The Mayor announced that this was the hour and day of the public hearing on a trust agreement or similar installment financing agreement (the "Agreement") to be entered into by the City of Greensboro, North Carolina (the "City") pursuant to Section 160A-20 of the General Statutes of North Carolina providing for the issuance of limited obligation bonds thereunder in an aggregate principal amount not to exceed \$43,000,000 for the purpose of providing funds, together with any other available funds, to (a) pay the costs of designing, acquiring, constructing and equipping two parking decks and appurtenant facilities to be owned and operated by the City for public parking (the "Project") and (b) pay certain financing costs relating thereto. If the City enters into the Agreement, it will secure its obligations thereunder by executing and delivering a deed of trust granting a lien on all or a portion of the site of the Project, together with all improvements or fixtures located or to be located thereon, subject to permitted encumbrances.

Section 160A-20(g) of the General Statutes of North Carolina requires that the City hold a public hearing prior to entering into the Agreement.

The Mayor acknowledged due publication of the notice of public hearing in a newspaper with a general circulation in said City and directed the City Clerk to attach the affidavit showing publication in said newspaper on a date at least ten (10) days prior to the date hereof as Exhibit A.

The Mayor then announced that the City Council would immediately hear anyone who might wish to be heard on the Agreement as described above.

A list of all persons making comments and a summary of such comments are attached as Exhibit B.
The public hearing was closed.

All statements and comments by participants of the public hearing were duly considered by the City Council. Thereupon, Council Member _____ introduced the following resolution the title of which was read and a copy of which had been previously distributed to each Council Member:

RESOLUTION MAKING CERTAIN FINDINGS AND DETERMINATIONS REGARDING THE PROPOSED FINANCING OF NEW PARKING FACILITIES AND REQUESTING THE LOCAL GOVERNMENT COMMISSION TO APPROVE THE FINANCING ARRANGEMENT

BE IT RESOLVED by the City Council (the "City Council") of the City of Greensboro, North Carolina (the "City") as follows:

Section 1. The City Council does hereby find and determine as follows:

(a) The City has determined to finance the costs of designing, acquiring, constructing and equipping two parking

decks and appurtenant facilities to be owned and operated by the City for public parking (the "Project").

(b) After a public hearing and due consideration, the City has determined to enter into a Master Trust Agreement and a First Supplemental Trust Agreement (collectively, the "Trust Agreement") between the City and U.S. Bank National Association, as trustee (the "Trustee"), pursuant to which the City will issue taxable limited obligation bonds thereunder in an aggregate principal amount not to exceed \$43,000,000 (the "Bonds") to provide funds, together with any other available funds, to (i) pay the costs of the Project and (ii) pay the fees and expenses incurred in connection with the sale and issuance of the Bonds.

(c) In order to secure its obligations under the Trust Agreement, the City will execute and deliver a Deed of Trust (the "Deed of Trust") for the benefit of the Trustee granting a lien on all or a portion of the site of the Project (including related air rights), together with any improvements or fixtures located or to be located thereon, subject to permitted encumbrances.

(d) It is in the best interest of the City to enter into the Trust Agreement and to issue the Bonds pursuant thereto in that such plan of finance will result in the financing of the Project in an efficient and cost effective manner.

(e) Entering into the Trust Agreement and issuing the Bonds pursuant thereto is preferable to a general obligation bond issue or revenue bond issue in that (i) the City does not have sufficient constitutional authority to issue non-voted general obligation bonds pursuant to Article V, Section 4 of the North Carolina Constitution because the City has not retired a sufficient amount of general obligation debt in the preceding fiscal year to issue a sufficient amount of general obligation bonds for the financing of the Project; (ii) the revenues to be generated by the Project are not sufficient to allow for the issuance of revenue bonds to finance the costs of the Project; (iii) the costs of the Project exceed the amount to be prudently provided from currently available appropriations and unappropriated fund balances; (iv) the circumstances existing require that funds be available to commence the Project as soon as practicable and the time required for holding an election for the issuance of voted general obligation bonds pursuant to Article V, Section 4 of the North Carolina Constitution and the Local Government Bond Act would delay the Project by several months; and (v) there can be no assurances that the issuance of general obligation bonds to finance the Project would be approved by the voters and the current interest rate environment dictates the financing of the Project be accomplished in a timely and expedient manner.

(f) Based upon information provided to the City Council, the costs of the financing and refinancing described above is reasonably comparable to the costs associated with other alternative means of financing and is acceptable to the City Council.

(g) Counsel to the City will render an opinion to the effect that the proposed undertaking as described above is authorized by law and is a purpose for which public funds may be expended pursuant to the Constitution and laws of the State of North Carolina.

(h) The debt management policies of the City have been carried out in strict compliance with law, and the City is not in default under any obligation for repayment of borrowed money.

(i) No valorem tax rate increase is currently expected to be necessary to pay principal of and interest on the Bonds.

Section 2. The City Council hereby authorizes and approves the filing of an application with the Local Government Commission for approval of the Bonds and the Trust Agreement and requests the Local Government Commission to approve the Bonds and the Trust Agreement and the proposed financing in connection therewith.

Section 3. The following financing team members are hereby approved by the City in connection with the proposed financing:

Co-Bond Counsel: Womble Bond Dickinson (US) LLP

McKenzie & Associates

Underwriters: Wells Fargo Bank, National Association

Loop Capital Markets LLC

Underwriters' Counsel: Robinson, Bradshaw & Hinson, P.A.

