Resolution Calling a Public Hearing for May 21, 2019 on the Annexation of Territory into the Corporate Limits for the Property at 5308 Winterset Drive - 1.13-Acres (James and Barbra Pugh)

Department: Planning
Council District: Nearest to District #1

Public Hearing: No
Advertising Date/By: N/A

Contact 1 and Phone: Sue Schwartz at 373-2149
Contact 2 and Phone: Steve Galanti at 373-2918

PURPOSE:

James and Barbra Pugh have petitioned for annexation of their property located at 5308 Winterset Drive. In order to consider the annexation covered by this petition, the City Council must set a public hearing.

BACKGROUND:

This property is within the Tier 1 Growth Area (2013-2019) on the Growth Strategy Map in the Comprehensive Plan. This site current contains and will continue to contain one single family dwelling.

City water will be available by connecting to the 12-inch water line within located approximately 560 feet to the east in Millstream Road. In order for this site to be served with water, the owner would be responsible for all costs associated with extending and connecting to the public line.

City sanitary sewer service will be available by connecting to the 8-inch sewer line with Winterset Drive. In order for this site to be served with sanitary sewer, the owner would be responsible for all costs associated with extending and connecting to the public line.

The City's Fire Department notes that this site is currently served and upon annexation will continue to be served by City Station #57 and McCleansville Station #37. However, it should be noted that this isn't a hydranted location. This would result in needing a special response, requiring GFD to request additional units from the county, which would result in longer response times, which would affect our Standard of Cover and our Effective Response Force. One thing to note is that Guilford County Emergency Services Station #50 (6498 Franz Warner Pkwy) is a reasonable distance from this location, and if the annexation occurs, it would be beneficial if GFD could purchase and/or house an additional unit in this location.

The Police Department estimates that they can provide service with little difficulty.

Provision of other City services will involve a travel distance almost equal to that necessary to provide service to the previously annexed property located to the north.

BUDGET IMPACT:

Initial service will be absorbed in the budget; future services will have an incremental effect on future budgets.

RECOMMENDATION / ACTION REQUESTED:

The Technical Review Committee (TRC) recommended this annexation to the Planning Board and to City Council. The Planning Board recommended this annexation at its March meeting on a vote of 8-0.

Accordingly, it is recommended that on April 16, 2019, the City Council adopt a resolution calling a public hearing for May 21, 2019, on the annexation of the above-mentioned property to the City of Greensboro.
