Dedication of drainageway and open space areas is a requirement of the City's subdivision regulations in the Land Development Ordinance. Pursuant to North Carolina General Statutes Section 160A-374, the approval of a plat does not constitute acceptance of a dedication. The City Council may accept the dedication by adopting a resolution at which time control of the parcel will transfer to the City. All dedications of drainageway and open space are evaluated by a multi-departmental team of City staff and then presented to the City's Parks and Recreation Commission. The Parks and Recreation Commission approved the recommendation to accept the dedicated drainageway and open space properties at its meeting on November 8, 2017. If accepted by City Council, these parcels will continue to be used as open space.

#### **BUDGET IMPACT:**

Funding in the amount of \$208.00 for the Guilford County Register of Deeds recording fees are budgeted in the Parks and Recreation Department Account #101-5029-01.5288. Funding for the minimal maintenance of the drainage way and open space area is currently budgeted in the Field Operations Right-of Way maintenance budget.

#### **RECOMMENDATION / ACTION REQUESTED:**

The Parks and Recreation Department and the Parks and Recreation Commission recommend that City Council adopt the resolution to formally accept the dedication of the drainageway and open space parcels known as Parcel #0058508, Parcel # 0058137, Parcel #0058507, Parcel #0059658, Parcel #0059659, Parcel #0058627 from Key Homes, Inc., Parcel #0043233 from Redwolf Development Company, and Parcel #0041466 from Streamside Homeowner Association, Inc.
