II. PUBLIC HEARING AGENDA

31. [ID 19-0490](#) Resolution Authorizing an Economic Development Incentive to Pactiv LLC in an Amount Not to Exceed \$167,739

Taking the prerogative of the Chair, Mayor Vaughan requested Council consider Item #31/ID 19-0490 prior to other public hearing items. It was the consensus of Council to hear Item #31 before other public hearing items.

Mayor Vaughan stated this was the time and place set for a public hearing to consider a Resolution Authorizing an Economic Development Incentive to Pactiv LLC in an Amount Not to Exceed \$167,739.

City Manager Parrish spoke to Pactiv's local presence in Greensboro; outlined a proposal for expansion of services; to investments; and recognized Greensboro Chamber of Commerce Brent Christensen.

Mr. Christensen spoke to the partnership opportunity; to a competitive process; and stated Pactiv representatives were in attendance to answer Council questions.

Councilmember Outling asked for clarification on the request; and to Greensboro investments as compared to other locations.

Brad Adams, Pactiv General Manager, provided the history of the company; and spoke to marketing in various locations.

Kathy Mussio, Atlas Insight LLC, spoke to a competitive process.

Discussion took place regarding environmental concerns; recycling packaging; timelines for moving forward; economic development incentives; state funding; infrastructure investments; onboarding of new employees; diversity statistics; and a timeline for project completion.

Mayor Vaughan spoke to Pactiv meeting benchmark goals; and to job creation.

Moved by Councilmember Abuzuaiter, seconded by Mayor Pro-Tem Johnson, to adopt the resolution. The motion carried on the following roll call vote:

208-19 RESOLUTION AUTHORIZING AN ECONOMIC DEVELOPMENT INCENTIVE TO PACTIV LLC IN AN AMOUNT NOT TO EXCEED \$167,739

WHEREAS, on May 17, 2005, the City Council adopted Economic Development Guidelines whereby the City may participate financially in the development of certain private improvements to promote economic development in accordance with the Guidelines and NCGS Section 158-7.1;

WHEREAS, Pactiv LLC (the Company) is considering Greensboro in addition to other cities located in the United States for the expansion of existing manufacturing operations at 520 Radar Road in Greensboro;

WHEREAS, the Company has requested that the City provide for a economic development incentive grant in the amount of \$167,739 for the creation of 25 new jobs and investment of at least \$13,000,000 in new machinery and equipment on or before December 31, 2020;

WHEREAS, but for the City's grant, the Company will not locate in Greensboro;

WHEREAS, the addition of 25 new jobs and investment in new machinery and equipment is expected to generate public benefit by increasing taxable property and employment in the City; and

WHEREAS, a public hearing was held on July 16, 2019, in accordance with N.C.G.S. 158-7.1 setting out the particulars of the request and the public benefits to be derived from said improvements;

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF GREENSBORO;

(1) That in accordance with the City's New Economic Development Incentive Guidelines, and pursuant to N.C.G.S. 158-7.1, a grant reimbursement and participatory agreement between the City of Greensboro and Pactiv LLC in the amount of \$167,739 for the creation of 25 new jobs (above its current level of 131 employees) with an average annual wage of \$48,200 and investment of at least \$13,000,000 at the Company's existing facility in Greensboro on or before December 31, 2020.

(2) The City Manager and City Clerk are hereby authorized to execute, on behalf of the City of Greensboro, the proper agreement.

(3) The grant shall be paid after investment has been made and all new jobs are created and confirmed with the City in three consecutive installments not to exceed \$55,913 per year and \$167,739 in total.

28. [ID 19-0496](#) Ordinance Amending the Greensboro Code of Ordinances Chapter 11 Housing Code to Add Good Repair for Non-Residential Buildings and Structures

Mayor Vaughan stated this was the time and place set for a public hearing to consider an Ordinance Amending the Greensboro Code of Ordinances Chapter 11 Housing Code to Add Good Repair for Non-Residential Buildings and Structures; stated the item had been postponed from the June 18th meeting of Council; and recognized Code Compliance Manager Troy Powell.

