date (the "Escrow Deposit Agreement"), between the City and the Escrow Agent, in substantially the form presented at this meeting, and the creation of the Escrow Fund thereunder and the other arrangements to accomplish such refunding, is hereby

approved, and the Mayor, the City Manager, the Finance Director and the City Clerk or any deputy or assistant City Clerk of the City are each hereby authorized to execute and deliver the Escrow Deposit Agreement for and on behalf of the City with such modifications as the Mayor, the City Manager or the Finance Director, with the advice of counsel, deem necessary or appropriate, such execution and delivery to be conclusive evidence of the approval thereof by the City.

Section 11. Subject to the next succeeding sentence, the City hereby determines to refund all of the outstanding 2010B Bonds maturing on October 1, 2021 to 2030, inclusive (the "Refunded Bonds"). If, on the date of sale of the Bonds, the Finance Director of the City shall determine that it is in the best economic interests of the City not to refund all or any portion of the Refunded Bonds, the Finance Director is hereby authorized to make changes in the amounts and maturities of such Refunded Bonds to be refunded, such changes to be set forth in a certificate executed and delivered by the Finance Director of the City on the date of issuance of the Bonds.

Subject to the refunding of the Refunded Bonds as provided above, the Refunded Bonds are hereby called for redemption on October 1, 2020 in accordance with the provisions of the Refunded Bonds, the resolution authorizing the issuance of the Refunded Bonds, this resolution and the Escrow Deposit Agreement. The Escrow Agent hereby directed to provide notices of such redemption at the times and in the manner set forth in the Refunded Bonds, the resolution authorizing the issuance of the Refunded Bonds and the Escrow Deposit Agreement.

RESOLUTION PROVIDING FOR THE SALE AND ISSUANCE OF NOT TO EXCEED \$42,000,000 GENERAL OBLIGATION PUBLIC IMPROVEMENT BONDS, SERIES 2020B

BE IT RESOLVED by the City Council (the "City Council") of the City of Greensboro, North Carolina (the "City"):

Section 1. The City Council has determined and does hereby find and declare as follows:

(a) An order authorizing \$38,500,000 Community and Economic Development Bonds (the "Community and Economic Development Bonds") was adopted by the City Council on August 1, 2016, which order was approved by the vote of a majority of the qualified voters of the City who voted thereon at a referendum duly called and held on November 8, 2016. \$6,670,000 of the Community and Economic Development Bonds have heretofore been issued by the City.

(b) An order authorizing \$34,500,000 Parks and Recreation Bonds (the "Parks and Recreation Bonds") was adopted by the City Council on August 1, 2016, which order was approved by the vote of a majority of the qualified voters of the City who voted thereon at a referendum duly called and held on November 8, 2016. \$10,300,000 of the Parks and Recreation Bonds have heretofore been issued by the City.

(c) An order authorizing \$28,000,000 Transportation Bonds (the "Transportation Bonds") was adopted by the City Council on August 1, 2016, which order was approved by the vote of a majority of the qualified voters of the City who voted thereon at a referendum duly called and held on November 8, 2016. \$10,740,000 of the Transportation Bonds have heretofore been issued by the City.

(d) No notes have been issued in anticipation of the receipt of the proceeds of the sale of said bonds, and it is necessary to issue not to exceed \$20,000,000 of the Community and Economic Development Bonds, \$13,500,000 of the Parks and Recreation Bonds and \$8,500,000 of the Transportation Bonds at this time.

(e) (i) The maximum period of usefulness of the public improvements to be provided with the proceeds of the Parks and Recreation Bonds is estimated as a period of forty (40) years from March 3, 2020, the date of the bonds authorized hereby, and that such period expires on March 3, 2060; and (ii) the maximum period of usefulness of the public improvements to be provided with the proceeds of the Community and Economic Development Bonds and the Transportation Bonds is estimated as a period of twenty (20) years from March 3, 2020, the date of the bonds authorized hereby, and that such period expires on March 3, 2040.

(f) It is in the best interest of the City to consolidate said bonds for the purposes of sale into a single issue of bonds designated "General Obligation Public Improvement Bonds, Series 2020B" (the "Bonds").

