**PURPOSE:**

To approve the City of Greensboro's participation in the Technology and Data Institute and its Board of Directors

**BACKGROUND:**

The newly formed Technology and Data Institute operates as a non-profit, public service institute that leverages UNCG's collaborative partnerships and cyberinfrastructure to build, manage, maintain, drive and collectively grow shared regional technology and data architecture that connects educational institutions, municipalities, community organizations, industry partners and people in our twelve county Piedmont Triad region.

**BUDGET IMPACT:** N/A

**RECOMMENDATION / ACTION REQUESTED:**

That the City Manager is authorized to appoint membership to and fully participate in the Technology and Data Institute and its Board of Directors.
