PURPOSE:

The Property Management Section of the Engineering & Inspections Department is in the process of acquiring right of way and easements for the Horse Pen Creek Road Widening Project. City Council approval is requested for the acquisition of this property.

BACKGROUND:

The Transportation Department has approved widening of Horse Pen Creek Road with construction beginning in 2016. The City Council authorized this roadway improvement project at a public meeting on March 15, 2011.

The widening of Horse Pen Creek Road will accommodate projected future traffic volumes caused by anticipated growth along the corridor and in northwest Greensboro. Congested conditions occur during peak

travel periods and the current traffic volume greatly exceeds the capacity of the existing roadway. The proposed project will relieve congestion on Battleground Avenue, improve safety throughout the corridor, and provide enhanced pedestrian and bicycle mobility. The roadway will be widened from two lanes to four lanes with curb and gutter, sidewalks, bicycle lanes, and a raised landscaped median.

The subject property is located at 3310 Horse Pen Creek Road, parcel #0080368. This property is owned by Noble Academy. The portion of property to be acquired was appraised by D. Lynn Cable, MAI and was valued at \$13,874. After review of the impact on the school due to the road widening, the owner agreed to accept \$16,234.75.

The property is zoned CD-PI, Commercial Use - Public and Institutional and is being used as a school. The required right-of-way acquisition is an area of 483 Sq. Ft. of Margin (.01 acre), 3 areas of Permanent Slope Easement totaling 3,490 Sq. Ft., (.08 acre), Permanent Drainage Easement of 854 Sq. Ft. (.02 acre), and Temporary Construction Easement of 5,555 Sq. Ft (.12 acre).

BUDGET IMPACT:

The improvement will be funded by 2008 Transportation Bond Funds. Funding in the amount of \$16,234.75 for this acquisition is budgeted in Account #471-4502-08.6012, Activity #A14074.

RECOMMENDATION / ACTION REQUESTED:

The Property Management Section of the Engineering & Inspections Department recommends approval of this acquisition.

COMMITTEE ACTION: This item was referred to Council by the Infrastructure Committee.
