PURPOSE:

The City of Greensboro is requesting original zoning from **County AG** (Agricultural) to **City R-5** (Residential Single Family) for the extension of East Cone Boulevard and Nealtown Road, generally described as south of Brame Road and south and west of White Elder Road. All property associated with this request is fully owned by the City of Greensboro and is to be used solely for the construction of this roadway extension. The requested R-5 zoning is the closest equivalent zoning to existing County zoning and nearby residential uses that is also in conformance with the City's Comprehensive Plan. These properties must be included in the City's jurisdiction in order to use voter approved 2008 City Transportation bonds.

As this request is associated with a voluntary annexation petition, the City Council will conduct a public hearing to consider and take action on this request at its **February 3, 2014** meeting.