Section 2. Pursuant to said order, the City shall issue the Bonds in the aggregate principal amount of not to exceed \$42,000,000, and the Bonds shall be dated the date of delivery thereof. The Bonds shall be stated to mature annually on April 1 in the years and amounts determined by the Local Government Commission of North Carolina (the "Commission") and approved by the City; provided, however, that the aggregate principal amount of the Bonds shall not exceed \$42,000,000 and the final maturity of the Bonds shall not exceed April 1, 2040. The Bonds shall bear interest at a rate or rates to be determined by the Commission at the time the Bonds are sold, which interest to the respective maturities thereof shall be payable on each April 1 and October 1, beginning October 1, 2020, until payment of such principal sum. The final aggregate principal amount of the Bonds and the principal amount of each maturity of the Bonds shall be evidenced by a certificate of the Finance Director of the City executed and delivered on or before the date of issuance of the Bonds, and the final aggregate principal amount of the Bonds and the final principal amount of each maturity of the Bonds shall also be set forth in the Final Official Statement (hereinafter defined).

Each Bond shall bear interest from the interest payment date next preceding the date on which it is authenticated, unless it is (a) authenticated upon an interest payment date, in which event it shall bear interest from such interest payment date or (b) authenticated prior to the first interest payment date, in which event it shall bear interest from its date; provided, however, that if at the time of authentication interest is in default, such Bond shall bear interest from the date to which interest has been paid.

The principal of and the interest on the Bonds shall be payable in any coin or currency of the United States of America which is legal tender for the payment of public and private debts on the respective dates of payment thereof.

The Bonds shall be issued by means of a book-entry system with no physical distribution of Bond certificates to be made except as hereinafter provided. One Bond certificate with respect to each date on which the Bonds are stated to mature, in the aggregate principal amount of the Bonds stated to mature on such date and registered in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"), shall be issued and required to be deposited with DTC and immobilized in its custody. The book-entry system will evidence ownership of the Bonds in the principal amount of \$5,000 or any whole multiple thereof, with transfers of ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC and its participants. The principal of each Bond shall be payable to Cede & Co. or any other person appearing on the registration books of the City hereinafter provided for as the registered owner of such Bond or her registered assigns or legal representative at such office of the Bond Registrar mentioned hereinafter or such other place as the City may determine upon the presentation and surrender thereof as the same shall become due and payable. Payment of the interest on each Bond shall be made by said Bond Registrar on each interest payment date to the registered owner of such Bond (or the previous Bond or Bonds evidencing the same debt as that evidenced by such Bond) at the close of business on the record date for such interest, which shall be the 15th day (whether or not a business day) of the calendar month next preceding such interest payment date, by check mailed to such person at his or her address as it appears on such registration books; provided, however, that for so long as the Bonds are deposited with DTC, the payment of the principal of and interest on the Bonds shall be made to DTC in same-day funds by 2:30 p.m. or otherwise as determined by the rules and procedures established by DTC. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC, and transfer of principal and interest payments to beneficial owners of the Bonds by participants of DTC will be the responsibility of such participants and other nominees of such beneficial owners. The City shall not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing records maintained by DTC, its participants or persons acting through such participants.

In the event that (a) DTC determines not to continue to act as securities depository for the Bonds or (b) the Finance Director of the City determines that continuation of the book-entry system of evidence and transfer of ownership of the Bonds would adversely affect the interests of the beneficial owners of the Bonds, the City will discontinue the book-entry system with DTC. If the City identifies another qualified securities depository to replace DTC, the City will make arrangements with DTC and such other depository to effect such replacement and deliver replacement Bonds registered in the name of such other depository or its nominee in exchange for the outstanding Bonds, and the references to DTC or Cede & Co. in this resolution shall thereupon be deemed to mean such other depository or its nominee. If the City fails to identify another qualified securities depository to replace DTC, the City shall deliver replacement Bonds in the form of fully-registered certificates in denominations of \$5,000 or any whole multiple thereof ("Certificated Bonds") in exchange for the outstanding Bonds as required by DTC and others. Upon the request of DTC, the City may also deliver one or more Certificated Bonds to any participant of DTC in exchange for Bonds credited to its account with DTC.

Unless indicated otherwise, the provisions of this resolution that follow shall apply to all Bonds issued or issuable hereunder, whether initially or in replacement thereof.

Section 3. The Bonds shall bear the manual or facsimile signatures of the Mayor or the Mayor Pro Tem and the City Clerk or any deputy or assistant City Clerk of the City and the official seal or a facsimile of the official seal of the City shall be impressed or imprinted, as the case may be, on the Bonds.

The certificate of the Local Government Commission of North Carolina to be endorsed on all Bonds shall bear the manual or facsimile signature of the Secretary or the Deputy Secretary of said Commission and the certificate of authentication of the Bond Registrar to be endorsed on all Bonds shall be executed as provided hereinafter.

