PURPOSE:

The Parks & Recreation Department is seeking City Council's approval to award the Barber Park Facility Mowing Contract.

BACKGROUND:

On February 4, 2021, the Procurement Services Division conducted an open solicitation for the Barber Park Facility Mowing Contract through the Greensboro E-Procurement System, the State Interactive Purchasing Site (IPS) and the North Carolina HUB Site. The solicitation yielded six bids that were reviewed for responsiveness, which narrowed the considered acceptable bids to four. The four bids were reviewed and scored by a five party committee that consisted of Parks & Recreation, Field Operations and M/WBE employees. Of the four bids received, one was from a registered M/WBE firm with the State of North Carolina, and the selected recommended award.
