PURPOSE:

City Council approval is requested for change order #2 to Contract 2018-0510 for the Davie Street Streetscape Design. This change order for \$48,688.00 is to provide design changes that were not included in the original contract.

BACKGROUND:

This change order is necessary to provide additional professional design services to the existing design contract for the Davie Street Streetscape Design. As the design progressed, revisions were needed to adjust the curb line and proposed islands to switch bike lane locations on Market Street and to add bike lanes on Friendly Avenue.

Additional design costs are also included to revise the pavement marking plans to accommodate these changes,

as well as revising and updating other design sheets to accommodate these changes.

For the original contract amount, Kimley-Horn and Associates, Inc. committed to a 15.30% WBE participation. Including this change order, Kimley-Horn and Associates, Inc. will increase their overall WBE participation to 17.84%. No goals were established for the original contact.

BUDGET IMPACT:

Funds for this change order will come from the Transportation Department's Downtown Streetscape Improvement account 484-2201-04.5410 in the amount of \$48,688.00. A budget adjustment is needed to use this account.