In case any officer of the City or the Local Government Commission of North Carolina whose manual or facsimile signature shall appear on any Bonds shall cease to be such officer before the delivery of such Bonds, such manual or facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery, and any Bond may bear the manual or facsimile signatures of such persons as at the actual time of the execution of such Bond shall be the proper officers to sign such Bond although at the date of such Bond such persons may not have been such officers.

No Bond shall be valid or become obligatory for any purpose or be entitled to any benefit or security under this resolution until it shall have been authenticated by the execution by the Bond Registrar of the certificate of authentication endorsed thereon.

The Bonds to be registered in the name of Cede & Co. and the endorsements thereon shall be in substantially the following form:

UNLESS THIS BOND IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY TRUST COMPANY, A NEW YORK CORPORATION ("DTC"), TO THE CITY OF GREENSBORO, NORTH CAROLINA OR ITS AGENT FOR REGISTRATION OR TRANSFER, EXCHANGE, OR PAYMENT, AND ANY BOND ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR IN SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC (AND ANY PAYMENT IS MADE TO CEDE & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN.

The interest so payable on any such interest payment date will be paid to the person in whose name this bond (or the previous bond or bonds evidencing the same debt as that evidenced by this bond) is registered at the close of business on the record date for such interest, which shall be the 15th day (whether or not a business day) of the calendar month next preceding such interest payment date, by check mailed to such person at his or her address as it appears on the bond registration books of said City; provided, however, that for so long as the Bonds (hereinafter defined) are deposited with The Depository Trust Company ("DTC"), the payment of the principal of and interest on the Bonds shall be made to DTC in same day funds by 2:30 p.m. or otherwise as determined by the rules and procedures established by DTC. Both the principal of and the interest on this bond shall be paid in any coin or currency of the United States of America that is legal tender for the payment of public and private debts on the respective dates of payment thereof. For the prompt payment hereof, both principal and interest as the same shall become due, the faith and credit of said City are hereby irrevocably pledged.

This bond is one of an issue of bonds designated "General Obligation Public Improvement Bonds, Series 2020B" (the "Bonds") and issued by said City for the purpose of providing funds, together with any other available funds, to finance various community and economic development, parks and recreation and transportation projects for said City, and this bond is issued under and pursuant to The Local Government Bond Act, as amended, Article 7, as amended, of Chapter 159 of the General Statutes of North Carolina, orders adopted by the City Council of said City, which orders were approved by the vote of a majority of qualified voters of said City who voted thereon at a referendum duly called and held, and a resolution duly adopted by said City Council (the "Resolution").

The Bonds maturing on or prior to April 1, 2030 are not subject to redemption prior to maturity. The Bonds maturing on April 1, 2031 and thereafter will be subject to redemption prior to their maturity, at the option of said City, from any moneys that may be made available for such purpose, either in whole or in part on any date not earlier than April 1, 2030, at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus accrued interest thereon to the date fixed for redemption.

If less than all of the Bonds of any one maturity shall be called for redemption, the particular Bonds or portions of Bonds of such maturity to be redeemed shall be selected by lot in such manner as said City in its discretion may determine; provided, however, that the portion of any Bond to be redeemed shall be in the principal amount of \$5,000 or any whole multiple thereof and that, in selecting Bonds for redemption, each Bond shall be considered as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by \$5,000. So long as a book-entry system with DTC, is used for determining beneficial ownership of Bonds, if less than all of the Bonds within the maturity are to be redeemed, DTC and its participants shall determine which of the Bonds within a maturity are to be redeemed by lot. If less than all of the Bonds stated to mature on different dates shall be called for redemption, the particular Bonds or portions thereof of each maturity to be redeemed shall be called in such manner as said City may determine.

Not more than sixty (60) nor less than thirty (30) days before the redemption date of any Bonds to be redeemed, whether such redemption be in whole or in part, said City shall cause a notice of such redemption to be filed with the Bond Registrar and to be mailed, postage prepaid, to the registered owner of each Bond to be redeemed in

whole or in part to his address appearing upon the registration books of said City, provided that such notice to Cede & Co. shall be given by certified or registered mail or otherwise as prescribed by DTC. On the date fixed for redemption, notice having been given as aforesaid, the Bonds or portions thereof so called for redemption shall be due and payable at the redemption price provided for the redemption of such Bonds or portions thereof on such date and, if moneys for payment of such redemption price and the accrued interest are held by the Bond Registrar as provided in the Resolution, interest on the Bonds or the portions thereof so called for redemption shall cease to accrue. If a portion of this Bond shall be called for redemption, a new Bond or Bonds in principal amount equal to the unredeemed portion hereof will be issued to Cede & Co. or its legal representative upon the surrender hereof.

