RECOMMENDATION / ACTION REQUESTED:

The Zoning Commission **approved** this request 6-2.

Planning recommends **approval** of the CD-C-M zoning request based on:

- Request is consistent with the **Reinvestment/Infill** goal to promote sound investment in Greensboro's

urban areas, including Center City, commercial and industrial areas, and neighborhoods.

- Request is consistent with the **Economic Development** goal to promote a healthy, diversified economy with a strong tax base and opportunities for employment, entrepreneurship and for-profit and non-profit economic development for all segments of the community, including under-served areas such as East Greensboro.