Mr. Powell made a PowerPoint Presentation (PPP); provided the history of the ordinance; outlined complaint initiations; spoke to civil penalties; implementation of violations; to employee positions; outlined opportunities for public input; spoke to an educational campaign; and voiced appreciation for support.

Councilmember Outling spoke to the complaint process; and voiced concerns with violation enforcement.

Councilmember Thurm spoke to the education for staff, citizens, and board and commission members.

Assistant City Manager Chris Wilson spoke to departmental training.

Discussion took place regarding inspector certification; professionalism; stakeholder input; and a complaint driven process.

Councilmember Hightower requested staff provide a timeline of repairs following an administrative hearing.

Discussion continued regarding the purpose of the ordinance; safety; requirements to repair; orders to demolish; review by the Minimum Housing Commission; state law regarding a two year rule; lien capabilities; stakeholder input; involvement of Piedmont Capital for financial assistance; and enforcement of exterior minor violations.

Councilmember Kennedy requested staff to develop a strategy for processing Minimum Housing Commission caseload.

Triad Real Estate and Building Industry Coalition (TREBIC) Board Chair, Sterling Kelly voiced appreciation for the continuance; spoke to stakeholder involvement; and to the need for on-going dialogue.

Judy Stalder echoed appreciation comments; spoke to additional protections that had been included; and to the need for safe and secure buildings.

Tonya Brady voiced appreciation for stakeholder input; and outlined changes that had been made from the ordinance.

Kathy Carpenter, Greensboro Realtors Association President, spoke to realtor participation; to an edited version; to a collaborative effort; and to the realtors mission.

Paula Pierce, Downtown Greensboro Incorporated (DGI) Board Chair, spoke to an Economic Development focus; organizational goals; attracting businesses; blighted properties; and to enhancement of commercial standards.

Luck Davidson, Triad Local First Board Chair, voiced support for the Good Repair Ordinance; spoke to boarded up store fronts; and to employment opportunities.

Jennifer Graf, a local business owner spoke to vacant buildings; stunted business growth; and highlighted a petition of downtown business owners.

Rebecca Krossner representing the Downtown Residents Association voiced support for the ordinance; concerns with boarded up buildings; and with safety.

Angie Gunn, a downtown resident, voiced support for the ordinance; and spoke to community.

Moved by Mayor Pro-Tem Johnson, seconded by Councilmember Hightower to close the public hearing. The

motion carried by voice vote.

Council discussed the history of the ordinance; non-residential buildings; blighted properties; financial assistance to business owners; stakeholder engagement; alignment with the residential ordinance; support for staff recommendations; identifying violations; requirements to cure major violations; inclusion of property owners in the stakeholder meetings; enforcement concerns; certificates of occupancy; options to amend the ordinance in the future; citizen protections; and violations following the property as with residential properties.

Assistant City Attorney Terri Jones explained state law requirements.

Councilmember Wells spoke to the continuance; to the need for repairs in east Greensboro; and the need for good repair.

Mayor Vaughan voiced appreciation to the staff; spoke to the stakeholder review of the ordinance; and to the need for safe and secure structures.

Councilmember Outling clarified previous comments; and voiced appreciation for stakeholder input.

(A copy of the PowerPoint Presentation is filed in Exhibit Drawer B, Exhibit No.16 which is hereby referred to and made a part of these minutes.)

Moved by Mayor Pro-Tem Johnson, seconded by Councilmember Kennedy, to adopt the ordinance. The motion carried on the following roll call vote:

19-093 AN ORDINANCE AMENDING THE GREENSBORO CODE OF ORDINANCES CHAPTER 11 HOUSING CODE.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GREENSBORO:

Section 1. That Chapter 11 of the Greensboro Code of Ordinances is hereby amended to add a Good Repair Ordinance to Article II Administration and Enforcement to read as follows:

ARTICLE II. – ADMINISTRATION AND ENFORCEMENT

DIVISION 2. - NON-RESIDENTIAL BUILDINGS OR STRUCTURES

Sec. 11-45. - Good repair.