Trustee: U.S. Bank National Association

Financial Advisor: First Tryon Advisors

Section 4. This resolution shall take effect immediately upon its adoption.

The City Attorney then announced that he had approved the foregoing resolution as to form.

Upon motion of Council Member _____, seconded by Council Member _____, the foregoing resolution was adopted by the following vote:

RESOLUTION APPROVING AND AUTHORIZING THE SALE AND ISSUANCE OF LIMITED OBLIGATION BONDS AND THE EXECUTION AND DELIVERY OF A MASTER TRUST AGREEMENT, A FIRST SUPPLEMENTAL TRUST AGREEMENT, A DEED OF TRUST AND RELATED DOCUMENTS IN CONNECTION WITH THE FINANCING OF NEW PARKING FACILITIES

BE IT RESOLVED by the City Council (the "City Council") for the City of Greensboro, North Carolina (the "City"):

Section 1. The City Council does hereby find and determine as follows:

(a) There exists in the City a need to finance the costs of designing, acquiring, constructing and equipping two parking decks and appurtenant facilities to be owned and operated by the City for public parking (collectively, the "Project").

(b) After a public hearing and due consideration, the City Council has determined that the most efficient manner of financing the Project will be through the execution and delivery of a Master Trust Agreement, to be dated as of November 1, 2018 or other mutually agreeable date (the "Master Trust Agreement"), between the City and U.S. Bank National Association, as trustee (the "Trustee"), and a First Supplemental Trust Agreement, to be dated as of November 1, 2018 or other mutually agreeable date (the "First Supplemental Trust Agreement," and, together with the Master Trust Agreement, the "Trust Agreement"), between the City and the Trustee, pursuant to which the City will issue taxable limited obligation bonds thereunder in an aggregate principal amount not to exceed \$43,000,000 (the "Bonds") to provide funds, together with any other available funds, to (i) pay the costs of the Project and (ii) pay the fees and expenses incurred in connection with the sale and issuance of the Bonds.

(c) In order to secure the payment of principal of and interest on the Bonds and the performance of the City's obligations under the Trust Agreement, the City will execute and deliver a Deed of Trust, to be dated as of November 1, 2018 or other mutually agreeable date (the "Deed of Trust"), to the deed of trust trustee named therein for the benefit of the Trustee, granting a lien on all or a portion of the site of the Project (including related air rights), together with all improvements and fixtures located or to be located thereon, subject to permitted encumbrances.

(d) The Bonds will be initially sold to Wells Fargo Bank, National Association and Loop Capital Markets LLC (collectively, the "Underwriters") pursuant to the terms of a Bond Purchase Agreement, to be dated the date of delivery thereof (the "Bond Purchase Agreement"), between the City and the Underwriters.

(e) In connection with the offering and sale of the Bonds by the Underwriters, there will be prepared and distributed to potential purchasers a Preliminary Official Statement, to be dated as of the date of delivery thereof (the "Preliminary Official Statement"), relating to the offering and sale of the Bonds and the Official Statement (hereinafter defined).

(f) There have been presented to the City Council drafts of the following documents relating to the transactions hereinabove described:

- (1) the Master Trust Agreement;
- (2) the First Supplemental Trust Agreement, together with the form of the Bonds attached as Exhibit B thereto;
- (3) the Deed of Trust;
- (4) the Bond Purchase Agreement; and
- (5) the Preliminary Official Statement.

Section 2. In order to provide for the financing of the Project, the City is hereby authorized to enter into the Master Trust Agreement and the First Supplemental Trust Agreement and issue the Bonds thereunder in an aggregate principal amount not to exceed \$43,000,000. The actual principal amount of the Bonds shall be determined by the City at the time of execution of the Bond Purchase Agreement, such execution and delivery of the Bond Purchase

Agreement to constitute approval by the City of the principal amount of the Bonds as set forth in the Bond Purchase Agreement. The principal amount of the Bonds shall be the amount that, in the best judgment of the person executing the Bond Purchase Agreement, shall be the amount necessary to provide sufficient funds, together with any other available funds, to (a) pay the costs of the Project and (b) the fees and expenses incurred in connection with the sale and issuance of the Bonds. The interest rates on the Bonds shall be determined by the City at the time of the execution by the City of the Bond Purchase Agreement; provided, however, that such interest rates shall not result in a true interest cost in excess of 6.00% per annum, such execution and delivery of the Bond Purchase Agreement to constitute approval by the City of the interest rates on the Bonds.

Section 3. The Bonds shall be sold to the Underwriters pursuant to the Bond Purchase Agreement. The Bonds may be sold to the Underwriters at a discount below the amount of the principal amount of the Bonds, such discount not to exceed 98% of the principal amount of the Bonds; provided, however, that if all or any of the Bonds are to be sold to the public by the Underwriters at original issue discount (resulting in lower interest costs of the interest on the Bonds), then the Bonds may be sold at a further discount in the amount necessary to cover such original issue discount. The final maturity of the Bonds shall not be later than May 1, 2048.

Section 4. The City Council hereby approves the forms of the Bonds, the Master Trust Agreement, the First Supplemental Trust Agreement, the Deed of Trust and the Bond Purchase Agreement in substantially the forms presented at this meeting. The Mayor, the City Manager and the Finance Director are each hereby authorized to execute and deliver on behalf of the City the Bonds, the Master Trust Agreement, the First Supplemental Trust Agreement, the Deed of Trust and the Bond Purchase Agreement in substantially the forms presented at this meeting, containing such modifications as the person executing such documents shall approve, such execution to be conclusive evidence of approval by the City Council of any such changes. The City Clerk or any assistant or deputy City Clerk is hereby authorized to affix the official seal of the City to each of said documents and to attest the same to the extent so required.

