Public Hearing: No

Advertising Date/By: N/A

Contact 1 and Phone: Sue Schwartz, 373-2149

Contact 2 and Phone: Steve Galanti, 373-2918

PURPOSE:

Triad Real Estate Exploration, LLC has petitioned for annexation of their property located at 5594-5598 Garden Village Way. The portion of common elements containing Garden Village Way is located between the site and Greensboro's current city limits and is annexed as part of the request. In order to consider the annexation covered by this petition, the City Council must set a public hearing.

BACKGROUND:

This contiguous annexation is within the Tier 1 Growth Area (2013-2019) on the Growth Strategy Map in the Comprehensive Plan.

City water will be available by connecting to the 6-inch line located in Garden Village Way. In order for this

site to be served with water the owner would be responsible for all costs associated with extending and connecting to the public line

City sewer will be available by connecting to the existing 8-inch line located in Garden Village Way. The sewer line ends near the property line shared by 5594 and 5598 Garden Village Way. If 5598 Garden Village Way is subdivided, the sewer line may need to be extended to the end of 5598 Garden Village Way. In order for this site to be served with sewer the owner would be responsible for all costs associated with extending and connecting to the public line

The City's Fire Department notes that this site is currently served by Greensboro Station #18 on Ballinger Road (southeast of the request). Upon annexation, the property will continue to be served by Greensboro Station #18. The response time will remain the same and stay within Greensboro Fire Department's standard of coverage.

The Police Department can provide service to the site with little difficulty. The Police Department can provide response service to the property under consideration as comparable to existing service as of the date of annexation. Additional resources may be required as development on the subject property and/or additional annexation in the general area occurs.

Provision of other City services will involve a travel distance almost equal to that necessary to provide service to the previously-annexed property located to the south and east.

BUDGET IMPACT:

Initial service will be absorbed in the budget; future services will have an incremental effect on future budgets.

RECOMMENDATION / ACTION REQUESTED:

The Technical Review Committee (TRC) recommended this annexation to the Planning Board and to City Council. The Planning Board recommended this annexation at its November meeting on a vote of 8-0.

Accordingly, it is recommended that on December 17, 2019, the City Council adopt a resolution calling a public hearing for January 21, 2020, on the annexation of the above-mentioned property to the City of Greensboro.