Any notice of redemption may state that the redemption to be effected is conditioned upon the receipt by the Bond Registrar on or prior to the redemption date of moneys sufficient to pay the redemption price of and interest on the Bonds to be redeemed, and that if such moneys are not so received, such notice shall be of no force or effect and such Bond shall not be required to be redeemed. In the event that such notice contains such a condition and moneys sufficient to pay the redemption price of and interest on such Bonds are not received by the Bond Registrar on or prior to the redemption date, the redemption shall not be made and the Bond Registrar shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received.

The Bonds are being issued by means of a book-entry system with no physical distribution of bond certificates to be made except as provided in the Resolution. One bond certificate with respect to each date on which the Bonds are stated to mature, in the aggregate principal amount of the Bonds stated to mature on such date and registered in the name of Cede & Co., as nominee of DTC, is being issued and required to be deposited with DTC and immobilized in its custody. The book-entry system will evidence ownership of the Bonds in the principal amount of \$5,000 or any whole multiple thereof, with transfers of ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC and its participants. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC, and transfer of principal and interest payments to beneficial owners of the Bonds by participants of DTC will be the responsibility of such participants and other nominees of such beneficial owners. Said City will not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

In certain events, said City will be authorized to deliver replacement Bonds in the form of fully-registered certificates in the denomination of \$5,000 or any whole multiple thereof in exchange for the outstanding Bonds as provided in the Resolution.

At the office of the Bond Registrar, in the manner and subject to the conditions provided in the Resolution, Bonds may be exchanged for an equal aggregate principal amount of Bonds of the same maturity, of authorized denominations and bearing interest at the same rate.

The Bond Registrar shall keep at his office the books of said City for the registration of transfer of Bonds. The transfer of this bond may be registered only upon such books and as otherwise provided in the Resolution upon the surrender hereof to the Bond Registrar together with an assignment duly executed by the registered owner hereof or his or her attorney or legal representative in such form as shall be satisfactory to the Bond Registrar. Upon any such registration of transfer, the Bond Registrar shall deliver in exchange for this bond a new Bond or Bonds, registered in the name of the transferee, of authorized denominations, in an aggregate principal amount equal to the unredeemed principal amount of this bond, of the same maturity and bearing interest at the same rate.

The Bond Registrar shall not be required to exchange or register the transfer of any Bond during a period beginning at the opening of business fifteen (15) days before the day of the mailing of a notice of redemption of Bonds or any portion thereof and ending at the close of business on the day of such mailing or of any Bond called for redemption in whole or in part pursuant to the Resolution.

It is hereby certified and recited that all acts, conditions and things required by the Constitution and laws of North Carolina to happen, exist and be performed precedent to and in the issuance of this bond have happened, exist and

have been performed in regular and due form and time as so required; that provision has been made for the levy and collection of a direct annual tax upon all taxable property within said City sufficient to pay the principal of and the interest on this bond as the same shall become due; and that the total indebtedness of said City, including this bond, does not exceed any constitutional or statutory limitation thereon.

This bond shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under the Resolution until this bond shall have been authenticated by the execution by the Bond Registrar of the certificate of authentication endorsed hereon.

IN WITNESS WHEREOF, the City of Greensboro, North Carolina, by resolution duly adopted by its City Council, has caused this bond to be manually signed by the [Mayor] [Mayor Pro Tem] and the [Deputy] City Clerk of said City and its official seal to be impressed hereon, all as of the ____ day of March, 2020.

The Bonds maturing on April 1, 2031 and thereafter will be subject to redemption prior to maturity, at the option of the City, from any moneys that may be made available for such purpose, either in whole or in part on any date not earlier than April 1, 2030, at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed,

In the event that Certificated Bonds are outstanding, each such notice to the registered owners thereof shall also set forth, if less than all of the Bonds of any maturity then outstanding shall be called for redemption, the distinctive numbers and letters, if any, of such Bonds to be redeemed and, in the case of any Bond to be redeemed in part only, the portion of the principal amount thereof to be redeemed. If any Bond is to be redeemed in part only, the notice of redemption shall state also that on or after the redemption date, upon surrender of such Bond, a new Bond or Bonds in principal amount equal to the unredeemed portion of such Bond will be issued.

Any notice of redemption may state that the redemption to be effected is conditioned upon the receipt by the Bond Registrar on or prior to the redemption date of moneys sufficient to pay the redemption price of and interest on the Bonds to be redeemed, and that if such moneys are not so received, such notice shall be of no force or effect and such Bond shall not be required to be redeemed. In the event that such notice contains such a condition and moneys sufficient to pay the redemption price of and interest on such Bonds are not received by the Bond Registrar on or prior to the redemption date, the redemption shall not be made and the Bond Registrar shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received.