Section 5. The City Council hereby approves the Preliminary Official Statement in substantially the form presented at this meeting and hereby approves the distribution thereof by the Underwriters in connection with the offering and sale of the Bonds. Upon the sale of the Bonds to the Underwriters, a final Official Statement, to be dated as of the date of the Bond Purchase Agreement (the "Official Statement"), will be prepared substantially in the form of the Preliminary Official Statement and will contain such information relating to the pricing terms of the Bonds and such additional information as may be necessary. The City Council hereby approves the distribution of the Official Statement by the Underwriters in connection with the offering and sale of the Bonds.

Section 6. No deficiency judgment may be rendered against the City in any action for breach of any contractual obligation under the Bonds or the Trust Agreement, and the faith and credit and taxing power of the City is not and may not be pledged directly or indirectly to secure any moneys due under the Bonds or the Trust Agreement.

Section 7. The Mayor, the City Manager, the Finance Director and the City Attorney are hereby authorized to cooperate with the Underwriters in preparing and filing such filings under state securities or "blue sky" laws as the Underwriters may request; provided, however, that the City shall not be required to consent to the jurisdiction of any state in which it is not now subject unless the City Attorney shall determine that such consent is in the best interest of the City.

Section 8. The Mayor, the City Manager, the Finance Director, the City Attorney and the City Clerk, and any other officers, agents and employees of the City, are hereby authorized and directed to take such actions and to deliver such certificates, opinions and other items of evidence as shall be deemed necessary to consummate the transactions described in this resolution. The officers of the City and the agents and employees of the City are hereby authorized and directed to do all acts and things required of them by the provisions of this resolution for the full, punctual and complete performance of the terms, covenants and provisions of the Bonds, the Trust Agreement, the Deed of Trust and the other documents contemplated by this resolution.

Section 2. In order to provide for the financing and refinancing as described above, the City is hereby authorized to enter into the Fourth Supplemental Trust Agreement and issue the Bonds thereunder in an aggregate principal amount not to exceed \$56,000,000. The actual principal amount of the Bonds shall be determined by the City at the time of execution of the Bond Purchase Agreement, such execution and delivery of the Bond Purchase Agreement to constitute approval by the City of the principal amount of the Bonds as set forth in the Bond Purchase Agreement. The principal amount of the Bonds shall be the amount that, in the best judgment of the person executing the Bond Purchase Agreement, shall be the amount necessary to provide sufficient funds, together with any other available funds, to (a) refinance the 2016 Notes, (b) pay the remaining costs of the 2016 Project and the costs of the 2018 Project, (c) refund all of the outstanding 2010 Certificates, (d) refund all or a portion of the 2014 Bonds and (e) pay the fees and expenses incurred in connection with the sale and issuance of the Bonds. RESOLUTION PROVIDING FOR THE SALE AND ISSUANCE OF \$10,400,000 TAXABLE GENERAL OBLIGATION PUBLIC IMPROVEMENT BONDS, SERIES 2018A

BE IT RESOLVED by the City Council (the "City Council") of the City of Greensboro, North Carolina (the "City"):

Section 1. The City Council has determined and does hereby find and declare as follows:

- (a) An order authorizing \$25,000,000 Housing Bonds (the "Housing Bonds") was adopted by the City Council of the City on August 1, 2016, which order was approved by the vote of a majority of the qualified voters of the City who voted thereon at a referendum duly called and held on November 8, 2016.
- (b) An order authorizing \$38,500,000 Community and Economic Development Bonds (the "Community and Economic Development Bonds") was adopted by the City Council of the City on August 1, 2016, which order was approved by the vote of a majority of the qualified voters of the City who voted thereon at a referendum duly called and held on November 8, 2016.
- (c) None of said bonds have heretofore been issued, and there is outstanding \$5,325,000 Taxable General Obligation Public Improvement Bond Anticipation Notes, Series 2018B, dated June 27, 2018, maturing October 18, 2018, and bearing interest at the rate of 3.25% per annum (the "2018B Notes"), which 2018B Notes were issued in anticipation of the receipt of the proceeds of the sale of \$4,625,000 of the Housing Bonds and \$700,000 of the Community and Economic Development Bonds.
- (d) It is necessary to issue \$10,400,000 of the Housing Bonds at this time to be designated as "Taxable General Obligation Public Improvement Bonds, Series 2018A" (the "Bonds") for the purpose of providing funds, together with any other available funds, to (i) pay at maturity \$4,625,000 of the outstanding principal balance of the 2018B Notes, (ii) pay the costs of the various projects authorized to be financed by the Housing Bonds and (iii) pay certain financing costs relating thereto.
- (e) The maximum period of usefulness of the capital projects to be provided with the proceeds of the Bonds is estimated as a period of at least forty (40) years from June 27, 2018, the date of the 2018B Notes, and that such period expires on June 27, 2058.
- (f) Simultaneously with the issuance of the Bonds, the City intends to issue its \$146,600,000 General Obligation Public Improvement Bonds, Series 2018B" (the "Series 2018B Bonds"). The Bonds and the Series 2018B Bonds shall be treated as a single issue for purposes of Section 159-65(a)(3) and (4) of the General Statutes of North Carolina, as amended.

