Project: Slipline_Stanley Rd

Exclusions:

DOT Permits
Bypass

*This proposal is good for 30 days.

* In the event that KRG determines that the existing casing can not be lined due to deteriorated pipe, the city must pay for any material that has been bought and delivered to the site and pay all costs of work performed thus far.

*This price for is slip lining only. A new price will need to be negotiated if slip lining will not work.

Sincerely,
KRG Utility Inc
Nash Huffman
