PURPOSE:

The Community Sustainability Council will provide an update on accomplishments from 2016 and upcoming activities for 2017.

BACKGROUND:

Created in 2008, the Community Sustainability Council was created as an advisory group to City Council. Its mission is to work towards the reduction off energy usage and carbon dioxide emissions. Council requested an annual update on the Sustainability Council's activities. A summary of activities is attached.

BUDGET IMPACT:

None.

RECOMMENDATION / ACTION REQUESTED:

Receive report.