On or before the date fixed for redemption, moneys shall be deposited with the Bond Registrar to pay the redemption price of the Bonds or portions thereof called for redemption, as well as the interest accruing thereon to such redemption date.

On the date fixed for redemption, notice having been given in the manner and under the conditions hereinabove provided, the Bonds or portions thereof called for redemption shall be due and payable at the redemption price provided therefor, plus accrued interest to such date. If moneys sufficient to pay the redemption price of the Bonds or portions thereof to be redeemed, plus accrued interest thereon to the date fixed for redemption, are held by the Bond Registrar in trust for the registered owners of Bonds or portions thereof to be redeemed, interest on the Bonds or portions thereof called for redemption shall cease to accrue, such Bonds or portions thereof shall cease to be entitled to any benefits or security under this resolution or to be deemed outstanding, and the registered owners of

such Bonds or portions thereof shall have no rights in respect thereof except to receive payment of the redemption price thereof, plus accrued interest thereon to such redemption date.

If a portion of a Bond shall be selected for redemption, the registered owner thereof or his attorney or legal representative shall present and surrender such Bond to the Bond Registrar for payment of the redemption price thereof so called for redemption, and the Bond Registrar shall authenticate and deliver to or upon the order of such registered owner or his legal representative, without charge therefor, for the unredeemed portion of the principal amount of the Bond so surrendered, a Bond or Bonds of the same maturity, of any denomination or denominations authorized by this resolution and bearing interest at the same rate.

Section 5. Bonds, upon surrender thereof at the office of the Bond Registrar together with an assignment duly executed by the registered owner or his or her attorney or legal representative in such form as shall be satisfactory to the Bond Registrar, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of Bonds of the same maturity, of any denomination or denominations authorized by this resolution and bearing interest at the same rate.

The transfer of any Bond may be registered only upon the registration books of the City upon the surrender thereof to the Bond Registrar together with an assignment duly executed by the registered owner or his or her attorney or legal representative in such form as shall be satisfactory to the Bond Registrar. Upon any such registration of transfer, the Bond Registrar shall authenticate and deliver in exchange for such Bond a new Bond or Bonds, registered in the name of the transferee, of any denomination or denominations authorized by this resolution, in an aggregate principal amount equal to the unredeemed principal amount of such Bond so surrendered, of the same maturity and bearing interest at the same rate.

In all cases in which Bonds shall be exchanged or the transfer of Bonds shall be registered hereunder, the Bond Registrar shall authenticate and deliver at the earliest practicable time Bonds in accordance with the provisions of this resolution. All Bonds surrendered in any such exchange or registration of transfer shall forthwith be canceled by the Bond Registrar. The City or the Bond Registrar may make a charge for shipping and out-of-pocket costs for every such exchange or registration of transfer of Bonds sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or registration of transfer, but no other charge shall be made by the City or the Bond Registrar for exchanging or registering the transfer of Bonds under this resolution.

The Bond Registrar shall not be required to exchange or register the transfer of any Bond during a period beginning at the opening of business fifteen (15) days before the day of the mailing of a notice of redemption of Bonds or any portion thereof and ending at the close of business on the day of such mailing or of any Bond called for redemption in whole or in part pursuant to the Resolution.

As to any Bond, the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal of any such Bond and the interest on any such Bond shall be made only to or upon the order of the registered owner thereof or his or her legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond, including the interest thereon, to the extent of the sum or sums so paid.

The City shall appoint such registrars, transfer agents, depositaries or other agents as may be necessary for the registration, registration of transfer and exchange of Bonds within a reasonable time according to then current commercial standards and for the timely payment of principal of and interest on the Bonds. The Finance Director of the City, or any person at any time acting in such capacity, is hereby appointed the registrar, transfer agent and paying agent for the Bonds (collectively the "Bond Registrar"), subject to the right of the City Council to appoint another Bond Registrar, and as such shall keep at his office in the City, the books of the City for the registration, registration of transfer, exchange and payment of the Bonds as provided in this resolution.

Section 6. The City covenants that, to the extent permitted by the Constitution and laws of the State of North Carolina, it will comply with the requirements of the Internal Revenue Code of 1986, as amended or as may be amended from time to time, and any Treasury regulations now or hereafter promulgated thereunder, to the extent

necessary so that interest on the Bonds will not be included in gross income of the owners of the Bonds for federal income tax purposes.

