PURPOSE:

William O. Ameen Jr. and Janet Ameen-Lee have petitioned for annexation of their property located at 1309 Guilford College Road. In order to consider the annexation covered by this petition, the City Council must set a public hearing at a future Council date.

BACKGROUND:

This property is within the Tier 1 Growth Area (2013-2019) on the Growth Strategy Map in the Comprehensive Plan. The proposed use for this site is single family residential.

City water will be available by connecting to the 12-inch line located along Guilford College Road and along Amberwood Drive to Hasselwood Drive. In order for this site to be served with water the owner would be responsible for all costs associated with extending and connecting to the public line. City sanitary sewer service will be available through connecting to an existing 8-inch sewer outfall approximately 1,100 feet to the east of the property. In order for this site to be served with sanitary sewer the owner would be responsible for

all costs associated with extending and connecting to the public line.

The City's Fire Department notes that this site is currently served by Pinecroft-Sedgefield Station #23 and upon annexation will be served by both Pinecroft-Sedgefield Station #23 and City Station #10 same station under a joint contract. As such, service levels s same and all response times can be achieved.

The Police Department estimates it can adequately serve this site with existing staffing levels and resources.

Provision of other City services will involve a travel distance almost equal to that necessary to provide service to the previously-annexed property located to the east, south and west.

BUDGET IMPACT:

Initial service will be absorbed in the budget; future services will have an incremental effect on future budgets.

RECOMMENDATION / ACTION REQUESTED:

The Technical Review Committee (TRC) recommended this annexation to the Planning Board and to City Council. The Planning Board recommended this annexation at its September 21, 2016 meeting on a vote of 7-0. Accordingly, it is recommended that on November 1, 2016, the City Council adopt a resolution calling a public hearing for November 15, 2016, on the annexation of the above-mentioned property to the City of Greensboro.
