PURPOSE:

Calvary Christian Center Inc, Signature 31 LLC, and Marlene Cato have petitioned for annexation of their property located at 351, 359 and a Portion of 367 Air Harbor Road. In order to consider the annexation covered by this petition, the City Council must set a public hearing.

BACKGROUND:

This contiguous annexation is within the Tier 1 Growth Area (2013-2019) on the Growth Strategy Map in the Comprehensive Plan.

City water will be available by connecting to the 12-inch line located approximately 1,000 feet to the west of the property along Air Harbor Road. In order for this site to be served with water the owner would be responsible for all costs associated with extending and connecting to the public line. City sewer will be available by connecting to the 8-inch outfall located south of 367 Air Harbor Road. The applicant has been advised that an extension to the public line may be needed to service upstream lots. In order for this site to be served with sanitary sewer the owner would be responsible for all costs associated with extending and connecting to the public line.

The City's Fire Department notes that this site is currently served by County Station #58 on Spencer Dixon Road (north) and upon annexation will be served by City Station #43 on Lake Jeanette Road (south). The response time will improve.

The Police Department can provide comparable response service to the property under consideration as of the date of annexation. Additional resources may be required as development on the subject property and/or additional annexation in the general area occurs.

Provision of other City services will involve a travel distance almost equal to that necessary to provide service to the previously-annexed property located to the east, south and west.

BUDGET IMPACT:

Initial service will be absorbed in the budget; future services will have an incremental effect on future budgets.

RECOMMENDATION / ACTION REQUESTED:

The Technical Review Committee (TRC) recommended this annexation to the Planning Board and to City Council. The Planning Board recommended this annexation at its June meeting on a vote of 8-0.

Accordingly, it is recommended that on July 17, 2020, the City Council adopt a resolution calling a public hearing for August 18, 2020, on the annexation of the above-mentioned property to the City of Greensboro.