Section 7. All actions of the Mayor, the City Manager, the Finance Director and the City Clerk of the City in applying to the Local Government Commission of North Carolina to advertise and sell the Bonds are hereby approved, ratified and confirmed, and the Local Government Commission of North Carolina is hereby requested to ask for sealed bids for the Bonds by publishing notices and printing and distributing a Preliminary Official Statement, to be dated as of the date of delivery thereof, relating to the sale of the Bonds. Such Preliminary Official Statement, in substantially the form presented at this meeting, is hereby authorized and approved.

The preparation of a final Official Statement (the "Final Official Statement"), which will be in the form of the Preliminary Official Statement, but will include certain pricing and other information to be made available to the successful bidder for the Bonds by the Local Government Commission of North Carolina, is hereby approved, and the Mayor, the City Manager and the Finance Director of the City are hereby authorized to execute and deliver the Final Official Statement for and on the behalf of the City, and such execution shall be conclusive evidence of the approval of the City Council of the Final Official Statement.

Section 8. The City hereby undertakes, for the benefit of the beneficial owners of the Bonds, to provide to the Municipal Securities Rulemaking City Council (the "MSRB"):

- (7) modification to the rights of the beneficial owners of the Bonds, if material;

- (14) appointment of a trustee or a successor or additional trustee or the change of name of a trustee, if material;
- (15) incurrence of a financial obligation (as defined below) of the City, if material, or agreement to covenants, events

(16) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the City, any of which reflect financial difficulties; and

(d) in a timely manner, notice of a failure of the City to provide required annual financial information described in (a) or (b) above on or before the date specified.

All information provided to the MSRB as described in this Section shall be provided in an electronic format as prescribed by the MSRB and accompanied by identifying information as prescribed by the MSRB.

The City may meet the continuing disclosure filing requirement described above by complying with any other procedure that may be authorized or required by the United States Securities and Exchange Commission.

For the purposes of this Section, "financial obligation" means (a) a debt obligation, (b) a derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation, or (c) a guarantee of either clause (a) or (b) above. The term "financial obligation" shall not include municipal securities as to which a final official statement has been provided to the MSRB consistent with Rule 15c2-12 issued under the Securities Exchange Act of 1934 ("Rule 15c2-12").

If the City fails to comply with the undertaking described above, any beneficial owner of the Bonds may take action to protect and enforce the rights of all beneficial owners with respect to such undertaking, including an action for specific performance; provided, however, that failure to comply with such undertaking shall not be an event of default and shall not result in any acceleration of the Bonds. All actions shall be instituted, had and maintained in the manner provided in this paragraph for the benefit of all beneficial owners of the Bonds.

The City reserves the right to modify from time to time the information to be provided to the extent necessary or appropriate in the judgment of the City, provided that:

(a) any such modification may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of the City;

(b) the information to be provided, as modified, would have complied with the requirements of Rule 15c2-12 as of the date of the Final Official Statement, after taking into account any amendments or interpretations of Rule 15c2-12, as well as any changes in circumstances; and

(c) any such modification does not materially impair the interests of the beneficial owners of the Bonds, as determined either by parties unaffiliated with the City (such as bond counsel), or by the approving vote of the registered owners of a majority in principal amount of the Bonds pursuant to the terms of this resolution, as this resolution may be amended from time to time, at the time of such amendment.

In the event that the City makes such a modification, the annual financial information containing the modified operating data or financial information shall explain, in narrative form, the reasons for the modification and the impact of the change in the type of operating data or financial information being provided.

The provisions of this Section shall terminate upon payment, or provision having been made for payment in a manner consistent with Rule 15c2-12, in full of the principal of and interest on all of the Bonds.

Section 9. The Mayor, the Mayor Pro Tem, the City Manager, the City Attorney, the Finance Director and the City Clerk or any deputy or assistant City Clerk of the City are hereby authorized and directed to execute and deliver such closing and other documents necessary for the purpose of facilitating the sale and issuance of the Bonds in a manner consistent with the terms of this resolution. RESOLUTION APPROVING AND AUTHORIZING THE SALE AND ISSUANCE OF LIMITED OBLIGATION BONDS AND THE EXECUTION AND DELIVERY OF A SECOND SUPPLEMENTAL TRUST AGREEMENT, A FIRST SUPPLEMENT AND AMENDMENT TO DEED OF TRUST AND RELATED DOCUMENTS IN CONNECTION WITH THE FINANCING OF NEW FIREFIGHTING FACILITIES