(a) Authority. The City adopts this good repair ordinance relating to nonresidential buildings or structures that fail to meet minimum standards of maintenance, sanitation, and safety as established herein.

(1) The Director of the Department of Neighborhood Development is hereby designated as the public officer with the authority to exercise the powers prescribed by this section, in accordance with the procedures specified in this section.

(2) The Director may delegate said powers to any inspectors trained to inspect non-residential buildings under his or her direction or supervision.

(3) This section is applicable within the corporate limits of the city.

(4) Minimum standards. In order to address conditions that are dangerous and injurious to public health, safety,

and welfare and to identify circumstances under which a public necessity exists for the repair, closing or demolition of nonresidential buildings or structures, it is the purpose of this section to establish minimum standards of maintenance, sanitation, and safety for nonresidential buildings and structures located within the City limits. This ordinance should not be construed as to regulate the architectural design aesthetics of any building or structure. The City adopts the International Property Maintenance Code, as copyrighted by the International Code Council, Inc., as the minimum standards, except as amended by Sec. 11-57 of this chapter. [NCGS 160A-439(a)]

(b) Investigation.

(1) Whenever it appears to the public officer that any nonresidential building or structure has not been properly maintained so that the safety or health of its occupants or members of the general public or abutting buildings or structures are jeopardized for failure of the property to meet the minimum standards adopted by the City Council in subsection (a)(4), the public officer shall undertake a preliminary investigation.

(2) If entry upon the premises for purposes of investigation is necessary, such entry shall be made pursuant to a duly issued administrative search warrant in accordance with NCGS 15-27.2 or with the permission of the owner, the owner's agent, a tenant, or other person legally in possession of the premises. [NCGS 160A-439(b)]

(3) The public officer shall refer the results of the preliminary investigation to the building inspector for investigation and enforcement pursuant to Sec. 11-43 of this chapter (with notice to the fire inspector), if the preliminary investigation discloses evidence of any one of the following major conditions:

- i. Supporting walls or vertical studs which seriously list, lean, buckle, or are damaged or deteriorated to such an extent as to render the building unsafe.
- ii. Floors or roofs which have improperly distributed loads, which are overloaded, or which have insufficient strength to be reasonably safe for the purposes used.
- iii. Damage by fire, wind, floods, or other causes as to render the building unsafe.
- iv. Dilapidation, decay, unsanitary conditions, vermin or rat infestation, filth or contamination, or disrepair which is dangerous to the health, safety, or welfare of the occupants or other people in the city.
- v. Inadequate facilities for egress in case of fire or panic.
- vi. Defects significantly increasing the hazards of fire, accident, or other calamities.
- vii. Lack of adequate ventilation, electrical, plumbing, illumination, sanitary or heating facilities, or other essential equipment to such extent as to endanger the health, safety, or general welfare of the occupants or other residents of the city.

(c) Complaint and hearing. The public officer shall issue and cause to be served upon the owner of and parties in interest in the nonresidential building or structure a complaint if the preliminary investigation discloses evidence of more than five (5) separate types of violations of any of the standards set forth in the International Property Maintenance Code which are not being investigated by the building inspector pursuant to subsection (b)(3) of this section. The complaint shall state the charges and contain a notice that a hearing will be held before the public officer (or his or her designated agent) at a place within the city scheduled not less than 10 days nor more than 30 days after the serving of the complaint; and that the rules of evidence prevailing in courts of law and equity shall not be controlling in hearings before the public officer. [NCGS 160A-439(c)]

(d) Order. If, after notice and hearing, the public officer determines that the nonresidential building or structure has not been properly maintained so that the safety or health of its occupants or members of the general public is jeopardized for failure of the property to meet the minimum standards established in subsection (a), the public officer shall state in writing findings of fact in support of that determination and shall issue and cause to be served

upon the owner thereof an order. The order may require the owner to take remedial action, within a reasonable time specified, subject to the procedures and limitation in subsection (e). [NCGS 160A-439(d)]

(e) Limitations on orders.

