PURPOSE:

The Greensboro Coliseum has been awarded a \$23,750 Special Events and Culturally-Related Activities (SETRAC) grant from the Greensboro Convention and Visitors' Bureau for the purchase of an Omega Timing System for the Greensboro Aquatic Center.

BACKGROUND:

The GAC is scheduled to host the following major upcoming events:

- 2018 NCAA Division II Men's and Women's Swimming Championships
- 2018-2022 ACC Men's and Women's Swimming & Diving Championships

The purchase of this equipment will help ensure the best possible GAC competitive meet experience for participants, officials and spectators. These improvements are critical elements in marketing the facility as we continue to pursue the highest level of aquatic events, including international and national championships.

BUDGET IMPACT:

This requested action will not have adverse impact on the City of Greensboro's budget. Without the grant

funds, the Greensboro budget would be responsible for all expenses that this grant supplements. The grant will save the city \$23,750.