BE IT RESOLVED by the City Council (the "City Council") for the City of Greensboro, North Carolina (the "City"):

Section 1. The City Council does hereby find and determine as follows:

- (a) At a meeting of the City Council held on August 20, 2019, the City determined to finance the costs of acquiring, constructing and equipping (i) two downtown parking decks and appurtenant facilities to be owned and operated by the City for public parking and (ii) two fire stations, fire training facilities and emergency alerting systems for the City (collectively, the "Project").
- (b) After a public hearing and due consideration at such meeting, the City determined to enter into a Master Trust Agreement, dated as of October 1, 2019 (the "Master Trust Agreement"), between the City and U.S. Bank National Association, as trustee (the "Trustee"), pursuant to which the City is authorized to issue one or more series of limited obligation bonds thereunder (the "Bonds") in an aggregate principal amount not to exceed \$82,000,000 to provide funds, together with any other available funds, to pay (i) the costs of the Project, (ii) all or a portion of the interest on the Bonds during construction of the Project and (iii) the fees and expenses incurred in connection with the sale and issuance of the Bonds.
- (c) The City further determined to initially finance the costs of acquiring, constructing and equipping one of the two downtown parking decks known as the Eugene Street Parking Deck (the "2019 Project"), which 2019 Project constitutes a portion of the Project.
- (d) In furtherance thereof, the City issued a first series of the Bonds pursuant to the Master Trust Agreement and a First Supplemental Trust Agreement, dated as of October 1, 2019 (the "First Supplemental Trust Agreement"), between the City and the Trustee in the aggregate principal amount of \$29,685,000 (the "2019 Bonds") to provide funds, together with any other available funds, to pay (i) the costs of the 2019 Project, (ii) interest on the 2019 Bonds during construction of the 2019 Project and (iii) the fees and expenses incurred in connection with the sale and issuance of the 2019 Bonds.
- (e) In order to secure its obligations under the Master Trust Agreement, the City executed and delivered a Deed of Trust, dated as of October 1, 2019 (the "Original Deed of Trust"), for the benefit of the Trustee granting a lien on the site of the 2019 Project, together with any improvements or fixtures located or to be located thereon, subject to permitted encumbrances.
- (f) The City has now determined to finance the two fire stations, fire training facilities and emergency alerting systems for the City (the "2020A Project"), which 2020A Project constitutes a portion of the Project.
- (g) In furtherance thereof, the City has determined to issue a second series of the Bonds pursuant to the Master Trust Agreement and a Second Supplemental Trust Agreement, to be dated as of February 1, 2020 (the "Second Supplemental Trust Agreement" and, together with the Master Trust Agreement and the First Supplemental Trust Agreement, the "Trust Agreement"), between the City and the Trustee in an aggregate principal amount not to exceed \$15,250,000 (the "2020A Bonds") to provide funds, together with any other available funds, to pay (i) the costs of the 2020A Project and (ii) the fees and expenses incurred in connection with the sale and issuance of the 2020A Bonds.
- (h) In connection with the issuance of the 2020A Bonds, the City intends to execute and deliver a First Supplement and Amendment to Deed of Trust, to be dated as of February 1, 2020 (the "First Supplement to Deed of Trust" and, together with the Original Deed of Trust, the "Deed of Trust"), for the benefit of the Trustee, granting a lien on the sites of the 2020A Project (in addition to the lien on the site of the 2019 Project), together with any improvements or fixtures located or to be located thereon, subject to certain permitted encumbrances. The Deed of Trust will secure all of the obligations of the City under the Master Trust Agreement, including the 2019 Bonds, the 2020A Bonds and any other series of Bonds hereafter issued pursuant to the Master Trust Agreement.
- (i) The 2020A Bonds will be initially sold to Wells Fargo Bank, National Association and Loop Capital Markets LLC (collectively, the "Underwriters") pursuant to the terms of a Bond Purchase Agreement, to be dated the date of

delivery thereof (the "Bond Purchase Agreement"), between the City and the Underwriters.

(j) In connection with the offering and sale of the 2020A Bonds by the Underwriters, there will be prepared and distributed to potential purchasers a Preliminary Official Statement, to be dated as of the date of delivery thereof (the "Preliminary Official Statement"), relating to the offering and sale of the 2020A Bonds and the Official Statement (hereinafter defined).

(k) There have been presented to the City Council drafts of the following documents relating to the transactions hereinabove described:

- (1) the Second Supplemental Trust Agreement, together with the form of the 2020A Bonds attached as Exhibit A thereto;
- (2) the First Supplement to Deed of Trust;
- (3) the Bond Purchase Agreement; and
- (4) the Preliminary Official Statement.

