PURPOSE:

To give the approval of the fiber optic encroachment agreement between the City of Greensboro and the University of North Carolina at Greensboro.

BACKGROUND:

The University of North Carolina at Greensboro approached the City in order to request an encroachment of fiber optic to serve their employees at 101 Elm Street. This extension of network will allow connectivity to their existing fiber optic network. In order to connect the building it is necessary to make two street crossings by directional boring under the street.

Information Technology and Engineering & Inspections have approved this placement of fiber optic connectivity.

BUDGET IMPACT:

There is no budget impact.

RECOMMENDATION / ACTION REQUESTED:

It is recommended that City Council grant the encroachment agreement between the University of North Carolina at Greensboro and the City of Greensboro.
