Contact 2 and Phone: Kristine Williams, 373-2556

### **PURPOSE:**

The City of Greensboro Water Resources Department is ready to award the design contract for the Mitchell WTP - Major Electrical Project. This project will require an increase of appropriation in the Water Resources Capital Project Bond Fund - Series 2014. This project is part of the overall Water Resources Capital Improvement Plan that has been previously discussed during the Water Resources budget briefing. Council approval is needed for a budget amendment to permit the additional appropriation of bond funds.

### **BACKGROUND:**

The proposed budget amendment will enable the City to appropriate additional revenue bond funding in the Water Resources Capital Project Bond Fund - Series 2014 in the amount of \$1,170,000 to fund the design of the Mitchell WTP - Major Electrical Project and this project would increase the total fund budget to \$58,310,000, including \$500,000 in bond premiums. Additional notes are planned to be issued for cash flow purposes, as needed. The notes would be converted to permanent bond financing in 2016.

### **BUDGET IMPACT:**

This amendment will increase the Water Resources Bond Fund - Series 2014 Budget by \$1,170,000. This funding will be made available from a portion of the bond anticipation notes issued in 2014 and a portion of the bond anticipation notes to be issued in the first quarter of 2016.

### **RECOMMENDATION / ACTION REQUESTED:**

It is requested and recommended that City Council adopt the attached ordinance to amend the Water Resources Capital Project Bond Fund - Series 2014 budget to establish additional funding for the Mitchell WTP - Major Electrical Project.

**COMMITTEE ACTION:** This item was referred to Council by the General Government and Infrastructure Committees.
