BACKGROUND:

It can be used to haul equipment as well as injured or ill citizens in need of assistance during events. The vehicle is electric and is valued at \$25,000, which is outside of the police department's budget capabilities.

BUDGET IMPACT:

There will not be an impact to the operating budget for acceptance of this donation.

RECOMMENDATION / ACTION REQUESTED:

It is requested that City Council accept the emergency responder vehicle for use by the police department.
