### PURPOSE:

William O. Ameen Jr. and Janet Ameen-Lee have petitioned for annexation of their property located at 1309 Guilford College Road. The City Council is required to hold a public hearing on this petition before considering its approval.

### BACKGROUND:

This property is within the Tier 1 Growth Area (2013-2019) on the Growth Strategy Map in the Comprehensive Plan. The proposed use for this site is single family residential.

City water will be available by connecting to the 12-inch line located along Guilford College Road and along Amberwood Drive to Hasselwood Drive. In order for this site to be served with water the owner would be responsible for all costs associated with extending and connecting to the public line. City sanitary sewer service will be available through connecting to an existing 8-inch sewer outfall approximately 1,100 feet to the east of the property. In order for this site to be served with sanitary sewer the owner would be responsible for all costs associated with extending and connecting to the public line.

The City's Fire Department notes that this site is currently served by Pinecroft-Sedgefield Station #23 and upon

annexation will be served by both Pinecroft-Sedgefield Station #23 and City Station #10 same station under a joint contract. As such, service levels s same and all response times can be achieved.

The Police Department estimates it can adequately serve this site with existing staffing levels and resources.

Provision of other City services will involve a travel distance almost equal to that necessary to provide service to the previously-annexed property located to the east, south and west.

**BUDGET IMPACT:**

Initial service will be absorbed in the budget; future services will have an incremental effect on future budgets.

**RECOMMENDATION / ACTION REQUESTED:**

The Technical Review Committee (TRC) recommended this annexation to the Planning Board and to City Council. The Planning Board recommended this annexation at its September 21, 2016 meeting on a vote of 7-0. Accordingly, it is recommended that on November 15, 2016, the City Council hold a public hearing to receive public comment and to consider adoption of an ordinance annexing the above-mentioned property into the City of Greensboro.
