PURPOSE:

Kimley-Horn and Associates, Inc. was selected to provide design services for the Elm Street and Bellemeade Street Streetscape Design Project for the amount of \$1,138,240.00. A resolution needs to be approved to authorize the contract.

BACKGROUND:

The City of Greensboro desires to design construction plans for Elm Street between Washington Street and Bellemeade Street and for Bellemeade Street between Elm Street and Greene Street and between Eugene Street and Edgeworth Street. The design is to include: roadway and hydraulic engineering, landscape architecture, traffic engineering, and traffic signal analysis. Also, included is the design for installing a new 12" DI water main.

The Transportation Department's eight on-call professional services firms were considered for this project. Prime consideration was given to their past experience and performance with projects involving streetscape

work, sidewalks, roadway configuration, traffic analysis, landscaping, utility design, and public participation. As a result of the analysis by the Transportation and Engineering & Inspections Departments, Kimley-Horn and Associates, Inc. was selected for the project. Also, due to Kimley-Horn and Associates being involved with other designs within this vicinity, using them should expedite the design.

Kimley-Horn and Associates is committed to MWBE utilization:

MBE 26.1% J. C. Waller & Associates, Inc., and Davenport World, Inc.

WBE 1.7% Kennerly Engineering & Design, Inc.

BUDGET IMPACT:

The total for this project is estimated at \$1,138,240.00. Funding for this project will be as follows:

\$1,018,240 2016 Community & Econ Dev Bond Fund 484-2201-04.5410

\$120,000 Water Resources Cap Imp Fund 503-7028-01.5410

\$1,138,240

Budget adjustments will be required to move funds into the appropriate accounts.

RECOMMENDATION / ACTION REQUESTED:

The Transportation and Engineering & Inspections Departments recommend that City Council approve the attached resolution authorizing contract 2019-040 for the Elm Street and Bellemeade Street Streetscapes Design Project with Kimley-Horn and Associates, Inc.
