PURPOSE:

Thressa G. Hamlett Family Irrevocable Trust has petitioned for annexation of their property located at 257 Willowlake Road. In order to consider the annexation covered by this petition, the City Council must set a public hearing.

BACKGROUND:

This noncontiguous annexation is within the boundary of Growth Tier 1 on the Anticipated Growth Maps in the Comprehensive Plan.

City water is available by extending and connecting to the existing 12-inch line located approximately 734 feet to the south of the property within Willowlake Road. In order for this site to be served with water the owner would be responsible for all costs associated with extending and connecting to the public line. City Sewer is available by extending and connecting to the 8-inch line located approximately 543 feet to the south of the property within Willowlake Road. In order for this site to be served with sanitary sewer the owner would be responsible for all costs associated with extending and connecting to the public line.

The City's Fire Department notes that this site is currently served by McLeansville Fire Station #47 on Frieden Church Road (northeast of the request). Upon annexation, City Station #63 on Burlington Road (southwest of the request) will serve the property. Service to this location will improve if annexed.

The Police Department can provide service to the site with no effect. The Police Department can provide response service to the property under consideration as comparable to existing service as of the date of annexation. Additional resources may be required as development on the subject property and/or additional annexation in the general area occurs.

Provision of other City services will involve a travel distance almost equal to that necessary to provide service to the previously-annexed property located to the east and south.

BUDGET IMPACT:

Initial service will be absorbed in the budget; future services will have an incremental effect on future budgets.

RECOMMENDATION / ACTION REQUESTED:

The Technical Review Committee (TRC) recommended this annexation to the Zoning Commission and to City Council. The Zoning Commission will consider this annexation at their February meeting.

Accordingly, it is recommended that City Council adopt a resolution calling a public hearing for March 16, 2021, on the annexation of the above-mentioned property to the City of Greensboro.
