PURPOSE:

Demetrios D. Dascalakis is requesting original zoning from County RS-30 (Residential Single Family) to City R-5 (Residential Single Family - 5) for 389 Fairystone Drive, generally described as east of Fairystone Drive and south of Bethany Trace.

As this request is associated with a voluntary annexation petition, the City Council will conduct a public hearing to consider and take action on this request at its February 22, 2020 meeting.

BACKGROUND:

Following a public hearing on January 22, 2020, the Zoning Commission voted 5-2 to recommend approval of this request. There was one speaker in favor and four in opposition. (See minutes of the September 16, 2019 Zoning Commission meeting). This request is associated with a voluntary annexation petition in order to

access City water and sewer for new residential development.

This original zoning request includes the following conditions:

1. Maximum building height shall be limited to 35 feet.
2. Minimum required open space shall be calculated at a rate of 456 square feet per dwelling unit.

BUDGET IMPACT:

This item will have no budget impact.

RECOMMENDATION / ACTION REQUESTED:

The Zoning Commission recommended approval of this request 4-2.

Planning recommends approval of the R-5 zoning request based on:

- Request is consistent with the **Growth at the Fringe** goal to promote sound, sustainable land use patterns that provide for the efficient provision of public services and facilities.
- Request is consistent with the **Housing and Neighborhoods** goal to meet the needs of present and future Greensboro citizens for a choice of decent, affordable housing in stable, livable neighborhoods that offer security, quality of life, and the necessary array of services and facilities.