Section 2. Pursuant to the order authorizing the Housing Bonds, the City shall issue the Bonds in the aggregate principal amount of \$10,400,000, to be dated as of the date of delivery thereof and designated "Taxable General Obligation Public Improvement Bonds, Series 2018A." The Bonds shall be stated to mature annually, October 1, \$7,750,000 2019 and \$2,650,000 2020, and shall bear interest at a rate or rates to be determined by the Local Government Commission of North Carolina (the "Commission") at the time the Bonds are sold, which interest to the respective maturities thereof shall be payable on each April 1 and October 1, beginning April 1, 2019, until payment of such principal sum.

Each Bond shall bear interest from the interest payment date next preceding the date on which it is authenticated, unless it is (a) authenticated upon an interest payment date, in which event it shall bear interest from such interest payment date or (b) authenticated prior to the first interest payment date, in which event it shall bear interest from its date; provided, however, that if at the time of authentication interest is in default, such Bond shall bear interest from the date to which interest has been paid.

The principal of and the interest on the Bonds shall be payable in any coin or currency of the United States of America which is legal tender for the payment of public and private debts on the respective dates of payment thereof.

The Bonds shall be issued by means of a book-entry system with no physical distribution of Bond certificates to be made except as hereinafter provided. One Bond certificate with respect to each date on which the Bonds are stated to mature, in the aggregate principal amount of the Bonds stated to mature on such date and registered in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"), shall be issued and required to be deposited with DTC and immobilized in its custody. The book-entry system will evidence ownership of the Bonds in the principal amount of \$5,000 or any whole multiple thereof, with transfers of ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC and its participants. The principal of each Bond shall be payable to Cede & Co. or any other person appearing on the registration books of the City hereinafter provided for as the registered owner of such Bond or her registered assigns or legal representative at such office of

the Bond Registrar (hereinafter defined) or such other place as the City may determine upon the presentation and surrender thereof as the same shall become due and payable. Payment of the interest on each Bond shall be made by the Bond Registrar on each interest payment date to the registered owner of such Bond (or the previous Bond or Bonds evidencing the same debt as that evidenced by such Bond) at the close of business on the record date for such interest, which shall be the 15th day (whether or not a business day) of the calendar month next preceding such interest payment date, by check mailed to such person at his or her address as it appears on such registration books; provided, however, that for so long as the Bonds are deposited with DTC, the payment of the principal of and interest on the Bonds shall be made to DTC in same-day funds by 2:30 p.m. or otherwise as determined by the rules and procedures established by DTC. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC, and transfer of principal and interest payments to beneficial owners of the Bonds by participants of DTC will be the responsibility of such participants and other nominees of such beneficial owners. The City shall not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing records maintained by DTC, its participants or persons acting through such participants.

In the event that (a) DTC determines not to continue to act as securities depository for the Bonds or (b) the Finance Director of the City determines that continuation of the book-entry system of evidence and transfer of ownership of the Bonds would adversely affect the interests of the beneficial owners of the Bonds, the City shall discontinue the book-entry system with DTC. If the City identifies another qualified securities depository to replace DTC, the City shall make arrangements with DTC and such other depository to effect such replacement and deliver replacement Bonds registered in the name of such other depository or its nominee in exchange for the outstanding Bonds, and the references to DTC or Cede & Co. in this resolution shall thereupon be deemed to mean such other depository or its nominee. If the City fails to identify another qualified securities depository to replace DTC, the City shall deliver replacement Bonds in the form of fully-registered certificates in denominations of \$5,000 or any whole multiple thereof ("Certificated Bonds") in exchange for the outstanding Bonds as required by DTC and others. Upon the request of DTC, the City may also deliver one or more Certificated Bonds to any participant of DTC in exchange for Bonds credited to its account with DTC.

Unless indicated otherwise, the provisions of this resolution that follow shall apply to all Bonds issued or issuable hereunder, whether initially or in replacement thereof.

Section 3. The Bonds shall bear the manual or facsimile signatures of the Mayor and the City Clerk or any deputy or assistant City Clerk of the City, and the official seal or a facsimile of the official seal of the City shall be impressed or imprinted, as the case may be, on the Bonds.

The certificate of the Commission to be endorsed on all Bonds shall bear the manual or facsimile signature of the Secretary or the Deputy Secretary of the Commission and the certificate of authentication of the Bond Registrar to be endorsed on all Bonds shall be executed as provided hereinafter.

In case any officer of the City or the Commission whose manual or facsimile signature shall appear on any Bonds shall cease to be such officer before the delivery of such Bonds, such manual or facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery, and any Bond may bear the manual or facsimile signatures of such persons as at the actual time of the execution of such Bond shall be the proper officers to sign such Bond although at the date of such Bond such persons may not have been such officers.

No Bond shall be valid or become obligatory for any purpose or be entitled to any benefit or security under this resolution until it shall have been authenticated by the execution by the Bond Registrar of the certificate of authentication endorsed thereon.

The Bonds to be registered in the name of Cede & Co. and the endorsements thereon shall be in substantially the following form:

UNLESS THIS BOND IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY TRUST COMPANY, A NEW YORK CORPORATION ("DTC"), TO THE CITY OF GREENSBORO, NORTH CAROLINA OR ITS AGENT FOR REGISTRATION OR TRANSFER, EXCHANGE, OR PAYMENT, AND ANY BOND ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR IN SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC (AND ANY PAYMENT IS MADE TO CEDE & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN.

