PURPOSE:

Dennis and Catherine Torney have petitioned for annexation of their property located at 2732-ZZ Pleasant Ridge Road. The City Council is required to hold a public hearing on this petition before considering its approval.

BACKGROUND:

This property is within the Tier 3 Growth Area (+2025) on the Growth Strategy Map in the Comprehensive Plan.

The proposed use for this site is to be developed as single family.

City water will be available by connecting to the 8-inch line located in Highland Grove Drive or Brookstead Drive. In order for this site to be served with water the owner would be responsible for all costs associated with extending and connecting to the public line. City sanitary sewer service available by connecting to the 8-inch

line located in Highland Grove Drive or Brookstead Drive. In order for this site to be served with sanitary sewer the owner would be responsible for all costs associated with extending and connecting to the public line.

The City's Fire Department notes that this site is currently served by Summerfield Station #9 and upon annexation will be served by City Station #17 on Old Oak Ridge Road. Service to this location would improve upon annexation.

The Police Department can provide service with little difficulty.

Provision of other City services will involve a travel distance almost equal to that necessary to provide service to the previously-annexed property located to the west and south.

BUDGET IMPACT:

Initial service will be absorbed in the budget; future services will have an incremental effect on future budgets.

RECOMMENDATION / ACTION REQUESTED:

The Technical Review Committee (TRC) recommended this annexation to the Planning Board and to City Council. The Planning Board recommended this annexation at its April meeting on a vote of 8-0. Accordingly, it is recommended that on May 17, 2016, the City Council hold a public hearing to receive public comment and to consider adoption of an ordinance annexing the above-mentioned property into the City of Greensboro.

COMMITTEE ACTION: This item was referred to Council by the Infrastructure Committee.
