# 2018 Downtown Streetscape Master Plan

## VISION

The streetscapes of Downtown Greensboro are safe, comfortable, and well-connected.

An integrated network of multi-modal streets stitches together a diverse mix of destinations that contribute to vibrant street life for a wide range of users and foster a unique sense of place that celebrates Greensboro's history and culture.

# 2021 Wayfinding Plan

## Steering Team

- Citywide Focus
- Internal and External

LOCAL LEGEND FOLLY SELFIE OP