Section 2. In order to provide for the financing of the 2020A Project, the City is hereby authorized to enter into the Second Supplemental Trust Agreement and issue the 2020A Bonds thereunder in an aggregate principal amount not to exceed \$15,250,000. The actual principal amount of the 2020A Bonds shall be determined by the City at the time of execution of the Bond Purchase Agreement, such execution and delivery of the Bond Purchase Agreement to constitute approval by the City of the principal amount of the 2020A Bonds as set forth in the Bond Purchase Agreement. The principal amount of the 2020A Bonds shall be the amount that, in the best judgment of the person executing the Bond Purchase Agreement, shall be the amount necessary to provide sufficient funds, together with any other available funds, to pay (a) the costs of the 2020A Project and (b) the fees and expenses incurred in connection with the sale and issuance of the 2020A Bonds. The interest rates on the 2020A Bonds shall be determined by the City at the time of the execution by the City of the Bond Purchase Agreement; provided, however, that such interest rates shall not result in a true interest cost in excess of 3.50% per annum, such execution and delivery of the Bond Purchase Agreement to constitute approval by the City of the interest rates on the 2020A Bonds.

Section 3. The 2020A Bonds shall be sold to the Underwriters pursuant to the Bond Purchase Agreement. The 2020A Bonds may be sold to the Underwriters at a discount below the amount of the principal amount of the 2020A Bonds, such discount not to exceed 98% of the principal amount of the 2020A Bonds; provided, however, that if all or any of the 2020A Bonds are to be sold to the public by the Underwriters at original issue discount (resulting in lower interest costs of the interest on the 2020A Bonds), then the 2020A Bonds may be sold at a further discount in the amount necessary to cover such original issue discount. The final maturity of the 2020A Bonds shall not be later than November 1, 2039.

Section 4. The City Council hereby approves the forms of the 2020A Bonds, the Second Supplemental Trust Agreement, the First Supplement to Deed of Trust and the Bond Purchase Agreement in substantially the forms presented at this meeting. The Mayor, the City Manager and the Finance Director are each hereby authorized to execute and deliver on behalf of the City the 2020A Bonds, the Second Supplemental Trust Agreement, the First Supplement to Deed of Trust and the Bond Purchase Agreement in substantially the forms presented at this meeting, containing such modifications as the person executing such documents shall approve, such execution to be conclusive evidence of approval by the City Council of any such changes. The City Clerk or any assistant or deputy City Clerk is hereby authorized to affix the official seal of the City to each of said documents and to attest the same to the extent so required.

Section 5. The City Council hereby approves the Preliminary Official Statement in substantially the form presented at this meeting and hereby approves the distribution thereof by the Underwriters in connection with the offering and sale of the 2020A Bonds. Upon the sale of the 2020A Bonds to the Underwriters, a final Official Statement, to be dated as of the date of the Bond Purchase Agreement (the "Official Statement"), will be prepared substantially in the form of the Preliminary Official Statement and will contain such information relating to the pricing terms of the 2020A Bonds and such additional information as may be necessary. The City Council hereby approves the distribution of the Official Statement by the Underwriters in connection with the offering and sale of the 2020A Bonds.

Section 6. No deficiency judgment may be rendered against the City in any action for breach of any contractual

obligation under the 2020A Bonds or the Trust Agreement, and the faith and credit and taxing power of the City is not and may not be pledged directly or indirectly to secure any moneys due under the 2020A Bonds or the Trust Agreement.

Section 7. The Mayor, the City Manager, the Finance Director and the City Attorney are hereby authorized to cooperate with the Underwriters in preparing and filing such filings under state securities or "blue sky" laws as the Underwriters may request; provided, however, that the City shall not be required to consent to the jurisdiction of any state in which it is not now subject unless the City Attorney shall determine that such consent is in the best interest of the City.

Section 8. The Mayor, the City Manager, the Finance Director, the City Attorney and the City Clerk, and any other officers, agents and employees of the City, are hereby authorized and directed to take such actions and to deliver such certificates, opinions and other items of evidence as shall be deemed necessary to consummate the transactions described in this resolution. The officers of the City and the agents and employees of the City are hereby authorized and directed to do all acts and things required of them by the provisions of this resolution for the full, punctual and complete performance of the terms, covenants and provisions of the 2020A Bonds, the Trust Agreement, the Deed of Trust and the other documents contemplated by this resolution.

Section 9. This resolution shall take effect immediately upon its adoption.

The City Attorney then announced that he had approved the foregoing resolution as to form.
