**PURPOSE:** In order to spend Parks and Recreation Bond funds, the City Council is required to adopt a capital project budget ordinance for the \$34,500,000 Parks and Recreation Bonds approved by voters in the November 8, 2016 General Obligation Bond referendum.

**BACKGROUND:** On November 4, 2008, voters approved the issuance of \$34,500,000 in General Obligation Parks and Recreation Bonds to buy, build, improve or otherwise equip City parks and recreation facilities.

**BUDGET IMPACT:** Adoption of the attached Parks and Recreation Bond Fund capital project budget ordinance in the amount of \$34,500,000 will establish appropriations for the life of the projects. Parks and Recreation projects are scheduled to be funded in phases over the next seven years, with a portion of the projects funded with bond anticipation notes issued in FY 16-17.

**RECOMMENDATION / ACTION REQUESTED:** The Finance Department requests City Council approval of the attached capital project budget ordinance establishing the Parks and Recreation Bond Fund budget in the amount of \$34,500,000.
