**BACKGROUND:**

At its September 4, 2012 meeting, City Council authorized the City Manager to enter into a contract with Republic Services, Inc. for municipal solid waste disposal services. The contract was to have an initial 3 year term with the option of two additional one-year extensions. In October of 2012, the City entered into a contract with Republic Services, Inc. to provide disposal services for municipal solid waste hauled from the City's Burnt Poplar Road transfer station to Republic's Uwharrie Environmental Landfill in Montgomery County, NC. In

FY 2014-15, the cost to dispose of about 202,000 tons of municipal solid waste from the City's transfer station was about \$4,600,000.

This contract extension is the first of two available one-year extensions. The one-year extension for municipal solid waste disposal services has the support of the City of Greensboro Solid Waste Commission. This item was referred to Council by the General Government and Infrastructure Committees.

**BUDGET IMPACT:**

The funds for this contract extension are available in the current approved operating budget in account # 551-4306-07.5429