(1) Vacant buildings or structures.

i. Maintenance standards set forth in the International Property Maintenance Code, as amended by Sec. 11-57 of this chapter, shall not apply to the interior of vacant nonresidential buildings or structures (or vacant portions thereof if required fire separation exists between the occupied and unoccupied portions of the building or structure) provided:

1. The building, structure, or portion thereof is not occupied;
2. There are no existing major violations as listed in Sec. 11-45(b)(3); and
3. The unoccupied building, structure, or portion thereof is properly secured to prevent unauthorized access.

ii. If the public officer orders a nonresidential building or structure vacated and closed pursuant to this chapter, the owner shall board and secure such building or structure in accordance with the guidelines provided by the public officer.

iii. Windows and doors which are boarded for longer than six (6) months shall be painted or covered to appear consistent with the remainder of the building exterior.

(2) An order may require the owner to repair, alter, or improve the nonresidential building or structure in order to bring it into compliance with the minimum standards established by the governing body or to vacate and close the nonresidential building or structure for any use.

(3) An order may require the owner to remove or demolish the nonresidential building or structure if the cost of the repair, alteration, or improvement of the building or structure would exceed sixty-five percent (65%) of its then current value. Notwithstanding any other provision of law, if the nonresidential building or structure is designated as a local historic landmark, listed in the National Register of Historic Places, or located in a locally designated historic district or in a historic district listed in the National Register of Historic Places and the Minimum Housing Standards Commission determines, after a public hearing as provided by this chapter, that the nonresidential building or structure is of individual significance or contributes to maintaining the character of the district, and the nonresidential building or structure has not been condemned as unsafe, the order may require that the nonresidential building or structure be vacated and closed until it is brought into compliance with the minimum standards established in subsection (a).

(4) An order may not require repairs, alternations, or improvements to be made to vacant manufacturing facilities or vacant industrial warehouse facilities to preserve the original use. The order may require such building or structure to be vacated and closed, but repairs may be required only when necessary to maintain structural integrity or to abate a health or safety hazard that cannot be remedied by ordering the building or structure closed for any use. [NCGS 160A-439(e)]

(f) Action by City upon failure to comply with order.

(1) If the owner fails to comply with an order to repair, alter, or improve or to vacate and close the nonresidential building or structure, the Minimum Housing Standards Commission may adopt an ordinance ordering the public officer to proceed to effectuate the purposes of this section with respect to the particular property or properties that the public officer found to be jeopardizing the health or safety of its occupants or members of the general public. The property or properties shall be described in the ordinance. The ordinance shall be recorded in the office of the register of deeds and shall be indexed in the name of the property owner or owners in the grantor index. Following adoption of an ordinance, the public officer may cause the building or structure to be repaired, altered, or improved

or to be vacated and closed. The public officer may cause to be posted on the main entrance of any nonresidential building or structure so closed a placard with the following words: "This building is unfit for any use; the use or occupation of this building for any purpose is prohibited and unlawful." Any person who occupies or knowingly allows the occupancy of a building or structure so posted shall be guilty of a Class 3 misdemeanor.

