**PURPOSE:**

To amend Sec. 12-22 of the Greensboro Code of Ordinances to reduce the membership of the Human Relations Commission from 15 members to 9 members.

**BACKGROUND:**

Under NCGS 160A-492 and City Code Sec. 12-21 *et seq.*, the Greensboro City Council is enabled to establish a Human Relations Commission. The purpose of the Commission is to perform activities that encourage fair treatment and promote mutual understanding and respect among residents. Code Sec. 12-22 requires the Commission be composed of 15 members.

At the August 21, 2018 City Council meeting, City Council approved a motion to reduce the membership of the commission from 15 members to 9 members. This action requires an amendment to the Code of Ordinance Sec. 12-22. The reduction will be achieved through attrition.

The City Council's oversight of the Commission will continue in accordance with Council's March 14, 2016 Resolution concerning the re-organization and appointment procedures for the City's boards and commissions.

**BUDGET IMPACT:**

None.

**RECOMMENDATION / ACTION REQUESTED:**

It is recommended that City Council amend Sec. 12-22 of the Greensboro Code of Ordinances to reduce the membership of the Human Relations Commission from 15 members to 9 members.