- (c) any such modification does not materially impair the interests of the beneficial owners of the Bonds, as determined either by parties unaffiliated with the City (such as bond counsel), or by the approving vote of the registered owners of a majority in principal amount of the Bonds pursuant to the terms of this resolution, as this resolution may be amended from time to time, at the time of such amendment.

In the event that the City makes such a modification, the annual financial information containing the modified operating data or financial information shall explain, in narrative form, the reasons for the modification and the impact of the change in the type of operating data or financial information being provided.

(o) Simultaneously with the issuance of the Bonds, the City intends to issue its \$10,400,000 Taxable General Obligation Public Improvement Bonds, Series 2018A" (the "Series 2018A Bonds"). The Bonds and the Series 2018A Bonds shall be treated as a single issue for purposes of Section 159-65(a)(3) and (4) of the General Statutes of North Carolina, as amended.

Section 2. Pursuant to said orders, the City shall issue the Bonds in the aggregate principal amount not to exceed \$144,600,000, to be dated as of the date of delivery thereof and designated "General Obligation Public Improvement Bonds, Series 2018B." The Bonds shall be stated to mature annually on October 1 in the years and amounts determined by the Local Government Commission of North Carolina (the "Commission") and approved by the City; provided, however, that the aggregate principal amount of the Bonds shall not exceed \$144,600,000 and the final maturity of the Bonds shall not exceed October 1, 2038. The Bonds shall bear interest at a rate or rates to be determined by the Commission at the time the Bonds are sold, which interest to the respective maturities thereof shall be payable on each April 1 and October 1, beginning April 1, 2019, until payment of such principal sum. The final aggregate principal amount of the Bonds and the principal amount of each maturity of the Bonds shall be evidenced by a certificate of the Mayor, the City Manager or the Finance Director of the City executed and delivered on or before the date of issuance of the Bonds, and the final aggregate principal amount of the Bonds and the final principal amount of each maturity of the Bonds shall also be set forth in the Final Official Statement (hereinafter defined).

Notwithstanding the foregoing, the principal due on October 1 of each year as provided above may be made to come due on account of the maturity of Bonds on such date or pursuant to mandatory sinking fund redemption, all as provided in the Notice of Sale relating to the Bonds. Bonds to be retired on multiple dates on account of mandatory sinking fund redemptions and a final maturity are herein referred to as "Term Bonds." The Finance Director of the City may take all actions necessary, including modification of the form of Bonds set forth in Section 3 of this resolution and the redemption provisions set forth in Section 4 of this resolution, in order to conform any Bonds to the requirements for Term Bonds.

Each Bond shall bear interest from the interest payment date next preceding the date on which it is authenticated, unless it is (a) authenticated upon an interest payment date, in which event it shall bear interest from such interest payment date or (b) authenticated prior to the first interest payment date, in which event it shall bear interest from its date; provided, however, that if at the time of authentication interest is in default, such Bond shall bear interest from the date to which interest has been paid.

The principal of and the interest on the Bonds shall be payable in any coin or currency of the United States of America which is legal tender for the payment of public and private debts on the respective dates of payment thereof.

The Bonds shall be issued by means of a book-entry system with no physical distribution of Bond certificates to be made except as hereinafter provided. One Bond certificate with respect to each date on which the Bonds are stated to mature, in the aggregate principal amount of the Bonds stated to mature on such date and registered in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"), shall be issued and required to be deposited with DTC and immobilized in its custody. The book-entry system will evidence ownership of the Bonds in the principal amount of \$5,000 or any whole multiple thereof, with transfers of ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC and its participants. The principal of each Bond shall be payable to Cede & Co. or any other person appearing on the registration books of the City hereinafter provided for as the registered owner of such Bond or her registered assigns or legal representative at such office of the Bond Registrar (hereinafter defined) or such other place as the City may determine upon the presentation and surrender thereof as the same shall become due and payable. Payment of the interest on each Bond shall be made by the Bond Registrar on each interest payment date to the registered owner of such Bond (or the previous Bond or Bonds evidencing the same debt as that evidenced by such Bond) at the close of business on the record date for such interest, which shall be the 15th day (whether or not a business day) of the calendar month next preceding such interest payment date, by check mailed to such person at his or her address as it appears on such registration books; provided, however, that for so long as the Bonds are deposited with DTC, the payment of the principal of and interest on the Bonds shall be made to DTC in same-day funds by 2:30 p.m. or otherwise as determined by the rules and procedures established by DTC. Transfer of principal and interest payments to

participants of DTC will be the responsibility of DTC, and transfer of principal and interest payments to beneficial owners of the Bonds by participants of DTC will be the responsibility of such participants and other nominees of such beneficial owners. The City shall not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing records maintained by DTC, its participants or persons acting through such participants.

In the event that (a) DTC determines not to continue to act as securities depository for the Bonds or (b) the Finance Director of the City determines that continuation of the book-entry system of evidence and transfer of ownership of the Bonds would adversely affect the interests of the beneficial owners of the Bonds, the City shall discontinue the book-entry system with DTC. If the City identifies another qualified securities depository to replace DTC, the City shall make arrangements with DTC and such other depository to effect such replacement and deliver replacement Bonds registered in the name of such other depository or its nominee in exchange for the outstanding Bonds, and the references to DTC or Cede & Co. in this resolution shall thereupon be deemed to mean such other depository or its nominee. If the City fails to identify another qualified securities depository to replace DTC, the City shall deliver replacement Bonds in the form of fully-registered certificates in denominations of \$5,000 or any whole multiple thereof ("Certificated Bonds") in exchange for the outstanding Bonds as required by DTC and others. Upon the request of DTC, the City may also deliver one or more Certificated Bonds to any participant of DTC in exchange for Bonds credited to its account with DTC.

