BACKGROUND:

Following a public hearing on February 17, 2020, the Zoning Commission voted 6-1-1 to recommend approval of this request. There were four speakers in favor and eight in opposition. (See minutes of the February 17, 2020 Zoning Commission meeting). This request is associated with a voluntary annexation petition in order to access City water and sewer for new multifamily residential development

2. **A minimum six foot tall (where permitted) opaque fence shall be installed along all interior (side and rear) property lines during construction of any principal structure**

RECOMMENDATION / ACTION REQUESTED:

The Zoning Commission recommended **approval** of this request 6-1-1.

Planning recommends **approval** of the CD-RM-18 zoning request based on:

- Request is consistent with the **Growth at the Fringe** goal to promote sound, sustainable land use patterns that provide for the efficient provision of public services and facilities.
- Request is consistent with the **Housing and Neighborhoods** goal to meet the needs of present and future Greensboro citizens for a choice of decent, affordable housing in stable, livable neighborhoods that offer security, quality of life, and the necessary array of services and facilities.