(2) If the owner fails to comply with an order to remove or demolish the nonresidential building or structure, the Minimum Housing Standards Commission may adopt an ordinance ordering the public officer to proceed to effectuate the purpose of this section with respect to the particular property or properties that the public officer found to be jeopardizing the health or safety of its occupants or members of the general public. No ordinance shall be adopted to require demolition of a nonresidential building or structure until the owner has first been given a reasonable opportunity to bring it into conformity with the minimum standards established by the governing body. The property or properties shall be described in the ordinance. The ordinance shall be recorded in the office of the register of deeds and shall be indexed in the name of the property owner or owners in the grantor index. Following adoption of an ordinance, the public officer may cause the building or structure to be removed or demolished. [NCGS 160A-439(f)]

(g) Action upon Abandonment of Intent to Repair. If the public officer has issued an order requiring the building or structure to be repaired or vacated and closed and the building or structure has been vacated and closed for a period of two years pursuant to the ordinance or order, the Minimum Housing Standards Commission may make findings that the owner has abandoned the intent and purpose to repair, alter, or improve the building or structure and the continuation of the building or structure in its vacated and closed status would be inimical to the health, safety, and welfare of the city in that it would continue to deteriorate, would create fire or safety hazard, would be a threat to children and vagrants, would attract persons intent on criminal activities, or would cause or contribute to blight and the deterioration of property values in the area. Upon such findings, the Commission may, after the expiration of the two-year period, enact an ordinance and serve such ordinance on the owner, setting forth the following:

(1) If the cost to repair the nonresidential building or structure to bring it into compliance with the minimum standards is less than or equal to sixty-five percent (65%) of its then current value, the ordinance shall require that the owner either repair or demolish and remove the building or structure within 90 days; or

(2) If the cost to repair the nonresidential building or structure to bring it into compliance with the minimum standards exceeds sixty-five percent (65%) of its then current value, the ordinance shall require the owner to demolish and remove the structure within 90 days.

(3) In the case of vacant manufacturing facilities or vacant industrial warehouse facilities, the building or structure must have been vacated and closed pursuant to an order or ordinance for a period of five years before the Commission may take action under this subsection.

(4) The ordinance shall be recorded in the Office of the Register of Deeds for Guilford County and shall be indexed in the name of the property owner in the grantor index.

(5) If the owner fails to comply with the ordinance, the public officer shall effectuate the purpose of the ordinance. [NCGS 160A-439(g)]

(h) Service of Complaints and Orders. Complaints or orders issued by a public officer pursuant to an ordinance adopted under this section shall be served upon persons either personally or by registered or certified mail so long as the means used are reasonably designed to achieve actual notice. When service is made by registered or certified mail, a copy of the complaint or order may also be sent by regular mail. Service shall be deemed sufficient if the registered or certified mail is refused, but the regular mail is not returned by the post office within 10 days after the mailing. If regular mail is used, a notice of the pending proceedings shall be posted in a conspicuous place on the premises affected. If the identities of any owners or the whereabouts of persons are unknown and cannot be ascertained by the public officer in the exercise of reasonable diligence, and the public officer makes an affidavit to that effect, the serving of the complaint or order upon the owners or other persons may be made by publication in a

newspaper having general circulation in the city at least once no later than the time that personal service would be required under this section. When service is made by publication, a notice of the pending proceedings shall be posted in a conspicuous place on the premises affected. [NCGS 160A-439(h)]

(i) Liens.

(1) The amount of the cost of repairs, alterations, or improvements, or vacating and closing, or removal or demolition by the public officer shall be a lien against the real property upon which the cost was incurred, which lien shall be filed, have the same priority, and be collected as the lien for special assessment provided in Article 10 of Chapter 160A of the General Statutes.