Unless indicated otherwise, the provisions of this resolution that follow shall apply to all Bonds issued or issuable hereunder, whether initially or in replacement thereof.

Section 3. The Bonds shall bear the manual or facsimile signatures of the Mayor and the City Clerk or any deputy or assistant City Clerk of the City, and the official seal or a facsimile of the official seal of the City shall be impressed or imprinted, as the case may be, on the Bonds.

The certificate of the Commission to be endorsed on all Bonds shall bear the manual or facsimile signature of the Secretary or the Deputy Secretary of the Commission and the certificate of authentication of the Bond Registrar to be endorsed on all Bonds shall be executed as provided hereinafter.

In case any officer of the City or the Commission whose manual or facsimile signature shall appear on any Bonds shall cease to be such officer before the delivery of such Bonds, such manual or facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery, and any Bond may bear the manual or facsimile signatures of such persons as at the actual time of the execution of such Bond shall be the proper officers to sign such Bond although at the date of such Bond such persons may not have been such officers.

No Bond shall be valid or become obligatory for any purpose or be entitled to any benefit or security under this resolution until it shall have been authenticated by the execution by the Bond Registrar of the certificate of authentication endorsed thereon.

The Bonds to be registered in the name of Cede & Co. and the endorsements thereon shall be in substantially the following form:

UNLESS THIS BOND IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY TRUST COMPANY, A NEW YORK CORPORATION ("DTC"), TO THE CITY OF GREENSBORO, NORTH CAROLINA OR ITS AGENT FOR REGISTRATION OR TRANSFER, EXCHANGE, OR PAYMENT, AND ANY BOND ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR IN SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC (AND ANY PAYMENT IS MADE TO CEDE & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN.

For the prompt payment hereof, both principal and interest as the same shall become due, the faith and credit of said City are hereby irrevocably pledged.

This bond is one of an issue of bonds designated "General Obligation Public Improvement Bonds, Series 2018B" (the "Bonds") and issued by said City for the purpose of providing funds, together with any other available funds, for street and sidewalk, parks and recreational facilities, natural science center, community and economic development and transportation improvements, and this bond is issued under and pursuant to The Local Government Bond Act, as amended, Article 7, as amended, of Chapter 159 of the General Statutes of North Carolina, orders adopted by the City Council of said City, which orders were approved by the vote of a majority of qualified voters who voted thereon at referenda duly called and held, and a resolution duly adopted by said City Council (the "Resolution").

The Bonds maturing on or prior to October 1, 20__ are not subject to redemption prior to maturity. The Bonds maturing on October 1, 20__ and thereafter will be subject to redemption prior to their maturity, at the option of said City, from any moneys that may be made available for such purpose, either in whole or in part on any date not earlier than October 1, 20__, at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus accrued interest thereon to the date fixed for redemption.

[If any Bonds are Term Bonds, the following paragraph(s) shall be applicable:

The Bonds maturing October 1, ____ shall be subject to mandatory redemption in part by lot on October 1 in the years and amounts set forth below at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus accrued interest thereon to the date fixed for redemption:

* Maturity

The Bonds maturing October 1, ____ shall be subject to mandatory redemption in part by lot on October 1 in the years and amounts set forth below at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus accrued interest thereon to the date fixed for redemption:

Year	Amount
------	--------

*Maturity]

If less than all of the Bonds of any one maturity shall be called for redemption, the particular Bonds or portions of Bonds of such maturity to be redeemed shall be selected by lot in such manner as said City in its discretion may determine; provided, however, that the portion of any Bond to be redeemed shall be in the principal amount of

\$5,000 or any whole multiple thereof and that, in selecting Bonds for redemption, each Bond shall be considered as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by \$5,000. So long as a book-entry system with The Depository Trust Company ("DTC"), is used for determining beneficial ownership of Bonds, if less than all of the Bonds within the maturity are to be redeemed, DTC and its participants shall determine which of the Bonds within a maturity are to be redeemed by lot. If less than all of the Bonds stated to mature on different dates shall be called for redemption, the particular Bonds or portions thereof to be redeemed shall be called in such manner as said City may determine.

Not more than sixty (60) nor less than thirty (30) days before the redemption date of any Bonds to be redeemed, whether such redemption be in whole or in part, said City shall cause a notice of such redemption to be filed with the Bond Registrar and to be mailed, postage prepaid, to the registered owner of each Bond to be redeemed in whole or in part to his or her address appearing upon the registration books of said City, provided that such notice to Cede & Co. shall be given by certified or registered mail or otherwise as prescribed by DTC. On the date fixed for redemption, notice having been given as aforesaid, the Bonds or portions thereof so called for redemption shall be due and payable at the redemption price provided for the redemption of such Bonds or portions thereof on such date and, if moneys for payment of such redemption price and the accrued interest are held by the Bond Registrar as provided in the Resolution, interest on the Bonds or the portions thereof so called for redemption shall cease to accrue. If a portion of this Bond shall be called for redemption, a new Bond or Bonds in principal amount equal to the unredeemed portion hereof will be issued to Cede & Co. or its legal representative upon the surrender hereof.

