Order Authorizing an Extension of the Period During Which the City of Greensboro May Issue Bonds Pursuant to an Order Authorizing \$20,000,000 Natural Science Center Bonds

Department: Finance and Legal Council District: All

Public Hearing: Advertising Date/By:

Contact 1 and Phone: Richard Lusk, Finance Director 373-2077 Contact 2 and Phone: Tom Carruthers, City Attorney, 373-2320

**PURPOSE**: It is necessary to extend the bond issuance period from seven years to ten years for Natural Science Center General Obligation Bonds approved by voters on November 3, 2009, in order to allow the City to issue Bond Anticipation Notes (BANs) in FY16-17 and Bonds in 2018 to complete phase 2 and planned phase 3 capital projects. This action requires that City Council adopt the attached bond order authorizing the maximum time period for issuing bonds under an order adopted by the City Council on June 16, 2009, which took effect on November 3, 2009, to be extended from seven years to ten years after such date, that is, extended from November 3, 2016 to November 3, 2019.

**BACKGROUND:** The initial time period for the issuance of General Obligation Bonds is seven years from the date bonds are authorized by voters. The City Council may request that the NC Local Government Commission approve extension of the issue period from seven to ten years, in accordance with NCGS 159-64. The \$20,000,000 Natural Science Center bond order authorized in the 2009 General Obligation Bond Referendum was effective November 3, 2009 and expires November 3, 2016. Following approval of the bonds in 2009, bond issue plans were delayed due to various reasons, including a general economic downturn. To date, \$9,892,150 of those bonds have been issued, leaving a balance of \$10,107,850 to issue. Commission approval would extend the bond issue period through November 3, 2019, allowing the remaining bonds to be issued over the next two years as funding is needed to complete phases 2 and 3.

BUDGET IMPACT: No additional resource above the current 8.25 cent property tax allocation for debt

service is required to fund the debt service on these bonds.

**RECOMMENDATION / ACTION REQUESTED:** The Finance and Legal Departments recommend City Council approval of the attached bond order, authorizing the maximum time period for issuing bonds under an order adopted by the City Council on June 16, 2009, which took effect on November 3, 2009, to be extended from seven years to ten years after such date.
