### PURPOSE:

City Council adopted a resolution closing a portion of a 10-foot wide unnamed alley from its intersection with West Smith Street northward a distance of approximately 196 feet with several conditions. Council is being asked to modify one of those conditions.

### BACKGROUND:

At the public hearing held August 20, 2013, City Council adopted Resolution 0237-13 which closed a portion of a portion of a 10-foot wide unnamed alley with several conditions. One of those conditions stated that the length of the alley was approximately 126 feet. According to site plans and surveys submitted after that, it became apparent that the dimension of the alley was actually longer.

Therefore, staff requests that the condition be revised to reflect that the alley is approximately 196 feet in length.

### BUDGET IMPACT:

There will be no impact on the current or future budgets.

**RECOMMENDATION / ACTION REQUESTED:**

Accordingly, it is recommended that on February 2, 2016, the City Council consider adoption of the resolution to amend and supersede Resolution 0237-13 closing a portion of a 10-foot wide unnamed alley from its intersection with West Smith Street northward a distance of approximately 196 feet.