Any notice of redemption[, except a notice of redemption in respect of a mandatory sinking fund redemption,] may state that the redemption to be effected is conditioned upon the receipt by the Bond Registrar on or prior to the redemption date of moneys sufficient to pay the principal of and interest on the Bonds to be redeemed, and that if such moneys are not so received, such notice shall be of no force or effect and such Bond shall not be required to be redeemed. In the event that such notice contains such a condition and moneys sufficient to pay the redemption price and interest on such Bonds are not received by the Bond Registrar on or prior to the redemption date, the redemption shall not be made and the Bond Registrar shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received.

The Bonds are being issued by means of a book-entry system with no physical distribution of bond certificates to be made except as provided in the Resolution. One bond certificate with respect to each date on which the Bonds are stated to mature, in the aggregate principal amount of the Bonds stated to mature on such date and registered in the name of Cede & Co., as nominee of DTC, is being issued and required to be deposited with DTC and immobilized in its custody. The book-entry system will evidence ownership of the Bonds in the principal amount of \$5,000 or any whole multiple thereof, with transfers of ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC and its participants. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC, and transfer of principal and interest payments to beneficial owners of the Bonds by participants of DTC will be the responsibility of such participants and other nominees of such beneficial owners. Said City will not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

In certain events, said City will be authorized to deliver replacement Bonds in the form of fully-registered certificates in the denomination of \$5,000 or any whole multiple thereof in exchange for the outstanding Bonds as provided in the Resolution.

At the office of the Bond Registrar, in the manner and subject to the conditions provided in the Resolution, Bonds may be exchanged for an equal aggregate principal amount of Bonds of the same maturity, of authorized denominations and bearing interest at the same rate.

The Bond Registrar shall keep at his or her office the books of said City for the registration of transfer of Bonds. The transfer of this bond may be registered only upon such books and as otherwise provided in the Resolution upon the surrender hereof to the Bond Registrar together with an assignment duly executed by the registered owner hereof or his or her attorney or legal representative in such form as shall be satisfactory to the Bond Registrar. Upon any such registration of transfer, the Bond Registrar shall deliver in exchange for this bond a new Bond or Bonds, registered in the name of the transferee, of authorized denominations, in an aggregate principal amount equal to the unredeemed principal amount of this bond, of the same maturity and bearing interest at the same rate.

The Bond Registrar shall not be required to exchange or register the transfer of any Bond during a period beginning at the opening of business fifteen (15) days before the day of the mailing of a notice of redemption of Bonds or any portion thereof and ending at the close of business on the day of such mailing or of any Bond called for redemption

in whole or in part pursuant to the Resolution.

It is hereby certified and recited that all acts, conditions and things required by the Constitution and laws of North Carolina to happen, exist and be performed precedent to and in the issuance of this bond have happened, exist and have been performed in regular and due form and time as so required; that provision has been made for the levy and collection of a direct annual tax upon all taxable property within said City sufficient to pay the principal of and the interest on this bond as the same shall become due; and that the total indebtedness of said City, including this bond, does not exceed any constitutional or statutory limitation thereon.

This bond shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under the Resolution until this bond shall have been authenticated by the execution by the Bond Registrar of the certificate of authentication endorsed hereon.

IN WITNESS WHEREOF, the City of Greensboro, North Carolina, by resolution duly adopted by its City Council, has caused this bond to be manually signed by the Mayor and the City Clerk of said City and its official seal to be impressed hereon, all as of the ____ day of October, 2018.

The Bonds maturing on October 1, 2029 and thereafter will be subject to redemption prior to their maturity, at the option of the City, from any moneys that may be made available for such purpose, either in whole or in part on any date not earlier than October 1, 2028, at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus accrued interest thereon to the date fixed for redemption.

If the Finance Director of the City determines that all or a portion of the Bonds shall be Term Bonds, then such Term Bonds shall be subject to mandatory sinking fund redemption in the amount necessary to retire principal of the Bonds on each October 1 as set forth in Section 2 of this resolution at a redemption price equal 100% of the principal amount to be so redeemed, plus accrued interest to the date fixed for redemption. In the event that any of the Term Bonds are redeemed in part pursuant to the optional redemption provisions set forth in the immediately preceding paragraph, the mandatory redemption requirements for the remaining Term Bonds of the same maturity shall be reduced in an aggregate amount equal to the amount of Term Bonds of the same maturity so redeemed in the years and amounts designated by the Finance Director of the City to the Bond Registrar.

If less than all of the Bonds of any one maturity shall be called for redemption, the particular Bonds or portions of Bonds of such maturity to be redeemed shall be selected by lot in such manner as the City in its discretion may determine; provided, however, that the portion of any Bond to be redeemed shall be in the principal amount of \$5,000 or any whole multiple thereof and that, in selecting Bonds for redemption, each Bond shall be considered as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by \$5,000. So long as a book-entry system with DTC, is used for determining beneficial ownership of Bonds, if less than all of the Bonds within the maturity are to be redeemed, DTC and its participants shall determine which of the Bonds within a maturity are to be redeemed by lot. If less than all of the Bonds stated to mature on different dates shall be called for redemption, the particular Bonds or portions thereof to be redeemed shall be called in such manner as the City may determine.

