PURPOSE:

The Parks and Recreation Department requests an update to the Parks and Recreation Rules and Regulations in an effort to revise and provide clarity in interpretation, remove outdated and duplicative provisions that are addressed within other sections of the Code of Ordinances, and to streamline and organize overall format. City Council approval is required for all changes to these Rules.

BACKGROUND:

Originally adopted in 1967 by City Council and included in the Section 19-1 of the Greensboro Code of Ordinances, rules and regulations were established to govern the use of City of Greensboro Parks and Recreation areas and facilities. Since that time, the rules and regulations have been periodically reviewed and updated, most recently in 2008 and 2014, based on changes to other ordinances, laws, regulations, and new recreation issues or trends. In conjunction with the City’s Legal Department, the Parks and Recreation Department is proposing a revision to the current rules and regulations in effort to improve the layout and organization of the rules, provide clarification to various provisions, eliminate subjectivity in interpretation, and remove outdated and duplicative provisions that are addressed within other sections of the Code of Ordinances. Examples of proposed revisions include, but are not limited to: decriminalizing violations, removing hours of

operations of specific facilities, revising park photography procedures, clarifying fishing, lake, and shelter usage provisions, and addressing usage of scooters and motorized bikes.

At the September 9, 2020 Parks and Recreation Commission meeting, the Commission unanimously recommended approval of the revised Parks and Recreation Rules and Regulations. Minutes from the meeting can be accessed [here <https://www.greensboro-nc.gov/Home/ShowDocument?id=47938>](https://www.greensboro-nc.gov/Home/ShowDocument?id=47938).

BUDGET IMPACT:

No immediate budget impact is expected.

RECOMMENDATION / ACTION REQUESTED:

Park and Recreation Department and the Parks and Recreation Commission recommend and request that City Council approve the update of the Rules and Regulations for the Operations of the Municipal Parks and Recreation Areas of the City of Greensboro effective February 16, 2021.