(2) If the nonresidential building or structure is removed or demolished by the public officer, he or she shall offer for sale the recoverable materials of the building or structure and any personal property, fixtures, or appurtenances found in or attached to the building or structure and shall credit the proceeds of the sale, if any, against the cost of the removal or demolition, and any balance remaining shall be deposited in the superior court by the public officer, shall be secured in a manner directed by the court, and shall be disbursed by the court to the persons found to be entitled thereto by final order or decree of the court. Nothing in this section shall be construed to impair or limit in any way the power of the governing body to define and declare nuisances and to cause their removal or abatement by summary proceedings or otherwise. [NCGS 160-439(i)]

(j) Ejectment. If any occupant fails to comply with an order to vacate a nonresidential building or structure, the public officer may file a civil action in the name of the city to remove the occupant. The action to vacate shall be in the nature of summary ejectment and shall be commenced by filing a complaint naming as parties defendant any person occupying the nonresidential building or structure. The clerk of superior court shall issue a summons requiring the defendant to appear before a magistrate at a certain time, date, and place not to exceed 10 days from the issuance of the summons to answer the complaint. The summons and complaint shall be served as provided in G.S. 42 29. The summons shall be returned according to its tenor, and if on its return it appears to have been duly served and if at the hearing the public officer produces a certified copy of an ordinance adopted by the governing body pursuant to subsection (f) of this section to vacate the occupied nonresidential building or structure, the magistrate shall enter judgment ordering that the premises be vacated and all persons be removed. The judgment ordering that the nonresidential building or structure be vacated shall be enforced in the same manner as the judgment for summary ejectment entered under G.S. 42 30. An appeal from any judgment entered under this subsection by the magistrate may be taken as provided in G.S. 7A 228, and the execution of the judgment may be stayed as provided in G.S. 7A 227. An action to remove an occupant of a nonresidential building or structure who is a tenant of the owner may not be in the nature of a summary ejectment proceeding pursuant to this subsection unless the occupant was served with notice, at least 30 days before the filing of the summary ejectment proceeding, that the governing body has ordered the public officer to proceed to exercise his duties under subsection (f) of this section to vacate and close or remove and demolish the nonresidential building or structure. [NCGS 160A-439(j)]

(k) Civil Penalty. The City may impose civil penalties against any person or entity that fails to comply with an order entered pursuant to this section. However, the imposition of civil penalties shall not limit the use of any other lawful remedies available to the City for the enforcement of any ordinances adopted pursuant to this section. [NCGS 160A-439(k)]

(l) Powers Supplemental. The powers conferred by this section are supplemental to the powers conferred by any other law. An ordinance adopted by the Minimum Housing Standards Commission may authorize the public officer to exercise any powers necessary or convenient to carry out and effectuate the purpose and provisions of this section, including the following powers in addition to others herein granted:

(1) To investigate nonresidential buildings and structures in the city to determine whether they have been properly maintained in compliance with the minimum standards so that the safety or health of the occupants or members of the general public are not jeopardized.

-
- (2) To administer oaths, affirmations, examine witnesses, and receive evidence.
- (3) To enter upon premises pursuant to subsection (b) of this section for the purpose of making examinations in a manner that will do the least possible inconvenience to the persons in possession.
- (4) To appoint and fix the duties of officers, agents, and employees necessary to carry out the purposes of the ordinances adopted by the Commission.
- (5) To delegate any of his or her functions and powers under the ordinance to other officers and agents, including any City inspector. [NCGS 160A-439(l)]
- (m) Appeals. Appeals may be taken from any decision or order of the public officer to the Minimum Housing Standards Commission. Any person aggrieved by a decision or order of the public officer shall have the remedies provided in G.S. 160A 446. [NCGS 160A-439(m)]
- (n) Funding. The City may make appropriations from its revenues necessary to carry out the purposes of this section and may accept and apply grants or donations to assist in carrying out the provisions of the ordinances adopted by the governing body. [NCGS 160A-439(n)]
- (o) No Effect on Just Compensation for Taking by Eminent Domain. – Nothing in this section shall be construed as preventing the owner or owners of any property from receiving just compensation for the taking of property by the power of eminent domain under the laws of this State, nor as permitting any property to be condemned or destroyed except in accordance with the police power of the State. [NCGS 160A-439(o)]
- (p) Definitions.
- (1) "Parties in interest" means all individuals, associations, and corporations who have interests of record in a nonresidential building or structure and any who are in possession thereof.
- (2) "Vacant industrial warehouse" means any building or structure designed for the storage of goods or equipment in connection with manufacturing processes, which has not been used for that purpose for at least one year and has not been converted to another use.
- (3) "Vacant manufacturing facility" means any building or structure previously used for the lawful production or manufacturing of goods, which has not been used for that purpose for at least one year and has not been converted to another use. [NCGS 160A-439(p)]

