PURPOSE:

The City seeks to acquire a Proposed Margin Tract of 28 square feet, a Proposed Trail Easement (PTE) of 874 square feet, and a Proposed Temporary Construction Easement (TCE) of 696 square feet at 1100 Vance Street, designated as Parcel No. 0003240 and a Proposed Margin Tract of 513 square feet, a Proposed Trail Easement (PTE) of 2,779 square feet and a Proposed Temporary Construction Easement (TCE) of 3,203 square feet at 1111 Arlington Street, designated as Parcel No. 0227819 of the property owned by Insect Shield Property Management, LLC located in the Morehead/ Gilmer Township for the Vance-Arlington Connector Sidewalk Project. The Property Management Section of the Engineering and Inspections Department (PM) requests Council to authorize the initiation of condemnation proceedings because it has been unable to negotiate a purchase price with the property owner.

BACKGROUND:

PM attempted to negotiate a purchase within the total appraised value of \$6,050.00 for the property. An independent appraiser, D. Lynn Cable, Certified General Real Estate Appraiser, License No. A4361, calculated

and submitted the value of the property for the City. The appraiser used generally accepted appraisal methods and calculated the value based upon the nature of the taking and the square footage taken. PM sent an initial written Offer to Purchase to the property owner on June 22, 2020. PM made several attempts to purchase the property within the appraised amount, but its efforts were not successful. Therefore, PM recommends that the City Council adopt a resolution authorizing the City Attorney to institute proceedings to condemn the required property. Following City Council's approval, the Legal Department will send a letter to the owner giving them at least thirty (30) days' notice of the City's intent to file an eminent domain lawsuit. After the lawsuit is filed and discovery is completed, a mediation or Commissioner's Hearing, or both, are held to try to resolve the matter with the property owner before trial. Additionally, the parties are free to continue negotiations through the date of trial.

The Vance-Arlington Connector Project is needed for a new multi-use trail that will serve as a connector from Vance Street to the Downtown Greenway at Bragg Street; installing sidewalk along Arlington Street. The acquisitions necessary for this property are a Proposed Margin Tract of 28 square feet, a Proposed Trail Easement (PTE) of 874 square feet, and a Proposed Temporary Construction (TCE) Easement of 696 square feet, located at 1100 Vance Street and also a Proposed Margin Tract of 513 square feet, a Proposed Trail Easement (PTE) of 2,779 square feet and a Proposed Temporary Construction Easement (TCE) of 3,203 square feet at 1111 Arlington Street.

The anticipated date for start of construction is September 2021 and completion end date is September 2023. The property is zoned LI (Light Industrial).

City staff further recommends that the City Council authorize payment of the estimated amount of the value of the property to the Clerk of Superior Court for disbursement to the owner. This will allow the City to take possession, which is required before work for this Project can commence on the property.

BUDGET IMPACT:

The funding for this eminent domain action is budgeted in Account Number 471-4502-15.6012 Activity #A 11171. A minimum of \$6,050.00 will be expended to acquire this property, in addition to any litigation costs and/or settlement agreements.

RECOMMENDATION / ACTION REQUESTED:

City Council approval of a resolution authorizing the City Attorney to institute proceedings to condemn a portion of the property of Insect Shield Property Management, LLC in connection with the Vance-Arlington Connector Project.
