### **PURPOSE:**

To consider a budget ordinance amendment to the Parking Facilities Bond Fund in the amount of \$3,085,000 to appropriate funds for the Eugene Street Parking Garage project.

### **BACKGROUND:**

On August 20, 2019 the City Council authorized the sale of limited obligation bonds to fund the Eugene Street Parking Garage project. On October 11, 2019, the City sold \$29,685,000 taxable limited obligation bonds, series 2019, to fund construction costs, capitalized interest during construction and bond issue expenses. The bonds were issued with a 25-year term and an average net interest cost of 3.28%, maturing November 1, 2044.

### **BUDGET IMPACT:**

The City has received bond proceeds of \$29,685,000 and \$2,300,000 from the sale of land to fund estimated project costs of \$31,985,000. At this time, a budget amendment of \$3,085,000 is required to increase the project budget for the Eugene Street Parking Garage to \$31,985,000 and to fully account for the bond issue transaction.

### **RECOMMENDATION / ACTION REQUESTED:**

The Transportation and Finance Departments recommend that City Council approve the attached budget ordinance amending the Parking Facilities Bond Fund in the amount of \$3,085,000.