(b) The following amendments are made to Chapter 8 of the IPMC:

The following paragraph is added to the chapter:

"All structures currently in compliance with all existing codes shall not be subject to the provisions of this Code until such time as they are found to be in violation of existing codes or are remodeled, up-fitted or renovated.

(1) A structure currently in compliance with all existing North Carolina codes shall not be subject to the provisions of this City of Greensboro Code of Ordinances Section 11-45 until such time as (i) it is subject to a complaint and found to be in violation of the IPMC or other existing North Carolina codes, (ii) the use of structure is changed, or (iii) the structure is remodeled, up-fitted or renovated in a way that requires a building permit to be issued prior to work being completed.

(2) A structure will be evaluated in accordance with the North Carolina Building Code in effect at the time the structure was constructed or at the time of the most recent remodel, upfit, or renovation that required a building permit.

(3) In cases where the owner has transferred an obligation of the owner, as referenced in the IPMC, to the tenant by lease, compliance shall be the responsibility of the tenant. A notice of violation or order issued by the public officer shall be issued to the owner until such time as the owner provides a copy of the lease to the City, at which time the notice of violation or order shall be issued to the tenant. The owner shall be copied on all notices and orders which are issued to the tenant."

209-19 RESOLUTION AUTHORIZING ECONOMIC DEVELOPMENT APPROPRIATIONS TO NON-PROFIT ENTITIES FOR FISCAL YEAR 2019-2020

WHEREAS, in accordance with authorization under North Carolina State legislation, NCGS 158-7.1, the City of Greensboro is authorized to make appropriations for economic development purposes provided the City Council determines that the appropriations will increase the population, taxable property, agricultural industries, employment, industrial output, or business prospects of the City; and

WHEREAS, as part of the annual budget, the City Manager recommended the following appropriations:

- (a) \$400,000 to Piedmont Business Capital Loan Fund to provide loans to small and emerging business;
- (b) \$100,000 to Greensboro Area Chamber of Commerce for the Launch Lab Accelerator Program to launch businesses and assist them as they grow, expand and hire with an emphasis on minority entrepreneurs and to hire interns to work on special projects;
- (c) \$250,000 to East Greensboro Now for operations and expenses for the implementation of the Urban Economic Development Plan for East Greensboro and the continuation of the Façade Grant Improvement Program;
- (d) \$40,000 to the Greensboro Sports Commission to host the National Scholastic Athletics Foundation New Balance Nationals;
- (e) \$75,000 to ArtsGreensboro for operations and expenses for the 2019-20 North Carolina Folk Festival;
- (f) \$100,000 to the Guilford County Economic Development Alliance (GCEDA) for marketing and countywide economic development;
- (g) \$130,500 to the Greensboro Area Chamber of Commerce – Economic Development to support new industry recruitment, existing industry expansion and marketing and branding initiatives; and
- (h) \$20,000 to Action Greensboro to support paid industry internships and leadership development.

WHEREAS, public hearings were held on June 4, 2019 and July 16, 2019, to receive public comment regarding the proposed economic development appropriations;

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF GREENSBORO:

- (1) That in accordance with NCGS 158-7.1, the City Council finds that the foregoing economic development appropriations will increase the population, taxable property, agricultural industries, employment, industrial output, or business prospects of the City; and

(2) That the foregoing appropriations are hereby approved, and the City Manager and City Clerk are hereby authorized to execute, on behalf of the City of Greensboro, the proper Economic Development Grant Agreements for the entities listed above.