Not more than sixty (60) nor less than thirty (30) days before the redemption date of any Bonds to be redeemed, whether such redemption be in whole or in part, the City shall cause a notice of such redemption to be filed with the Bond Registrar and to be mailed, postage prepaid, to the registered owner of each Bond to be redeemed in whole or in part to his or her address appearing upon the registration books of the City, provided that such notice to Cede & Co. shall be given by certified or registered mail or otherwise as prescribed by DTC. Failure to mail such notice or any defect therein shall not affect the validity of the redemption with regard to registered owners to whom such notice was properly given. Each such notice shall set forth the date designated for redemption, the redemption price to be paid and the maturities of the Bonds to be redeemed. In the event that Certificated Bonds are outstanding, each such notice to the registered owners thereof shall also set forth, if less than all of the Bonds of any maturity then outstanding shall be called for redemption, the distinctive numbers and letters, if any, of such Bonds to be redeemed and, in the case of any Bond to be redeemed in part only, the portion of the principal amount thereof to be redeemed. If any Bond is to be redeemed in part only, the notice of redemption shall state also that on or after the redemption date, upon surrender of such Bond, a new Bond or Bonds in principal amount equal to the unredeemed portion of such Bond will be issued.

Any notice of redemption, except a notice of redemption in respect of a mandatory sinking fund redemption, may state that the redemption to be effected is conditioned upon the receipt by the Bond Registrar on or prior to the redemption date of moneys sufficient to pay the principal of and interest on the Bonds to be redeemed, and that if such moneys are not so received, such notice shall be of no force or effect and such Bond shall not be required to be redeemed. In the event that such notice contains such a condition and moneys sufficient to pay the redemption price and interest on such Bonds are not received by the Bond Registrar on or prior to the redemption date, the redemption shall not be made and the Bond Registrar shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received.

On or before the date fixed for redemption, moneys shall be deposited with the Bond Registrar to pay the principal of the Bonds or portions thereof called for redemption, as well as the interest accruing thereon to such redemption date.

On the date fixed for redemption, notice having been given in the manner and under the conditions hereinabove provided, the Bonds or portions thereof called for redemption shall be due and payable at the redemption price provided therefor, plus accrued interest to such date. If moneys sufficient to pay the redemption price of the Bonds or portions thereof to be redeemed, plus accrued interest thereon to the date fixed for redemption, are held by the Bond Registrar in trust for the registered owners of Bonds or portions thereof to be redeemed, interest on the Bonds or portions thereof called for redemption shall cease to accrue, such Bonds or portions thereof shall cease to be entitled to any benefits or security under this resolution or to be deemed outstanding, and the registered owners of such Bonds or portions thereof shall have no rights in respect thereof except to receive payment of the redemption price thereof, plus accrued interest thereon to such redemption date.

If a portion of a Bond shall be selected for redemption, the registered owner thereof or his or her attorney or legal representative shall present and surrender such Bond to the Bond Registrar for payment of the principal amount thereof so called for redemption, and the Bond Registrar shall authenticate and deliver to or upon the order of such registered owner or his or her legal representative, without charge therefor, for the unredeemed portion of the principal amount of the Bond so surrendered, a Bond or Bonds of the same maturity, of any denomination or denominations authorized by this resolution and bearing interest at the same rate.

Section 5. Bonds, upon surrender thereof at the office of the Bond Registrar together with an assignment duly executed by the registered owner or his or her attorney or legal representative in such form as shall be satisfactory to the Bond Registrar, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of Bonds of the same maturity, of any denomination or denominations authorized by this resolution and bearing interest at the same rate.

The transfer of any Bond may be registered only upon the registration books of the City upon the surrender thereof to the Bond Registrar together with an assignment duly executed by the registered owner or his or her attorney or legal representative in such form as shall be satisfactory to the Bond Registrar. Upon any such registration of transfer, the Bond Registrar shall authenticate and deliver in exchange for such Bond a new Bond or Bonds, registered in the name of the transferee, of any denomination or denominations authorized by this resolution, in an aggregate principal amount equal to the unredeemed principal amount of such Bond so surrendered, of the same maturity and bearing interest at the same rate.

In all cases in which Bonds shall be exchanged or the transfer of Bonds shall be registered hereunder, the Bond Registrar shall authenticate and deliver at the earliest practicable time Bonds in accordance with the provisions of this resolution. All Bonds surrendered in any such exchange or registration of transfer shall forthwith be canceled by the Bond Registrar. The City or the Bond Registrar may make a charge for shipping and out-of-pocket costs for every such exchange or registration of transfer of Bonds sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or registration of transfer, but no other charge shall be made by the City or the Bond Registrar for exchanging or registering the transfer of Bonds under this resolution.

As to any Bond, the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal of any such Bond and the interest on any such Bond shall be made only to or upon the order of the registered owner thereof or his or her legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond, including the interest thereon, to the extent of the sum or sums so paid.

The Bond Registrar shall not be required to exchange or register the transfer of any Bond during a period beginning at the opening of business fifteen (15) days before the day of the mailing of a notice of redemption of Bonds or any portion thereof and ending at the close of business on the day of such mailing or of any Bond called for redemption in whole or in part pursuant to the Resolution.

The City shall appoint such registrars, transfer agents, depositaries or other agents as may be necessary for the registration, registration of transfer and exchange of Bonds within a reasonable time according to then current commercial standards and for the timely payment of principal of and interest on the Bonds. The Finance Director of the City, or any person at any time acting in such capacity, is hereby appointed the registrar, transfer agent and paying agent for the Bonds (collectively the "Bond Registrar"), subject to the right of the City Council to appoint another Bond Registrar, and as such shall keep at his or her office in the City, the books of the City for the registration, registration of transfer, exchange and payment of the Bonds as provided in this resolution.
