**PURPOSE:** To amend the FY 16-17 Employee Risk Retention Fund budget, in the amount of \$483,590, to provide sufficient appropriations for a workers' compensation claims payment.

**BACKGROUND:** In May 2017, the NC Industrial Commission approved a workers' compensation settlement in the amount of \$509,153, to be paid to a City of Greensboro employee regarding an October 2010 incident. The City will pay \$25,563 from existing appropriations to satisfy the \$600,000 self-retention amount for this claim with the balance of \$483,590 being reimbursed to the City by Safety National, our excess workers' compensation insurance provider. The claims payments total \$1,083,590.

**BUDGET IMPACT:** The City will be reimbursed \$483,590 from our excess workers' compensation insurance provider to fund this increase in appropriations.

**RECOMMENDATION / ACTION REQUESTED:** The Finance Department requests City Council approval of the attached budget ordinance amending the FY 16-17 Employee Risk Retention Fund budget in the amount of \$483,590.
